

**Aqua Touch 8oz (236ml)**

# **Paris Royale Aqua Touch Body Mist for Women User Manual**

**MODEL: AQUA TOUCH 8OZ (236ML)**

## **1. Introduction**

---

This manual provides essential information for the safe and effective use of your Paris Royale Aqua Touch Body Mist. Please read these instructions carefully before first use and retain them for future reference.

Image 1.1: Paris Royale Aqua Touch Body Mist bottle. This image displays the product packaging, a clear bottle containing blue liquid with a gold spray mechanism, and the product name clearly visible on the label.

## 2. Safety Information

---

To ensure safe use of the product, please observe the following precautions:

- **Avoid Contact with Eyes:** In case of contact, rinse immediately with plenty of water.
- For external use only. Do not ingest.
- Keep out of reach of children.
- Store in a cool, dry place away from direct sunlight and heat.
- Discontinue use if irritation or rash occurs.

## 3. Setup

---

The Paris Royale Aqua Touch Body Mist is ready for immediate use upon purchase. No assembly or special preparation is required.

1. **Unpackaging:** Carefully remove the body mist bottle from its packaging.
2. **Inspection:** Before first use, inspect the bottle and spray nozzle for any signs of damage. If damaged, do not use the product.
3. **First Spray:** For initial use, you may need to press the spray nozzle a few times to prime the pump

and release the mist.

## 4. Operating Instructions

Follow these steps for optimal application of the body mist:

- Shake Gently:** Lightly shake the bottle before each use to ensure the fragrance is well-mixed.
- Hold at Distance:** Hold the bottle approximately 6-8 inches (15-20 cm) away from your skin.
- Spray Application:** Press the nozzle firmly to release a fine mist onto your pulse points (wrists, neck, behind ears) or lightly over your body.
- Avoid Rubbing:** After spraying, allow the mist to air dry naturally on your skin. Do not rub the area, as this can alter the fragrance.
- Reapplication:** Reapply as desired throughout the day for a refreshing boost.

## 5. Maintenance

Proper care will help maintain the quality and longevity of your body mist:

- Storage:** Store the bottle upright in a cool, dry place, away from direct sunlight, extreme temperatures, and humidity.
- Cleaning:** If the nozzle becomes clogged, gently wipe it with a damp cloth. Do not attempt to disassemble the nozzle.
- Cap:** Always replace the cap securely after each use to prevent evaporation and maintain fragrance integrity.

## 6. Troubleshooting

If you encounter any issues with your body mist, consider the following:

- Mist not spraying:** Ensure the nozzle is not blocked. Try pressing the nozzle firmly and rapidly a few times. If the bottle is nearly empty, the pump may struggle to draw liquid.
- Weak scent:** Ensure proper application as described in Section 4. Fragrance perception can vary based on individual skin chemistry and environmental factors.
- Skin irritation:** Discontinue use immediately. Consult a healthcare professional if irritation persists.

## 7. Specifications

Feature	Detail
Brand	Generic
