## HOGOKIDS HG1054

# HOGOKIDS Dinosaur Roller Coaster Building Set

MODEL: HG1054

## INTRODUCTION

Thank you for choosing the HOGOKIDS Dinosaur Roller Coaster Building Set. This manual provides essential information for the assembly, operation, and maintenance of your new building toy. Please read these instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience. This set contains 1222 pieces and is recommended for ages 8 and up.

## PACKAGE CONTENTS

Before beginning assembly, please verify that all components are present. The HOGOKIDS Dinosaur Roller Coaster Building Set includes:

- 1222 Building Blocks (various shapes and sizes)
- Instruction Manual (this document)
- Dinosaur figures (T-Rex, Pterodactyl, small green dinosaur, Triceratops)
- Roller coaster track pieces and carts
- Off-road vehicle components
- Food cart components
- Assorted decorative elements (plants, eggs, etc.)

If any parts are missing or damaged, please contact HOGOKIDS customer support.

## ASSEMBLY INSTRUCTIONS

Follow the step-by-step instructions provided in the included manual to assemble your Dinosaur Roller Coaster. Sort pieces by color and shape before starting to facilitate the building process.

## 1. Base Construction

Begin by assembling the main base plate and foundational elements for the roller coaster structure. Ensure all connections are firm.

## 2. Roller Coaster Track Assembly

Carefully connect the track pieces according to the manual's diagrams. Pay close attention to the orientation of curved and straight sections to ensure smooth operation.

## DINO ROLLER COASTER

*Image: A detailed view of the roller coaster track, showing the carts positioned on the green track, highlighting the curves and slopes.*

## 3. Dinosaur Figures and Accessories

Assemble the individual dinosaur figures and other accessories such as the off-road vehicle and food cart. These can be integrated into the playset as desired.

- **T-Rex:** Assemble the body, legs, and head, ensuring the jaw mechanism (if any) moves freely.
- **Pterodactyl:** Attach wings and body to the designated perch on the roller coaster structure.
- **Small Dinosaurs:** Assemble the smaller dinosaur figures and place them around the playset.

*Image: Assembled small green dinosaur figure.*

*Image: Assembled Triceratops figure.*

#### **4. Integrating Interactive Elements**

Attach any spinning or moving elements, such as the rotating platforms or the off-road vehicle's path, as shown in the instructions. Ensure these parts move freely.

*Image: A close-up view of the interactive elements within the playset, including spinning platforms and decorative details like dinosaur eggs.*

## OPERATING INSTRUCTIONS

Once fully assembled, your HOGOKIDS Dinosaur Roller Coaster is ready for interactive play.

### 1. Roller Coaster Operation

Place the roller coaster carts onto the track at the designated starting point. Gently push the carts to initiate movement along the track. The design allows for manual operation, simulating a thrilling ride.

*Image: The roller coaster carts descending a track section, with an inset showing the spinning mechanism of the Pterodactyl figure.*

## 2. Interactive Play

Engage with the various elements of the playset:

- Position the dinosaur figures around the jungle landscape.
- Move the off-road vehicle along its designated path.
- Utilize the food cart for imaginative play scenarios.
- Spin the rotating platforms by hand to add dynamic movement.

## MAINTENANCE

Proper maintenance ensures the longevity and cleanliness of your building set.

### Cleaning

To clean the building blocks and assembled set, use a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, as these can damage the plastic. For stubborn dirt, a mild soap solution can be used, followed by thorough rinsing and air drying.

## Storage

When not in use, store the building set in a cool, dry place away from direct sunlight to prevent discoloration or warping of the plastic. If disassembling for storage, keep all pieces organized to prevent loss.

## TROUBLESHOOTING

If you encounter any issues during assembly or play, consider the following common solutions:

- **Pieces not fitting:** Ensure you are using the correct pieces as indicated in the instruction manual. Some pieces may require a firm push to connect.
- **Roller coaster carts getting stuck:** Check the track for any misaligned pieces or obstructions. Ensure all track connections are secure and flat.
- **Missing parts:** Double-check all packaging materials. If parts are genuinely missing, contact HOGOKIDS customer support.
- **Loose connections:** Re-examine the connections of any unstable sections and press pieces firmly together.

## SPECIFICATIONS

Feature	Detail
Product Name	Dinosaur Roller Coaster Building Set
Model Number	HG1054
Number of Pieces	1222
Product Dimensions (Assembled)	Approximately 24.5 x 12.1 x 1.18 inches (62.1 x 30.6 x 3 cm)
Item Weight	4.91 pounds (2.23 kg)
Recommended Age	8 years and up
Material	Plastic
Manufacturer	HOGOKIDS
