IMPORTANT SAFETY INFORMATION

Please read all instructions carefully before assembly and use. Keep this manual for future reference.

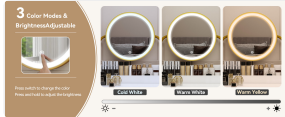

- Assembly may require safety precautions. Always use appropriate tools and follow steps precisely.
- Exercise caution with electrical components, especially the LED mirror. Ensure proper connection to a power source.
- Do not overload drawers or shelves. Distribute weight evenly to maintain stability.
- Keep small parts and packaging materials away from children to prevent choking hazards.
- Avoid placing hot items directly on the vanity surface.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed below are present and undamaged. Refer to the included parts list in your package for specific numbering.

ASSEMBLY INSTRUCTIONS

Follow these step-by-step instructions for proper assembly. All pieces are indicated by numbers in the included manual for easy identification. An electric drill and screwdriver are recommended for faster assembly.

Step 1: Assemble the Desk Frame

Begin by assembling the main metal frame of the desk. Ensure all connections are secure before proceeding.

Step 2: Install Drawer Slides and Base

Attach the drawer slides to the side panels of the desk. Then, assemble the base of the drawer unit that will hold the drawers.

Step 3: Attach Tabletop Organizers and Mirror

Secure the tabletop organizers to the main desk surface. Carefully attach the LED mirror to its designated frame. Handle the mirror with care to prevent damage.

The tabletop organizers provide convenient storage for small items.

The LED mirror is integrated into the vanity design.

Step 4: Assemble the Stool

Assemble the stool frame and attach the padded seat. The stool is designed to fit neatly under the vanity when not in use.

The included stool provides comfortable seating for use with the vanity.

Step 5: Attach Hair Dryer Bracket

Install the hair dryer bracket on the side of the desk as shown in the manual.

The convenient hair dryer bracket keeps your styling tools organized.

MAINTENANCE

To ensure the longevity and appearance of your vanity desk, follow these maintenance guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that may damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror to avoid liquid seeping into electrical components.
- **Electrical Components:** Ensure the power adapter and cables are not pinched or damaged. Unplug the mirror when not in use for extended periods.
- **Stability:** Periodically check all screws and connections to ensure they remain tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your vanity desk, refer to the following common solutions:

- **LED Mirror Not Lighting Up:**
 - Check if the power adapter is securely plugged into both the mirror and the wall outlet.
 - Ensure the wall outlet is functional by testing it with another device.
 - Gently press the touch button on the mirror to activate it.
- **Vanity Feels Unstable:**
 - Verify that all assembly screws and bolts are tightened securely.
 - Ensure the vanity is placed on a flat, even surface.
- **Drawers Not Sliding Smoothly:**
 - Check that the drawer slides are correctly installed and aligned.
 - Ensure no objects are obstructing the drawer's movement within the slides.
