2. WHAT'S IN THE Box

Upon opening your Fire-Boltt Legacy Smart Watch package, you should find the following items:

- 1 x Fire-Boltt Legacy Smart Watch
- 1 x Charging Cable
- 1 x Warranty Card

Your browser does not support the video tag.

This video demonstrates the unboxing process and contents of the Fire-Boltt Legacy Smart Watch package.

3. SETUP

3.1 Charging the Smart Watch

Before initial use, fully charge your Fire-Boltt Legacy Smart Watch. Use the provided wireless charging cable. Connect the USB end of the cable to a power adapter (not included) and place the watch on the charging pad.

The watch screen will indicate charging status.

WIRELESS CHARGING

Up to 7 Days Battery

Up to 2 Days Battery with BT Calling

The Fire-Boltt Legacy Smart Watch supports convenient wireless charging. Ensure proper placement on the charging pad.

3.2 Power On/Off

- **To Power On:** Press and hold the power button (usually the top right button) until the Fire-Boltt logo appears.
- **To Power Off:** Press and hold the power button, then select 'Power Off' on the screen.

3.3 App Installation and Pairing

To unlock the full potential of your smartwatch, download and install the companion application on your smartphone. Refer to the QR code on the packaging or search for the recommended app in your phone's app store. Follow the in-app instructions to pair your watch via Bluetooth.

4. OPERATING INSTRUCTIONS

This video provides a general overview of the Fire-Boltt Legacy Smart Watch's features and design.

4.1 Display Features

The Fire-Boltt Legacy features a stunning 1.43-inch Super AMOLED display with a resolution of 466x466 pixels and 600 NITS brightness, ensuring clear and vibrant visuals. The Always-On Display feature keeps essential information visible without needing to activate the screen.

The 1.43-inch AMOLED display offers a vibrant visual experience with a high resolution of 466x466 pixels.

600 NITS
B R I G H T N E S S

Experience exceptional clarity even in bright conditions with 600 NITS of peak brightness.

ALWAYS ON DISPLAY

The Always-On Display feature ensures that time and important information are always visible at a glance.

4.2 Bluetooth Calling

Make and receive calls directly from your wrist using the built-in microphone and speaker. This feature allows for hands-free communication, ideal for when you're on the go.

BLUETOOTH CALLING

The Bluetooth Calling feature allows you to answer or reject calls directly from your smartwatch.

4.3 Health Monitoring

Track your health and fitness with advanced sensors. The watch monitors SpO2 (blood oxygen), heart rate, stress levels, and sleep patterns. It also includes hydration and sedentary reminders to promote a healthier routine. With over 100 sports modes, you can accurately track various activities from running to yoga and swimming.

Health Suite

Sleep Monitoring

The Health Suite provides comprehensive monitoring including SpO2, sleep tracking, and breath training exercises.

100+

SPORTS MODES

Get the motivation to keep moving and track your workout metrics more precisely than ever with Legacy Smartwatch that comes with 100 different sports modes. All you need to do is, just slip it on and get ready to break a sweat!

Track your performance across more than 100 sports modes, from swimming to running, with precise metrics.

4.4 AI Voice Assistant

Utilize the built-in AI voice assistant for hands-free control. Set reminders, play music, or check the weather simply by speaking commands to your watch.

Voice Assistance

Hey there! We are happy to help you.

Access your AI Voice Assistant (e.g., Google Assistant, Siri) directly from your watch for convenient control.

4.5 Other Features

- **Inbuilt Games:** Enjoy casual games directly on your watch.
- **Stock Market Updates:** Get real-time stock market updates on your wrist.
- **Weather Updates:** Receive constant weather forecasts.
- **Alarm & Stopwatch:** Utilize essential time management tools.
- **World Clock:** Keep track of time in multiple cities globally.
- **Customizable Watch Faces:** Personalize your watch with various watch face options.

STOCK

Market

A revolutionary feature - get real time stock market updates directly on the smartwatch. Simply add your favourite stocks in the app & automatically get real time updates on your wrist!

Receive real-time stock market updates directly on your smartwatch by syncing with the companion app.

Access useful features like weather updates, alarms, and a stopwatch directly from your watch.

Be your own style icon

Customize your watch face to match your style and preferences from a wide selection of designs.

5. MAINTENANCE

5.1 Water Resistance

The Fire-Boltt Legacy Smart Watch is IP68 certified, meaning it is resistant to dust, sweat, and splashes. It can withstand immersion in water up to 1.5 meters for 30 minutes. However, it is not recommended for hot water baths, saunas, or deep-sea diving.

IP68

WATER RESISTANT

The IP68 rating ensures your smartwatch is protected against dust and water splashes, making it suitable for daily wear and workouts.

5.2 Cleaning and Care

To maintain the longevity and appearance of your watch:

- Wipe the watch and strap regularly with a soft, dry cloth.
- Avoid using harsh chemicals or abrasive materials.
- Ensure the charging contacts are clean and dry before charging.

6. TROUBLESHOOTING

If you encounter any issues with your Fire-Boltt Legacy Smart Watch, please try the following steps:

- **Watch not turning on:** Ensure the watch is fully charged. Connect it to the charger for at least 30 minutes.
- **Cannot pair with smartphone:** Make sure Bluetooth is enabled on your phone and the watch is in pairing mode. Restart both devices and try again.
- **Inaccurate health data:** Ensure the watch is worn snugly on your wrist, not too tight or too loose. Clean

the sensor area regularly.

- **Short battery life:** Reduce screen brightness, disable unnecessary notifications, and limit continuous heart rate monitoring.
- **App issues:** Update the companion app to the latest version. Clear the app's cache or reinstall it if problems persist.

For further assistance, refer to the detailed FAQ section within the companion app or contact Fire-Boltt customer support.
