3. SETUP AND INSTALLATION

Follow these steps to properly install your Headwolf fPad7 Pro tablet into the BOVUGAC protective case:

1. **Prepare Your Tablet:** Ensure your Headwolf fPad7 Pro tablet is clean and free of dust or debris.
2. **Align the Tablet:** Gently slide your tablet into the case, starting with one side. Ensure that the tablet aligns

with the case's edges and corners.

3. **Secure the Tablet:** Press the tablet firmly into the case, making sure all corners are securely seated. Verify that the case's precise cutouts align perfectly with your tablet's buttons, ports, and camera.

4. OPERATING INSTRUCTIONS

4.1 Using the Folding Stand

The case features a built-in folding stand that allows for versatile viewing and typing positions:

- **Viewing Angle:** Fold the back cover to create a stable triangular stand. This angle is ideal for watching videos, browsing, or video calls.
- **Typing Angle:** Adjust the stand to a lower, more reclined position for comfortable typing or drawing.

4.2 Using the Wrist Strap

For enhanced security and comfort during one-handed use, utilize the integrated wrist strap:

- Locate the elastic wrist strap on the inside of the front cover.
- Slide your hand through the strap to securely hold the tablet, reducing the risk of accidental drops.

4.3 Using the Pencil Holder

The case includes a dedicated holder for your stylus or digital pen:

- Locate the pencil holder slot, typically along the edge of the case.
- Insert your stylus into the holder for convenient storage and easy access.

5. MAINTENANCE

To keep your BOVUGAC tablet case in optimal condition and prolong its lifespan, follow these maintenance guidelines:

- **Cleaning:** Wipe the exterior of the case with a soft, slightly damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the material.
- **Protection:** While the case offers scratch resistance and drop protection, avoid exposing it to extreme temperatures, direct sunlight for prolonged periods, or sharp objects that could cause damage.
- **Inspection:** Periodically check the case for any signs of wear or damage, especially around the corners and edges, to ensure continued protection for your tablet.

Folding Built-in Kickstand

With two angles, you can enjoy a great viewing angle and a decent typing angle when working. And it doesn't take up space.

6. TROUBLESHOOTING

If you encounter any issues with your BOVUGAC tablet case, please refer to the following common solutions:

- **Case Not Fitting:** Ensure your tablet is indeed the Headwolf iPad7 Pro model. This case is designed

exclusively for this model. Re-attempt installation, ensuring proper alignment.

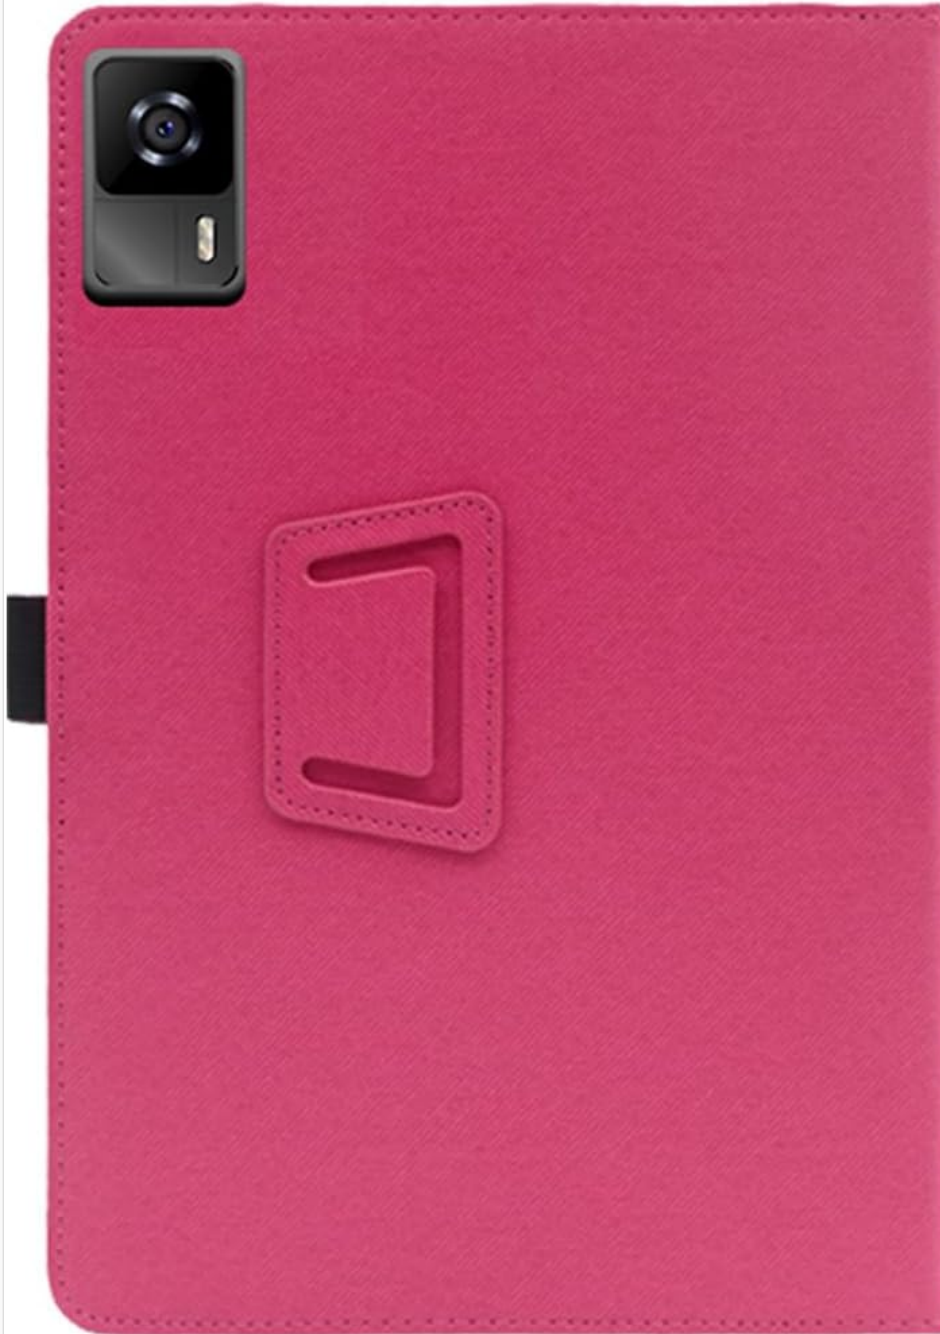

- **Difficulty Accessing Ports/Buttons:** Verify that the tablet is correctly seated within the case and that all cutouts align precisely with the tablet's features. Adjust the tablet's position if necessary.
- **Stand Instability:** Ensure the folding stand is fully extended and locked into its designated position for maximum stability.

If the problem persists, please contact customer support for further assistance.
