OPERATING INSTRUCTIONS

Converting to a Sofa Bed

The U-shaped sectional easily converts into a spacious sleeping surface. Locate the strap handle on the pull-out section. Gently pull the handle to extend the bed mechanism forward until it is fully deployed and locked into place. To convert back to a sofa, lift the pull-out section slightly and push it back into the sofa frame until it is securely stored.

MAINTENANCE AND CARE

Proper care will extend the life and appearance of your Polibi sectional sofa bed.

- **Regular Cleaning:** Vacuum the chenille fabric regularly using an upholstery attachment to remove dust and loose debris.
- **Spot Cleaning:** For spills, blot immediately with a clean, dry cloth. Do not rub, as this can spread the stain. For stubborn stains, use a mild fabric cleaner specifically designed for chenille, testing on an inconspicuous area first.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fabric fading. Position your sofa away from direct sunlight or use curtains/blinds.
- **Avoid Harsh Chemicals:** Do not use harsh detergents, abrasive cleaners, or solvents, as these can damage the fabric.

TROUBLESHOOTING

If you encounter any issues with your Polibi sectional sofa bed, please refer to the following common solutions:

- **Difficulty with Sofa Bed Conversion:** Ensure no obstructions are blocking the pull-out mechanism. Check that the components are aligned correctly. If the mechanism feels stiff, ensure all assembly bolts are not overtightened.
- **Charging Ports Not Working:** Verify that the sofa's power cord is securely plugged into a functional wall outlet. Check for any loose connections at the charging port unit.

- **Unstable Sections:** Re-check all connection points between the sectional pieces and ensure all fasteners are tightened.
