

ApoloSign SW3299T

ApoloSign 32-inch FHD Smart Portable TV (Model SW3299T) User Manual

Model: SW3299T | Brand: ApoloSign

1. INTRODUCTION

This manual provides essential information for the safe and efficient operation of your ApoloSign 32-inch FHD Smart Portable TV. Please read this manual thoroughly before using the device and retain it for future reference.

Key Features:

- **32-inch 1080P FHD Touchscreen:** Features a 1920x1080 resolution display with ten-point touch support.
- **Android 15 OS & Google EDLA Certified:** Provides access to the Google Play Store and popular streaming applications.
- **16(8+8)GB RAM & 128GB Storage:** Ensures smooth operation and ample space for applications and media.
- **Built-in 15000mAh Battery:** Offers up to 8 hours of portable use.
- **Full Swivel Rotation & Adjustable Height:** Allows for flexible viewing angles and easy movement.
- **8MP HD Camera & Voice Remote Control:** Enhances functionality for video calls and hands-free operation.
- **Wireless & Wired Casting:** Supports screen projection from various devices (Android/iOS/Mac/Windows) via HDMI, USB 3.0, and USB 2.0 ports.
- **Custom Widget Dashboard & AI Voice Assistant:** Includes calendar widgets, digital screensavers, and Google Gemini integration.

2. SETUP

2.1 Unpacking and Components

Carefully unpack all items from the box. Ensure all components are present:

- 1 x 32 Inch 1080P FHD Touchscreen Display

- 1 x 8MP HD Camera & Bluetooth Voice Remote
- 1 x Charging Base & Stand & Power Adapter
- 1 x Installation Kit
- 1 x User Manual (this document)

2.2 Assembly

Follow the instructions provided in the separate Installation Kit for assembling the stand and attaching the display. Ensure all connections are secure before proceeding.

2.3 Initial Power On and Network Connection

1. Connect the power adapter to the charging base and plug it into a power outlet.
2. Press the power button on the device to turn it on.
3. Follow the on-screen prompts to select your language and connect to a Wi-Fi network.
4. Log in with your Google account to access Google services and the Play Store.

3. OPERATING INSTRUCTIONS

3.1 Navigating the Android 15 OS

The ApolloSign Smart Portable TV runs on Android 15. Navigate using the touchscreen or the included voice remote control.

- **Touchscreen:** Interact directly with the display by tapping, swiping, and pinching.
- **Voice Remote Control:** Use the directional pad, selection buttons, and dedicated voice button for navigation and commands.

3.2 Application Management

Access the Google Play Store to download and install your preferred applications, including streaming services like Netflix and YouTube.

16(8+8)GB RAM, 128GB Storage

Effortlessly enjoy your favorite apps. Whether for entertainment, work, or leisure

Image: The ApoloSign TV showcasing its Android 15 operating system and access to the Google Play Store, with icons for various applications.

3.3 Voice Assistant (Google Gemini)

The device is preloaded with Google Gemini AI Voice Assistant. Press and hold the voice button on the remote control to activate it for instant commands, smart suggestions, and natural language interactions.

3.4 Screen Casting and Connectivity

The ApoloSign TV supports both wireless and wired screen projection. It is compatible with Android, iOS, Mac, and Windows devices.

- **Wireless Casting:** Use the built-in casting features to mirror content from your phone, tablet, or laptop.
- **Wired Connectivity:** Utilize the HDMI, USB 3.0, and USB 2.0 ports for direct connections to external devices.

Wireless Screen Casting

Experience vivid visuals and smooth gameplay on a large screen.
With HDMI IN supporting 4K input (displayed at 1080P on FHD screen)

*Screen sharing (mirroring) is not supported on all devices and apps.
*Supports Miracast, Android DLNA, but not AirPlay Streaming and Chromecast.

5. MAINTENANCE

5.1 Cleaning the Display

To clean the screen, gently wipe it with a soft, lint-free cloth. For stubborn marks, slightly dampen the cloth with water or a screen-cleaning solution. Avoid using harsh chemicals or abrasive materials.

5.2 Battery Care

The device features a built-in 15000mAh battery. For optimal battery life:

- Avoid fully discharging the battery frequently.
- Store the device in a cool, dry place when not in use for extended periods.
- Charge the device using only the provided power adapter.

6. TROUBLESHOOTING

6.1 Common Issues and Solutions

Issue	Possible Solution
Device does not power on	Ensure the power adapter is securely connected and the device is charged.
Cannot connect to Wi-Fi	Check your Wi-Fi router and network settings. Restart the device and try again.
Touchscreen unresponsive	Restart the device. Ensure the screen is clean and free of obstructions.
Remote control not working	Check battery levels in the remote. Ensure there are no obstructions between the remote and the TV. Re-pair the remote if necessary.
Screen casting issues	Ensure both devices are on the same Wi-Fi network. Check compatibility and casting settings on both devices.

6.2 Further Assistance

If you encounter issues not covered in this section, please refer to the support information in Section 8.
