OPERATING INSTRUCTIONS

Swivel and Gliding Chairs:

- The chairs are designed for 360-degree rotation. Simply apply gentle pressure to rotate the chair in any direction.
- The chairs also feature a 30-degree gliding rocking motion. Lean back gently to initiate the rocking movement.
- Ensure the chair is on a flat, stable surface for optimal and safe operation.

Solar-Powered Light Table:

- The coffee table is equipped with solar panels that charge during daylight hours.
- The built-in lights will automatically activate at dusk, providing ambient illumination for approximately 6 hours on a full charge.
- Ensure the solar panel on the table top is exposed to direct sunlight for several hours daily to ensure proper charging.

CARE AND MAINTENANCE

Proper care and maintenance will extend the life and appearance of your patio furniture set.

Rattan Frame:

- Clean the rattan frame with a soft cloth, mild soap, and water. Rinse thoroughly and allow to air dry.
- Avoid using harsh chemicals or abrasive cleaners, as these can damage the material.
- While the rattan is UV-resistant, prolonged exposure to direct sunlight and extreme weather conditions can affect its longevity. Consider using a furniture cover when not in use for extended periods.
