6. CARE AND MAINTENANCE

To maintain the appearance and protective qualities of your case, follow these guidelines:

- **Cleaning:** Use a soft, damp cloth (or the provided cleaning cloth) to wipe down the case regularly. For stubborn dirt, a mild soap solution can be used, but ensure the case is completely dry before re-installing your phone.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the material and finish of the case.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation.

7. TROUBLESHOOTING

If you encounter any issues with your case, consider the following:

- **Case Does Not Fit:** Double-check your phone's model number against the compatibility information in Section 3. This case is exclusively designed for Realme P3 5G.

- **Buttons Are Stiff/Unresponsive:** Ensure the case is correctly aligned and fully seated around your phone. Remove and re-install the case, making sure all edges are properly snapped into place.
- **Scratches/Wear:** While the case offers protection, extreme impacts or abrasive surfaces can still cause cosmetic wear. Regular cleaning and careful handling can prolong its appearance.
