10. WARRANTY AND SUPPORT

Your Dell Slim Desktop ECS1250 includes the following services:

- **1 Year Onsite Service:** Provides support when and where you need it. Dell will come to your home, office, or location of choice if an issue covered by Limited Hardware Warranty cannot be resolved remotely.
- **6 Months Dell Migrate:** A simple do-it-yourself tool that moves your hard-to-replace data, personal records, and important files to your latest Dell PC.

For complete details and to access support, please visit the official Dell support website or refer to the documentation included with your product.

1 Year Onsite Service after remote diagnosis.*

*Onsite Service after remote diagnosis is determined by online or phone tech and may involve customer access to the inside of the system and multiple extended sessions. If the issue is covered by the Limited Hardware Warranty and cannot be resolved remotely, the tech and/or replacement part will be dispatched, usually in 1 or 2 business days, following the completion of remote diagnosis. The customer must return the original hardware according to Dell's terms. Onsite service is provided by Dell Marketing L.P. Availability varies. Other conditions apply. For complete details, see Dell.com/service contracts.
