Edifier X1 Lite

Edifier X1 Lite True Wireless Earbuds User Manual

Model: X1 Lite

1. INTRODUCTION

Thank you for choosing the Edifier X1 Lite True Wireless Earbuds. These earbuds are designed to provide a high-quality audio experience with features like Bluetooth 5.4 connectivity, clear call technology, and a comfortable, lightweight design. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

2. PACKAGE CONTENTS

- Edifier X1 Lite True Wireless Earbuds (Left and Right)
- Charging Case
- USB Charging Cable
- User Manual

3. PRODUCT OVERVIEW

The Edifier X1 Lite earbuds feature a compact design for comfortable wear and a charging case for extended battery life. Each earbud is equipped with touch controls for easy management of audio playback and calls.

Image: Edifier X1 Lite True Wireless Earbuds and their charging case. The earbuds are shown in their compact, in-ear form factor.

Earbud Components:

- **Touch Control Area:** For playback, call management, and voice assistant activation.
- **Microphone:** For calls and voice commands.
- **Charging Contacts:** For charging inside the case.

Charging Case Components:

- **Earbud Charging Slots:** To hold and charge the earbuds.
- **USB-C Charging Port:** For charging the case.
- **Indicator Light:** Shows charging status and battery level.

4. SETUP

4.1 Charging the Earbuds and Case

Before first use, fully charge the earbuds and the charging case.

1. Place the earbuds into the charging case. Ensure they are correctly seated.
2. Connect the charging case to a power source using the provided USB charging cable.
3. The indicator light on the charging case will show the charging status. Once fully charged, the light will indicate completion (refer to specific light patterns in the full manual if available).

A 15-minute fast charge provides approximately 1.5 hours of playback time. A full charge offers up to 7 hours of playtime for the earbuds, with an additional 19 hours from the charging case, totaling 26 hours.

Enjoy Clear Calls

AI algorithm captures voice and reduces background noise for clear calls.

Image: Diagram illustrating the Edifier X1 Lite earbuds' battery life: 7 hours on a single charge, 19 hours with the charging case, and 1.5 hours of playback from a 15-minute fast charge.

4.2 Bluetooth Pairing

To connect your Edifier X1 Lite earbuds to a device:

1. Open the charging case. The earbuds will automatically enter pairing mode, indicated by a flashing light (refer to specific light patterns in the full manual if available).
2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for available devices.
3. Select "EDIFIER X1 Lite" from the list of found devices.
4. Once connected, the earbuds will indicate successful pairing (e.g., a steady light or audio prompt).

The earbuds utilize Bluetooth 5.4 for faster speeds, lower power consumption, and a stable connection.

26 Hours Playtime

5. OPERATING INSTRUCTIONS

5.1 Touch Controls

The Edifier X1 Lite earbuds feature intuitive touch controls. The specific functions may be customized via the EDIFIER ConneX app.

Default Touch Control Functions

Action	Function
Single Tap (Left/Right Earbud)	Play/Pause Music, Answer/End Call
Double Tap (Left Earbud)	Previous Track
Double Tap (Right Earbud)	Next Track
Triple Tap (Left/Right Earbud)	Activate Voice Assistant
Long Press (Left/Right Earbud)	Reject Call

5.2 Clear Calls

The earbuds feature AI algorithm voice pick-up technology to ensure clear communication by reducing background noise, even in noisy environments.

Bluetooth 5.4
Bluetooth 5.4 technology offers faster speeds, low power consumption, and a stable connection.

Bluetooth®

The graphic features a white smartphone in the foreground displaying a music player interface with a blue waveform and playback controls. Behind it is a silver laptop with a screen showing a city street scene at night. Two white earbuds are positioned above the laptop screen, one appearing to be connected to the device. The background is a solid blue color with a subtle wave pattern at the bottom.

5.3 Audio Experience

Experience powerful sound quality with Φ 13mm dynamic drivers, delivering good bass performance and crisp audio. The EDIFIER ConneX app allows for personalization of your listening experience.

Image: An exploded view of an Edifier X1 Lite earbud, highlighting the 13mm dynamic driver responsible for sound quality, including wide soundstage, excellent bass, and detailed highs and mids.

5.4 Low Latency Mode

For gaming and streaming, the earbuds offer a 60ms low-latency design, ensuring smooth and uninterrupted audio-visual synchronization.

0.06s Ultra-Low Latency

0.06s low latency ensures smooth, uninterrupted gaming and video playback.

0.06s

6. MAINTENANCE

6.1 Cleaning

- Regularly clean the earbuds and charging case with a soft, dry, lint-free cloth.
- Do not use abrasive cleaners, alcohol, or chemical solvents.
- Ensure charging contacts are free from dust and debris.

6.2 Water and Sweat Resistance

The Edifier X1 Lite earbuds are IP54 certified, making them sweat-resistant and suitable for active use. This means they are protected against dust ingress and splashing water from any direction. However, they are not waterproof and should not be submerged in water.

IP54 Certified for Active Daily Use

Image: A person wearing an Edifier X1 Lite earbud during physical activity, with an icon indicating IP54 certification for sweat and splash resistance.

6.3 Storage

When not in use, store the earbuds in their charging case to protect them and ensure they remain charged.

7. TROUBLESHOOTING

If you encounter issues with your Edifier X1 Lite earbuds, try the following steps:

- **No Sound:** Ensure earbuds are charged, connected to your device, and volume is up.
- **Cannot Pair:** Make sure Bluetooth is enabled on your device and the earbuds are in pairing mode. Try forgetting the device on your phone and re-pairing.
- **Intermittent Connection:** Ensure there are no obstructions between the earbuds and your device. Move closer to your device.
- **One Earbud Not Working:** Place both earbuds back in the case, close it, then open it again. Check battery levels.
- **Charging Issues:** Ensure the charging cable is securely connected and the charging contacts on the earbuds and

case are clean.

For further assistance, refer to the official Edifier support website or contact customer service.

8. SPECIFICATIONS
