Lians Queen Bed Frame

Lians Queen Size Bed Frame User Manual

Model: Queen Bed Frame

1. INTRODUCTION

Thank you for choosing the Lians Queen Size Bed Frame. This manual provides essential information for the safe assembly, operation, and maintenance of your new bed frame. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. SAFETY INFORMATION

Important: Exercise caution around sharp edges during assembly. Ensure all components are properly aligned and securely fastened to prevent instability. Failure to follow these instructions may result in injury or damage to the product.

3. PACKAGE CONTENTS

Before assembly, verify that all parts are present and undamaged. Refer to the included parts list in your packaging. The package content includes the bed frame and instruction manual.

QUEEN SIZE

L:85.9" X:60.6" H:43.3"

4. SETUP AND ASSEMBLY

Assembly of the Liains Queen Size Bed Frame is designed to be straightforward, typically taking approximately 1 hour. All parts are numbered, and clear instructions are provided in the accompanying assembly guide.

- 1. Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches.
- 2. Follow Numbered Steps:** Refer to the detailed, step-by-step instructions and diagrams in your assembly guide. Ensure each numbered part is used in the correct sequence.
- 3. Secure All Fasteners:** Tighten all screws and bolts firmly, but do not overtighten until the frame is fully assembled and aligned. Once assembled, ensure all connections are secure.
- 4. Install Slats:** Place the metal slats evenly across the frame. These slats provide robust support for your mattress, eliminating the need for a box spring.
- 5. Position Mattress:** The bed frame features an embedded design to help keep your mattress securely in place, preventing sliding.

Embedded Design
Keep Mattress In Place

Regular Design
Easy To Slide

5. OPERATING INSTRUCTIONS

5.1. Charging Station

The integrated headboard features a convenient charging station to power your electronic devices. This hub includes:

- 2 AC Outlets
- 2 USB Ports
- 1 Type-C Port

Simply plug your devices into the appropriate ports for easy bedside charging.

Storage Headboard With Charging Station

5.2. RGB LED Mood Lighting

Enhance your bedroom ambiance with the customizable RGB LED strip lights located under the bed headboard. These lights offer:

- Over 16 color options
- Multiple dynamic lighting modes
- Adjustable brightness
- Music sync and Mic mode functions

Control the LED lights using the included remote control to create your desired atmosphere.

6. CARE AND MAINTENANCE

- **Cleaning:** For the metal frame, wipe with a soft, damp cloth. For the wood headboard, use a dry or slightly damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Regular Inspection:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Under-Bed Storage:** The frame provides 12.6 inches of clearance for under-bed storage. Ensure items stored underneath do not obstruct airflow or put undue pressure on the frame.

Image 6: Illustration of the 12.6-inch under-bed clearance, suitable for storage containers.

7. TROUBLESHOOTING

- **Squeaking or Shaking:** If the bed frame makes noise or feels unstable, re-check all assembly connections. Ensure all bolts are securely tightened. The heavy-duty metal frame is designed for silence and stability when properly assembled.
- **LED Lights Not Functioning:** Verify that the LED strip is properly connected to its power source and that the remote control has working batteries. Ensure no cables are pinched or damaged.
- **Charging Ports Not Working:** Confirm that the bed frame's power cord is securely plugged into a functional wall outlet. Check for any loose connections at the charging station itself.
- **Mattress Sliding:** The bed frame features an embedded design to minimize mattress movement. If your mattress is still sliding, ensure it is correctly positioned within the frame's edges.

8. PRODUCT SPECIFICATIONS

Size	Queen (U.S. Standard)
Product Dimensions	80"L x 60"W x 13.7"H

Special Feature	Charging Station, LED Lights
Color	Black
Finish Type	Powder Coated
