BUPPLEE 5-Piece Outdoor Patio Dining Set User Manual

Model: YOZXOT001BK-03

IMPORTANT SAFETY INFORMATION

Please read and understand all safety information before assembly and use of this product. Failure to follow these instructions may result in injury or damage.

- Always assemble according to the provided instructions.
- Be cautious when using the table with an umbrella to prevent tip-over. Ensure the umbrella base is stable and heavy enough for the umbrella size.
- Handle stackable chairs with care to avoid injury during stacking or unstacking.
- Keep the product away from open flames or high heat sources to prevent damage to materials.
- Regularly inspect all components for wear and tear, and tighten fasteners as needed.

PACKAGE CONTENTS

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support.

- 1 x Round Steel Dining Table (42.5" diameter)
- 4 x Stackable Texlin Sling Chairs

Product Dimensions

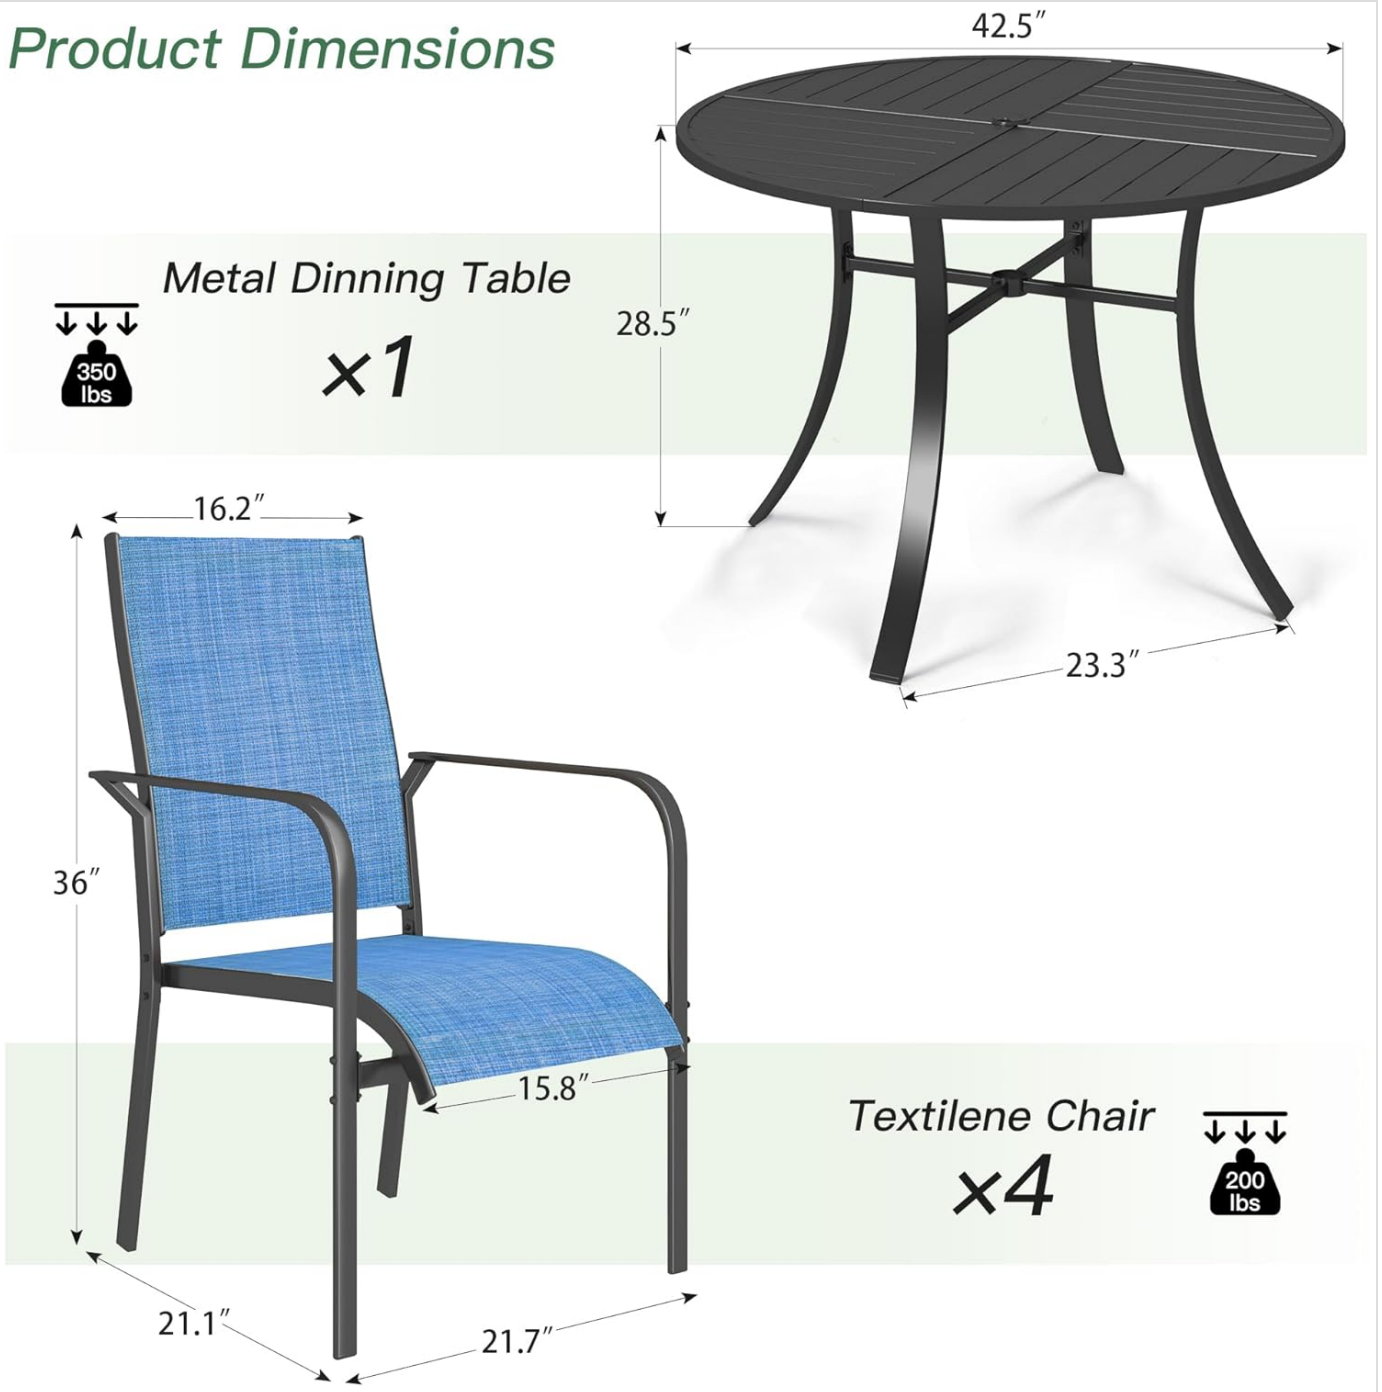

Figure 1: Product Dimensions and Components. This diagram illustrates the dimensions of the metal dining table (42.5" diameter, 28.5" height) and a single Texlin chair (36" height, 21.1" width, 21.7" depth, 15.8" seat depth). It also indicates that the set includes one table and four chairs.

SETUP AND ASSEMBLY

Assembly of the BUPPLEE 5-Piece Outdoor Patio Dining Set is designed to be straightforward. It is recommended to assemble the set on a soft, clean surface to prevent scratches.

- 1. Unpack Components:** Carefully remove all parts from the packaging. Lay them out and compare with the "Package Contents" section and Figure 1 to ensure all pieces are present.
- 2. Assemble the Table:**
 - Attach the table legs to the tabletop using the provided screws and washers. Do not fully tighten screws until all legs are in place.
 - Once all legs are attached, place the table upright and gently rock it to ensure stability. Then, fully tighten all

screws.

3. **Assemble the Chairs:** The Texlin sling chairs typically come pre-assembled or require minimal assembly.
 - If chair assembly is required, attach the seat and backrest frames to the chair legs using the provided hardware. Ensure the Texlin fabric is facing the correct direction.
 - Tighten all screws securely, but avoid over-tightening.
4. **Final Check:** After assembly, ensure all screws are tightened and the table and chairs are stable.

OPERATING AND USAGE

This dining set is designed for outdoor use, offering comfort and functionality for various activities.

- **Umbrella Hole:** The round table features a center umbrella hole. Insert a patio umbrella (not included) and secure it with an appropriate umbrella base for shade. Ensure the umbrella base is heavy enough to prevent tipping in windy conditions.
- **Stackable Chairs:** The chairs are designed to be stackable for convenient storage when not in use. To stack, lift each chair and place it carefully on top of another, aligning the frames to prevent damage.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your BUPPLEE dining set.

- **General Cleaning:** Wipe the table and chair frames with a dry cloth regularly to remove dust and debris. For more thorough cleaning, use a mild soap and water solution with a soft cloth. Rinse thoroughly and dry completely to prevent water spots or rust.
- **Texlin Fabric Care:** The breathable Texlin sling fabric is low-maintenance. Clean with a damp cloth and water. Avoid harsh chemicals or abrasive cleaners, which can damage the fabric. Allow to air dry.
- **Rust Prevention:** The steel frame is designed for outdoor use, but prolonged exposure to moisture can lead to rust. Ensure the set is dry after rain. Consider using furniture covers during extended periods of non-use or harsh weather.
- **Storage:** During off-seasons or inclement weather, store the set in a dry, protected area. Utilize the stackable feature of the chairs to save space.

TROUBLESHOOTING

Refer to these common issues and solutions before contacting customer support.

- **Wobbly Table/Chairs:** Check all screws and bolts. Tighten any loose fasteners. Ensure the set is on a flat, even surface.
- **Difficulty Assembling:** Review the assembly instructions carefully. Ensure all parts are oriented correctly. Do not force components together. If a hole does not align, slightly loosen surrounding screws, adjust, and then re-tighten.
- **Stains on Fabric:** For most stains, a mild soap and water solution should suffice. Gently scrub with a soft brush if needed, then rinse and air dry. Avoid harsh chemicals.
