WEUYUIAF 3D Wall Art Chameleon Mini Building Blocks Set

Model: 668-108

Brand: WEUYUIAF

INTRODUCTION

This instruction manual provides detailed guidance for assembling and displaying your WEUYUIAF 3D Wall Art Chameleon Mini Building Blocks Set. This set is designed for adult builders and features micro-sized building blocks to create a detailed chameleon mural. Please read all instructions carefully before beginning assembly.

PRODUCT OVERVIEW

Components Included:

- 2688 Micro Building Blocks
- Detailed Instruction Manual
- Brick Separator Tool

The set consists of 2688 micro-sized building blocks made from durable, environmentally friendly ABS material. These blocks are smaller than standard building blocks, with a minimum size of approximately 4mm x 5mm, requiring precision during assembly. The finished model is intended as a decorative wall art piece.

SAFETY INFORMATION

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 14 years of age due to choking hazards.
- **Adult Supervision:** Adult supervision is recommended if younger individuals are assisting with assembly.
- **Material Safety:** The blocks are made from non-toxic ABS plastic.
- **Handling:** Exercise care when handling small pieces to avoid loss or accidental ingestion.

ASSEMBLY INSTRUCTIONS (SETUP)

The assembly process for the Chameleon Mural involves 2688 micro building blocks. Due to the small size of the components and the intricate design, patience and attention to detail are essential.

1. **Unpack Components:** Carefully open all bags containing the building blocks. Note that unlike some other building block sets, the pieces may not be sorted into numbered bags corresponding to specific steps. It is recommended to sort pieces by color or type before beginning.

2. **Consult the Manual:** Refer to the included detailed instruction manual for step-by-step visual guidance. Each step illustrates the placement of blocks to construct the 3D chameleon mural.
3. **Precision Building:** Due to the micro size of the blocks, precise placement is crucial. Ensure each block is firmly connected to maintain structural integrity. The included brick separator can assist in correcting errors.
4. **Layered Construction:** The model is built in layers. Pay close attention to the diagrams to understand the three-dimensional progression of the build.

DISPLAY AND USAGE (OPERATING)

Once assembled, your 3D Wall Art Chameleon is designed to be a decorative piece. It can be displayed on a flat surface or mounted on a wall.

Wall Mounting:

- The back of the mural features four wall-mountable holes for secure attachment.
- A support bracket is integrated into the design to provide stability when mounted.

- Use appropriate wall anchors and screws (not included) suitable for your wall type and the weight of the assembled model. Ensure the mounting hardware is level before hanging.

MAINTENANCE

To keep your WEUYUIAF 3D Wall Art Chameleon looking its best, follow these simple maintenance guidelines:

- **Cleaning:** Gently dust the model with a soft, dry cloth or a soft brush. For more stubborn dust, a slightly damp cloth can be used, but avoid excessive moisture.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight may cause colors to fade over time.
- **Storage:** If disassembling or storing, keep all blocks in a secure container to prevent loss of small pieces.

TROUBLESHOOTING

- **Difficulty with Instructions:** If the visual instructions are unclear, re-examine the diagrams carefully, paying attention to color differences between existing and new parts. Building in layers requires spatial awareness.
- **Pieces Not Fitting:** Ensure the blocks are oriented correctly and pressed firmly into place. The tight occlusion is designed for a stable build. If a piece is particularly stubborn, try gently wiggling it into

position or using the brick separator to adjust surrounding pieces.

- **Missing Pieces:** While rare, if you believe you have a missing piece, double-check all packaging and sorting areas. If a piece is genuinely missing, please contact WEUYUIAF customer support for assistance.

SPECIFICATIONS

Specification	Detail
Brand	WEUYUIAF
Model Name	668-108
Number of Pieces	2688
Material	Acrylonitrile Butadiene Styrene (ABS)
Assembled Mural Size (approx.)	6.93 in (H) x 8.46 in (W) x 8.46 in (D)
Recommended Age	14+ (Adult)
Special Feature	Wall-mountable, Easy Storage
