Pemberly Row PR-4753-2108933

Pemberly Row PR-4753-2108933 3-Position Sit-to-Stand L-Shaped Desk User Manual

Model: PR-4753-2108933 | Brand: Pemberly Row

1. Introduction

Thank you for choosing the Pemberly Row 3-Position Sit-to-Stand L-Shaped Desk. This manual provides essential information for the safe assembly, operation, and maintenance of your new desk. Please read these instructions carefully before beginning assembly and retain them for future reference.

This L-shaped desk features a 42-inch wide sit-to-stand return that can be attached to either side of the 72-inch wide office desk. The Lift-n-Lock desktop offers three adjustable standing height positions, allowing for a versatile and ergonomic workspace.

2. Safety Information

To ensure safe use and prevent damage, please observe the following safety guidelines:

- **Read All Instructions:** Familiarize yourself with all assembly and operating instructions before use.
- **Adult Assembly Required:** Assembly should be performed by at least two adults.
- **Weight Capacity:** Do not exceed the maximum weight capacity of 200.5 lbs (90.7 kg) on the desk surface. Distribute weight evenly.
- **Stable Surface:** Place the desk on a level and stable surface to prevent tipping.
- **Pinch Points:** Keep hands and fingers clear of moving parts, especially during height adjustments of the sit-to-stand mechanism.
- **Cable Management:** Ensure all cables are properly managed to avoid entanglement or damage during desk adjustments.
- **Children and Pets:** Keep children and pets away from the desk during assembly and operation.
- **Proper Tools:** Use only the recommended tools for assembly.

3. Package Contents

Verify that all components are present before beginning assembly. If any parts are missing or damaged, contact customer support immediately.

- 72W Office Desk with Drawers
- 42W Sit-to-Stand Return
- Assembly Hardware Kit

The desk is designed to meet ANSI/SOHO standards for safety and performance.

4. Assembly Instructions

Assembly is required for this product. Please follow the detailed instructions provided in the separate assembly guide included with your purchase. The following images illustrate key features and dimensions that will be relevant during assembly and use.

Image 4.1: Overall dimensions of the L-shaped desk. The desk measures 71.75 inches deep, 71.02 inches wide, and 29.15 inches high in the seated position.

Image 4.2: Diagram highlighting key features including the box drawer for supplies, wire management grommet, scratch-resistant work surface, smooth ball-bearing drawer slides, and tapered leg accents.

Image 4.3: Illustration of the Lift-n-Lock sit-to-stand mechanism, showing the three adjustable locking positions at 35, 38, and 41 inches.

5. Operating Instructions

5.1. Adjusting the Sit-to-Stand Desktop

1. **Clear the Surface:** Remove any items from the sit-to-stand desktop that might interfere with the lifting mechanism or fall during adjustment.
2. **Engage Lift-n-Lock:** Locate the Lift-n-Lock mechanism handles, typically found on the underside or sides of the adjustable desktop.
3. **Lift to Desired Height:** Gently lift the desktop. The mechanism will click into one of the three preset standing height positions: 35 inches, 38 inches, or 41 inches. Ensure it locks securely into place.
4. **Return to Seated Position:** To lower the desktop, engage the Lift-n-Lock mechanism and gently guide the desktop down until it reaches the seated height. Ensure it is fully lowered and stable before resting weight on it.

The mechanical lift system has been rigorously tested for quality and durability.

5.2. Using the Drawers

The desk includes both a file drawer and a box drawer for storage.

- **File Drawer:** The bottom drawer is designed to accommodate legal and letter-size documents. It opens smoothly on full-extension ball-bearing slides for easy access.
- **Box Drawer:** The upper drawer provides convenient storage for office supplies and utensils.

Image 5.1: Close-up view of the file drawer, demonstrating its capacity for hanging files and smooth operation on full-extension ball-bearing slides.

5.3. Wire Management

The desktop includes a convenient wire management grommet to help keep cords and cables organized and out of the way, maintaining a tidy workspace.

6. Maintenance

Proper care will extend the life and appearance of your Pemberly Row desk.

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Spills:** Clean spills immediately to prevent staining or damage to the engineered wood surface.
- **Heat and Moisture:** Avoid placing hot items directly on the desk surface. Use coasters or protective pads. Protect

from excessive moisture.

- **Hardware:** Periodically check and tighten all assembly hardware to ensure stability.
- **Moving the Desk:** When moving the desk, always lift it rather than dragging it to prevent damage to the legs and frame.

7. Troubleshooting

If you encounter any issues with your desk, refer to the following common solutions:

- **Desk Wobbles:** Ensure all assembly bolts and screws are securely tightened. Verify the desk is on a level surface. Adjust leg levelers if present.
- **Sit-to-Stand Mechanism Sticks:** Check for any obstructions around the lifting mechanism. Ensure the desktop is not overloaded. Apply a silicone-based lubricant to moving parts if necessary (avoid oil-based lubricants).
- **Drawers Do Not Slide Smoothly:** Check if the drawer slides are clean and free of debris. Ensure the drawer is properly aligned on its tracks. Verify that the drawer contents are not obstructing movement.
- **Missing Parts:** If parts were missing during initial assembly, contact Pemberly Row customer support with your model number and a description of the missing parts.

8. Specifications

Feature	Detail
Brand	Pemberly Row
Model Number	PR-4753-2108933
