## 5. CARE AND MAINTENANCE

To ensure the longevity and appearance of your Oscar Bed, follow these care guidelines:

- **Cleaning Upholstery:** For general cleaning, gently vacuum the upholstered surfaces with a soft brush attachment to remove dust and debris. For spills, blot immediately with a clean, dry cloth. For stubborn stains, consult a professional upholstery cleaner or use a mild, pH-neutral fabric cleaner, testing on an inconspicuous area first.
- **Cleaning Hard Surfaces:** Wipe non-upholstered surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Electrical Components:** Keep liquids away from the wireless charging pad, LED lights, and speakers. Do not attempt to disassemble or repair electrical components yourself.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading of the fabric.
- **Regular Inspection:** Periodically check all bolts and connections to ensure they remain tight. Retighten if necessary.
