3. ASSEMBLY INSTRUCTIONS

Assembly of the Gitelsnour GCT032G Cat Tree typically requires one to two individuals and can be completed within 1.5 to 3 hours. All necessary parts and tools are included and clearly labeled for straightforward construction. Follow the step-by-step guide provided in the packaging for detailed instructions.

3.1. Pre-Assembly Checklist

- Verify all components are present according to the parts list.
- Ensure you have the included Allen key and any other specified tools.
- Clear a spacious area for assembly.

3.2. Stability and Safety

The cat tree features a large, stable base. For enhanced safety, especially with active or multiple cats, utilize the included anti-tipping straps to secure the cat tree to a wall. This prevents accidental tipping.

5. CARE AND MAINTENANCE

To ensure the longevity and hygiene of your cat tree, follow these care instructions:

- **Cleaning:** The plush fabric components are designed for hand washing only. Use a mild detergent and cold water. Allow to air dry completely before reassembly or use.
- **Regular Inspection:** Periodically check all screws and connections to ensure they remain tight. Tighten any loose parts to maintain stability.
- **Sisal Post Maintenance:** Over time, sisal scratching surfaces may show wear. While not replaceable, regular use helps maintain claw health.
- **Placement:** Place the cat tree in a dry area, away from direct sunlight or excessive humidity, to prevent material degradation.

6. TROUBLESHOOTING

- **Wobbling:** If the cat tree feels wobbly, ensure all screws are securely tightened. Confirm the base is on a flat, even surface. Utilize the anti-tipping straps to anchor the tree to a wall.

- **Parts Missing/Damaged:** If any parts are missing or damaged upon arrival, please contact customer support immediately for assistance.
- **Cats Not Using the Tree:** Introduce your cat to the tree gradually. Use catnip, treats, or favorite toys to encourage exploration. Place the tree in a location your cat frequently visits.
