

XYTUJK HXD0014

XYTUJK Entryway Shoe Bench with Cushion Seat

MODEL: HXD0014

Introduction

This instruction manual provides detailed guidance for the assembly, operation, and maintenance of your XYTUJK Entryway Shoe Bench with Cushion Seat. Please read this manual completely before beginning assembly or use to ensure proper function and safety. Keep this manual for future reference.

Safety Information

- Always refer to the instructions provided and ensure the bench is properly assembled and stable before use.
- If mounting to a wall, ensure proper wall anchors are used for your wall type to prevent tipping.
- Distribute weight evenly when sitting on the bench to maintain stability and prevent damage.
- Keep small parts away from children during assembly to prevent choking hazards.

Package Contents

Verify that all components are present before beginning assembly:

- 1 x Shoe Bench
- 1 x Instructions Manual (this document)
- 1 x Accessories Bag (containing hardware and tools)

Setup and Assembly

The XYTUJK Entryway Shoe Bench is designed for straightforward assembly. All necessary installation hardware kits and detailed, illustrated instructions are included in the package. Please follow the provided separate instruction sheet for step-by-step assembly.

Key Assembly Points:

- Ensure all screws and fasteners are tightened securely.
- Place the bench on a flat, stable surface during assembly.
- The PU leather cushion is designed for comfort and is placed on top of the bench frame.

Operating Instructions (Usage)

This shoe bench serves multiple functions for your entryway or other living spaces.

- **Seating:** Use the padded bench to comfortably sit while changing shoes.
- **Shoe Storage:** The flip drawers are designed to store shoes. Each layer can accommodate 3-4 pairs of shoes. Gently pull the drawer front to access the shoe compartments.
- **Side Storage:** The right side of the bench features additional storage compartments suitable for items such as umbrellas, keys, or other small accessories.

Maintenance

- **Cleaning:** Wipe the wood surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the PU leather cushion, use a mild soap solution and a soft cloth, then wipe dry.

- **Inspection:** Periodically check all screws and connections to ensure they remain tight. Re-tighten if necessary.
- **Placement:** Avoid placing the bench in direct sunlight or near heat sources to prevent material degradation.

Troubleshooting

- **Bench feels wobbly after assembly:** Ensure all screws are fully tightened. Check that the bench is placed on a level surface.
- **Drawers do not open/close smoothly:** Verify that shoes or other items are not obstructing the drawer mechanism. Check for any loose hardware within the drawer slides.
- **Missing parts:** If any parts are missing from the accessories bag, please contact customer support.
