Olvy X1906

Olvy Magnetic Building Blocks (74 Pieces) Instruction Manual

Model: X1906

Introduction

Thank you for choosing Olvy Magnetic Building Blocks. This 74-piece set is designed to inspire creativity, enhance problem-solving skills, and develop fine motor coordination in children. Through engaging play, children can explore colors, shapes, and numbers while constructing various 2D and 3D structures.
Our magnetic blocks feature:

- **Stable 3D Constructions:** Engineered to securely hold assembled towers and houses, minimizing frustration during play.
- **Optimized Powerful Magnets:** Reinforced magnetic connections provide strong support for even tall structures.
- **Complete 74-Piece Set:** Each set is carefully inspected to ensure all tiles and play windows are included.
- **Robust and BPA-Free:** Constructed from food-grade ABS plastic with watertight welds to prevent magnet detachment, ensuring safety.
- **Montessori STEM Development:** Promotes spatial awareness, geometry, and logical thinking through daily fun activities.

Setup

The Olvy Magnetic Building Blocks are ready for play right out of the box. No assembly is required for individual pieces. Simply unpack all components and prepare for creative construction.

Package Contents (74 Pieces)

Your set includes a variety of magnetic tiles and accessories to facilitate diverse constructions. Please refer to the image below for a visual representation of all included components and their quantities.

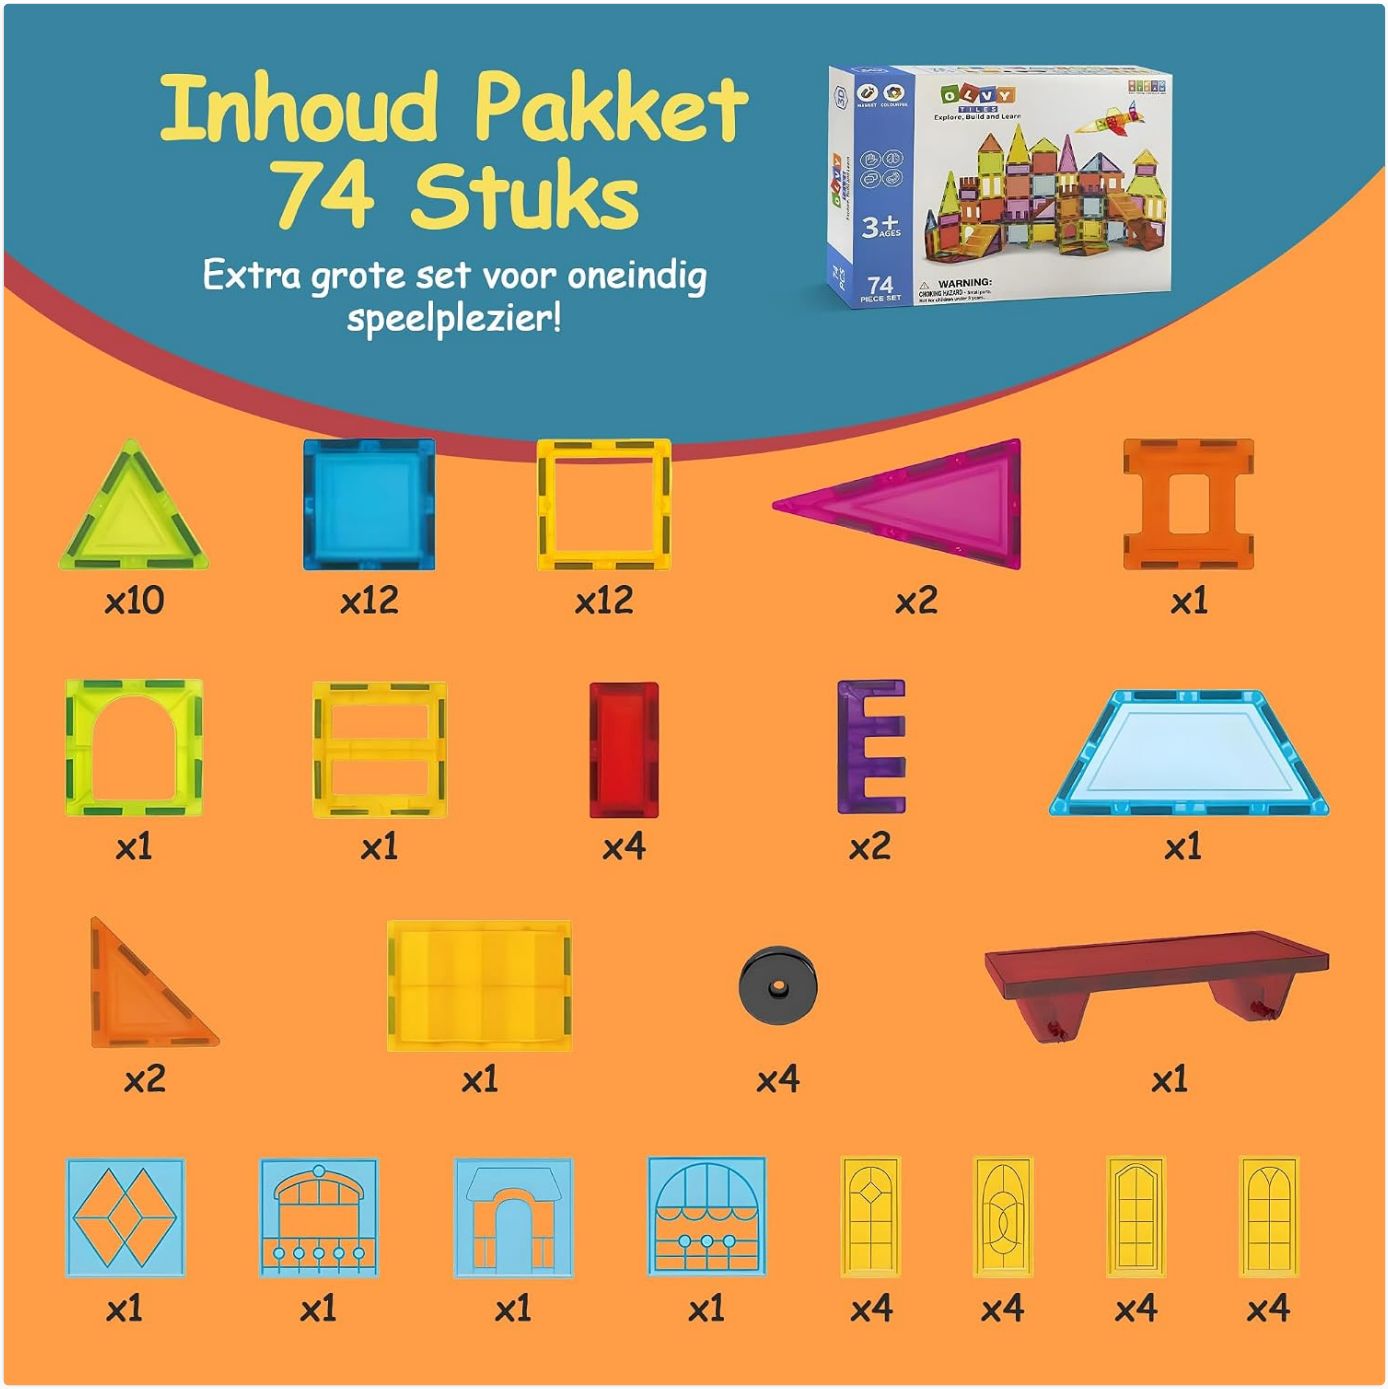

Image: A visual guide to the 74 pieces included in the Olvy Magnetic Building Blocks set, showing various shapes and accessories.

Image: Detailed illustration of the 74 pieces, including their shapes, quantities (e.g., 12x squares, 10x equilateral triangles), and approximate dimensions in centimeters. Accessories like doors, windows, and vehicle parts are also shown.

The set typically includes:

- Various square tiles
- Equilateral, isosceles, and right-angle triangles
- Rectangular tiles
- Special shapes like trapezoids and 'E' shaped pieces
- Window and door decorations
- Vehicle base and wheels

Operating Instructions

Olvy Magnetic Building Blocks offer intuitive play. Simply connect the magnetic edges of the tiles to create flat 2D patterns or complex 3D structures. The strong magnets ensure stable connections, allowing for robust creations.

Creative Play and Learning

Encourage children to experiment with different shapes and colors to build anything they can imagine. The blocks support various stages of development:

Image: This image illustrates three phases of play with Olvy Magnetic Building Blocks, demonstrating how children of different ages can engage with the toy, from simple 2D shapes to elaborate 3D castles and vehicles.

- **Phase 1 (Early Learners):** Focus on simple 2D shapes and color recognition.
- **Phase 2 (Developing Skills):** Build basic 3D structures like small houses or animals.
- **Phase 3 (Advanced Construction):** Create complex castles, vehicles, and other intricate designs.

Image: Two children are actively engaged in building with Olvy Magnetic Blocks, showcasing the versatility of creating both flat 2D designs and towering 3D structures.

An inspiration booklet is included to provide ideas and examples for various constructions, helping to spark imagination and guide initial builds.

Maintenance

To ensure the longevity and hygiene of your Olvy Magnetic Building Blocks, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the blocks with a soft, damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these can damage the plastic.
- **Drying:** Ensure all blocks are completely dry before storing them to prevent moisture buildup.
- **Storage:** Store the blocks in a cool, dry place away from direct sunlight and extreme temperatures. The original packaging or a dedicated storage container is ideal.
- **Inspection:** Periodically inspect the blocks for any signs of wear or damage. Discontinue use if any magnets become exposed or if the plastic cracks.

Image: This image highlights the safety features of Olvy Magnetic Building Blocks, including their construction from non-toxic materials, rounded corners for safety, and strong, secure magnets.

Troubleshooting

If you encounter any issues with your Olvy Magnetic Building Blocks, please refer to the following common solutions:

- **Blocks not connecting securely:** Ensure the magnetic edges are aligned properly. While the magnets are powerful, precise alignment helps create the strongest bond. Check if any foreign objects are obstructing the magnetic surfaces.
- **Missing pieces:** If your 74-piece set is incomplete upon arrival, please contact customer support immediately. Each set undergoes a thorough check before shipping to ensure all components are present.
- **Damaged blocks:** If any blocks are damaged (e.g., cracked plastic, exposed magnets), discontinue use to ensure safety. Contact customer support for assistance.

Specifications

Feature	Detail
Brand	Olvy
Model Number	X1906
Product Dimensions (L x W x H)	17 x 4 x 17 cm
Product Weight	1.6 kilograms
Number of Pieces	74
Material	Food-grade ABS Plastic (Acrylic)
Colors	Red, Yellow, Blue, Green, Orange, Purple
Recommended Age	3 years and up (36 months - 32 years)
Educational Objective	Problem-solving skills, Creative thinking, Spatial awareness, Geometry, Logic
Country of Origin	China

Warranty Information

Olvy Magnetic Building Blocks come with a**2-year manufacturer's warranty**. This warranty covers defects in materials and workmanship under normal use. Please retain your proof of purchase for any warranty claims.
The warranty does not cover damage resulting from misuse, accidents, unauthorized modifications, or normal wear and tear.
