KINKUNCO H01

KINKUNCO Vanity with Mirror and Lights, Model H01 - Instruction Manual

Your guide to assembly, operation, and care.

			Introduction	Safety Information	Package		
Contents	Assembly	Operation	Maintenance	Troubleshooting	Specifications	Warranty & Support	

1. INTRODUCTION

Thank you for choosing the KINKUNCO Vanity with Mirror and Lights, Model H01. This product is designed to provide a functional and stylish solution for your makeup and storage needs, featuring an integrated LED mirror and a convenient charging station. Please read this manual thoroughly before assembly and use to ensure proper installation and safe operation.

2. SAFETY INFORMATION

- Always follow the assembly instructions carefully. Incorrect assembly can lead to instability and potential injury.
- Do not overload drawers or shelves. Distribute weight evenly to prevent tipping.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure the vanity is placed on a flat, stable surface.
- When using the charging station, ensure devices are compatible with the power output and avoid using damaged cables.
- Do not expose the electrical components (LED mirror, charging station) to water or excessive moisture.
- Unplug the vanity from the power outlet before cleaning or performing any maintenance.

3. PACKAGE CONTENTS

Before beginning assembly, please verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support.

- Vanity Desk Panels (various sizes)
- Drawer Components
- Wardrobe/Cabinet Components
- LED Mirror Unit
- Charging Station Unit (2 sockets + 2 USB ports)
- Hardware Pack (screws, dowels, cam locks, etc.)
- Assembly Tools (basic wrench, screwdriver)
- Installation Instruction Manual

4. ASSEMBLY INSTRUCTIONS

Assembly of the KINKUNCO Vanity, Model H01, requires careful attention to detail. It is recommended to have two people for assembly. Please refer to the included **Installation Instruction Manual** for detailed, step-by-step diagrams and instructions specific to your product. The general steps are outlined below:

1. **Unpack and Organize:** Carefully unpack all components and lay them out on a clean, soft surface (e.g., a blanket or carpet) to prevent scratches. Group similar hardware together.
2. **Assemble the Base Frame:** Begin by assembling the main desk frame and legs according to the manual.
3. **Install Drawers and Cabinet:** Construct and install the drawers and the side cabinet. Ensure drawer slides are correctly aligned for smooth operation.
4. **Attach Upper Storage Unit:** Secure the upper shelving unit to the main desk structure.
5. **Mount the LED Mirror:** Carefully attach the LED mirror unit to its designated position within the upper storage.
6. **Install Charging Station:** Integrate the charging station into the designated slot on the desktop. Connect its power cable.
7. **Final Checks:** Ensure all screws are tightened, and the vanity is stable. Plug the main power cord into a wall outlet.

5. OPERATING INSTRUCTIONS

5.1. LED Mirror Operation

The integrated LED mirror features adjustable lighting with three intensity levels to suit various lighting conditions and makeup needs.

- **Power On/Off:** Locate the touch sensor button on the mirror surface. Tap once to turn the LED lights on or off.
- **Adjust Brightness:** With the lights on, press and hold the touch sensor button to cycle through the three brightness levels (Level 1, Level 2, Level 3). Release the button when the desired brightness is reached.

Image 5.1: Illustration of the three adjustable LED light levels on the vanity mirror, providing optimal illumination for different needs.

5.2. Charging Station Usage

The vanity includes a built-in charging station with 2 standard power sockets and 2 USB ports, ideal for powering beauty tools or charging mobile devices.

- Ensure the vanity's main power cord is securely plugged into a functional wall outlet.
- Plug your hair dryer, curling iron, or other appliances into the standard power sockets.
- Connect your mobile phone, tablet, or other USB-powered devices to the USB ports using appropriate cables.
- Always unplug devices when not in use.

5.3. Storage Features

The vanity offers extensive storage options to keep your items organized.

- **Drawers:** Utilize the 3 drawers for cosmetics, accessories, and other personal items.
- **Shelves:** The upper unit features open shelves for display and easy access, along with 2 hidden shelves behind the

mirror for discreet storage.

- **Hair Dryer Holder:** A dedicated holder for your hair dryer can be mounted on either the left or right side of the desk.

6. MAINTENANCE

6.1. Cleaning

- **Surfaces:** Wipe surfaces with a damp cloth. For stubborn marks, use a mild, non-abrasive cleaner. Dry immediately with a clean cloth.
- **Mirror:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Avoid spraying cleaner directly onto the mirror to prevent liquid from seeping into the electrical components.
- **Electrical Components:** Ensure the vanity is unplugged before cleaning. Wipe the charging station and LED mirror frame with a dry or slightly damp cloth. Do not use liquid cleaners directly on electrical parts.

6.2. General Care

- Avoid placing hot items directly on the vanity surface. Use coasters or protective pads.
- Protect the vanity from direct sunlight and extreme temperature changes to prevent material warping or

discoloration.

- Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
LED mirror lights do not turn on.	1. Vanity not plugged in. 2. Power outlet not working. 3. Touch sensor malfunction.	1. Ensure the main power cord is securely plugged into a live outlet. 2. Test the outlet with another appliance. 3. Contact customer support if the issue persists.
Charging station (sockets/USB) not working.	1. Vanity not plugged in. 2. Power outlet not working. 3. Device cable is faulty. 4. Device is incompatible.	1. Verify the vanity is plugged in. 2. Check the power outlet. 3. Try a different charging cable. 4. Ensure your device is compatible with the charging station's output.
Drawers are stiff or do not close smoothly.	1. Incorrect assembly of drawer slides. 2. Obstruction in the drawer track. 3. Overloaded drawer.	1. Review assembly instructions for drawer slide installation. 2. Remove any items obstructing the drawer track. 3. Reduce the weight or reorganize items in the drawer.
Vanity feels unstable or wobbly.	1. Loose fasteners. 2. Uneven floor surface.	1. Retighten all assembly screws and bolts. 2. Place shims under the legs to level the vanity on an uneven floor.
