Hollow Out Metal Lampshade Instruction Manual

Brand: DIYEAH | Model: 8IDH5VL37QF57JW16PAGN

1. Product Overview

This instruction manual provides essential information for the installation, operation, and maintenance of your new DIYEAH Hollow Out Metal Lampshade. Designed as a replacement for broken or outdated light shades, this decorative pendant light shade enhances the aesthetic of any space with its retro industrial style.

Crafted from durable iron material, the lampshade features a unique hollow-out mesh design that not only adds an artistic touch but also contributes to a noble and elegant atmosphere. Its simple structure and lightweight design ensure an easier installation process, making it suitable for various settings including homes, bars, restaurants, offices, and hotels.

4. Setup and Installation

This lampshade is designed for easy replacement and installation on compatible light fixtures. Please follow these steps carefully to ensure safe and proper installation.

Safety Precautions:

- **ALWAYS** turn off the power to the light fixture at the circuit breaker before beginning any installation or maintenance.
- Ensure the light fixture is cool to the touch before handling.
- If you are unsure about any step, consult a qualified electrician.

Installation Steps:

1. **Prepare the Fixture:** Ensure the power to the light fixture is completely off. If there is an existing lampshade, carefully remove it according to its specific removal instructions.
2. **Inspect the Lampshade:** Before installation, inspect your new DIYEAH lampshade for any signs of damage from shipping.
3. **Attach the Lampshade:** The lampshade is designed to fit over standard light bulb sockets or fixture rings. Carefully align the opening of the lampshade with the light fixture's mounting mechanism (e.g., a threaded ring or clips). Gently push or screw the lampshade into place until it is securely fastened.
4. **Verify Stability:** Once attached, gently tug on the lampshade to ensure it is firmly in place and will not fall.
5. **Restore Power:** Turn the power back on at the circuit breaker.
6. **Test:** Turn on the light switch to confirm the lampshade is correctly installed and the light functions as expected.

5. Operation

The DIYEAH Hollow Out Metal Lampshade is a passive component designed to diffuse and direct light from your existing light bulb. It does not require any active operation.

- Once installed, the lampshade functions automatically when the light fixture is turned on.
- Its mesh design allows for optimal light distribution while adding a decorative element.

6. Care and Maintenance

To ensure the longevity and appearance of your lampshade, follow these simple maintenance guidelines:

- **Cleaning:** Dust the lampshade regularly with a soft, dry cloth. For more thorough cleaning, you may gently wipe it with a slightly damp cloth, then immediately dry it with a clean, dry cloth to prevent rust.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners, solvents, or harsh chemicals, as these can damage the finish of the iron.
- **Handling:** Handle the lampshade with care to avoid bending or deforming the mesh.

7. Troubleshooting

If you encounter any issues with your lampshade, please refer to the following common problems and solutions:

- **Lampshade does not fit the fixture:**
  - Verify the dimensions of your light fixture's mounting point against the lampshade's specifications (8.27"W x 6.3"H).
  - Ensure you are attempting to attach it to a compatible fixture type (e.g., pendant, hanging, or wall light with appropriate mounting).
- **Lampshade appears damaged upon arrival:**

- Do not attempt to install a damaged lampshade.
- Contact customer support immediately with details and images of the damage for assistance with replacement or refund.

- **Lampshade is unstable after installation:**
  - Ensure the lampshade is fully seated and securely fastened to the fixture's mounting mechanism.
  - Re-check that the power is off before re-adjusting the lampshade.

For issues not covered here, please contact DIYEAH customer support.

8. Warranty and Customer Support

While specific warranty details are not provided, DIYEAH is committed to customer satisfaction. If you experience any issues with your Hollow Out Metal Lampshade, or require further assistance, please contact the seller or manufacturer directly.
