FAMOO A3

FAMOO Wireless Earbuds User Manual

Model: A3

INTRODUCTION

Thank you for choosing FAMOO Wireless Earbuds, Model A3. These Bluetooth 5.3 headphones are designed to provide a superior audio experience with big bass stereo sound, noise-cancelling microphone, and a convenient LED display. With IP7 waterproof rating and up to 50 hours of playtime, they are ideal for sports and daily use. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

WHAT'S IN THE BOX

- FAMOO A3 Wireless Earbuds (Left and Right)
- Charging Case
- Eartips (S/M/L sizes)
- USB-C Charging Cable
- User Manual (this document)

PRODUCT OVERVIEW

Image: The FAMOO A3 Wireless Earbuds in their charging case. The case features a digital LED display showing battery percentages for the case and individual earbuds (L and R). The earbuds themselves are white with a sleek design, featuring touch control areas indicated by a fingerprint icon.

The FAMOO A3 earbuds are designed for comfort and performance. Each earbud is lightweight (3.8g) and features a 45° curved structure for a secure fit. The charging case includes a dual LED display to show the battery level of both the case and the individual earbuds, ensuring you always know your charge status.

SETUP

1. Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case. The charging case features a USB-C port for fast charging.

- Connect the USB-C charging cable to the charging port on the case and to a power source.
- The dual LED display on the charging case will show the charging progress. "100" indicates a full charge for the case.
- Place the earbuds into the charging case. The individual battery indicators (L and R) on the display will show their charging status.
- A full charge for the case takes less than an hour. The earbuds provide up to 8 hours of playtime on a single charge, with the case providing an additional 50 hours of use.

2. Pairing with Your Device

The earbuds utilize Bluetooth 5.3 for a stable and low-latency connection.

1. Ensure the earbuds are charged.
2. Open the charging case. The earbuds will automatically enter pairing mode.
3. On your device (smartphone, tablet, laptop), go to Bluetooth settings and turn Bluetooth on.
4. Search for "FAMOO A3" or a similar name in the list of available devices and select it to connect.
5. Once connected, the earbuds will automatically pair with your device upon removal from the case for future use.

OPERATING THE EARBUDS

Smart Touch Controls

The FAMOO A3 earbuds feature sensitive touch controls on each earbud for easy operation. The touch area is typically indicated by the fingerprint icon on the earbud stem.

| Action | Control |
|--------------------------|---|
| Play/Pause Music | Single tap on either earbud |
| Answer/End Call | Single tap on either earbud |
| Next Track | Double tap on the Right earbud |
| Previous Track | Double tap on the Left earbud |
| Reject Call | Long press (2 seconds) on either earbud |
| Activate Voice Assistant | Triple tap on either earbud |

Call and Audio Quality

The earbuds feature a dual ENC hybrid microphone system that effectively reduces up to 90% of background noise, ensuring clear calls. The 14.3mm graphene diaphragm delivers enhanced bass and a rich stereo sound experience.

MAINTENANCE

- **Cleaning:** Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth. Do not use harsh chemicals or abrasive materials.
- **Water Resistance:** The earbuds have an IP7 waterproof nano-coating, protecting them from sweat and light rain. Do not submerge them in water or expose them to strong jets of water. Ensure they are dry before placing them back in the charging case.

- **Storage:** When not in use, store the earbuds in their charging case to protect them and keep them charged. Store in a cool, dry place away from extreme temperatures.
- **Battery Care:** To prolong battery life, avoid fully discharging the earbuds and case frequently. Charge them regularly, even if not in constant use.

TROUBLESHOOTING

Earbuds not pairing or connecting:

- Ensure earbuds are charged and removed from the case.
- Turn off and on Bluetooth on your device.
- Forget "FAMOO A3" from your device's Bluetooth list and try pairing again.
- Try pairing with another device to rule out device-specific issues.

Only one earbud working:

- Place both earbuds back into the charging case, close the lid, wait a few seconds, then take them out again.
- Ensure both earbuds are charged.
- Reset the earbuds (refer to manufacturer's specific reset instructions if available, otherwise a full charge cycle often helps).

Low volume or poor sound quality:

- Adjust the volume on your connected device.
- Ensure earbuds are clean and free of debris, especially the speaker mesh.
- Try different sized eartips for a better seal in your ear canal.
- Ensure there are no obstructions between the earbuds and your device.

Charging case not charging:

- Check the USB-C cable and power adapter for damage.
- Try a different USB-C cable or power source.
- Ensure the charging port on the case is clean.
