## T4TREAM RPC70FP42A-ABW-7

# T4TREAM Farmhouse Fireplace TV Stand User Manual

Model: RPC70FP42A-ABW-7

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your T4TREAM Farmhouse Fireplace TV Stand. Please read all instructions carefully before assembly and use to ensure safe and proper operation.

This product is designed to accommodate TVs up to 80 inches and features a 42-inch electric fireplace with LED lighting and adjustable storage.

## IMPORTANT SAFETY INFORMATION

- Always follow local electrical codes and safety regulations.
- Do not overload electrical outlets.
- Keep flammable materials at least 3 feet (0.9 meters) away from the fireplace heater.
- Ensure the TV stand is placed on a level, stable surface.
- Do not block the air vents of the electric fireplace.
- Unplug the fireplace before cleaning or maintenance.
- This product is for indoor use only.

## PACKAGE CONTENTS

Verify all components are present before beginning assembly. The item is shipped in two packages.

# Product Dimensions

Image: Product dimensions and packaging details. The TV stand measures 70"W x 32"H x 15.6"D. It is delivered in two separate packages, Box A and Box B, which may not arrive on the same day. A diagram of a drawer with dimensions 8.85"W x 6.41"H x 11.81"D is also shown.

Refer to the included hardware list for specific part identification.

## SETUP AND ASSEMBLY

Assembly requires two adults. Ensure you have adequate space and the necessary tools (e.g., screwdriver, hammer) before starting. Follow the step-by-step instructions provided in the separate assembly guide included with your product. Do not overtighten screws.

### Key Assembly Features:

- **Smooth Sliding Drawers:** The TV stand includes two drawers designed for smooth operation.
- **Adjustable Shelves:** Side cabinets feature adjustable shelves for flexible storage configurations.
- **Cable Management:** Built-in holes are provided for organizing electronic cables.

Image: Overhead view of the TV stand highlighting its 70" width and 15.6" depth. The image also points out the "Weathered Texture Finish" and "Smooth Sliding Drawers" with an arrow indicating their function.

## OPERATING INSTRUCTIONS

### Electric Fireplace Operation:

The 42-inch electric fireplace features 3D log embers and offers both flame effects and heating functions, which can be controlled independently. It can be operated via the control panel on the unit or the included remote control.

## 42" Electric Fireplace with 7 Flame Colors

-  3D Log Embers
-  Separate Flame & Heating
-  2 Control Methods
-  Fireplace without noise

Image: Close-up of the 42-inch electric fireplace, showing the control panel with buttons for power, heat settings, and flame effects. A remote control is also visible, indicating two methods of control. The image highlights 3D log embers, separate flame and heating functions, and silent operation.

### Flame Effects:

- The fireplace offers 7 distinct flame colors to customize your ambiance.
- Adjust flame brightness or cycle through colors using the control panel or remote.

### Heating Function:

- The 5200 BTU heater can warm areas up to 400 sq. ft.
- Infrared quartz heating helps maintain comfortable air humidity.
- Set a timer for 1-8 hours for automatic shut-off.
- The unit includes overheating protection for safety.

## 5200 BTU Electric Fireplace

5200 BTU can provide auxiliary heating for a 400 sq. ft. space

Timer  
1-8H

Without Noise  
(40dB)

Heat up  
400 sq. ft.

Super Infra  
Remote Control

Overheat  
Protection

CSA/UL  
Listed

Image: The electric fireplace displaying a temperature range from 64°F to 82°F. Icons illustrate key features: a 1-8 hour timer, quiet operation (40dB), heating capacity for 400 sq. ft., super infrared remote control, overheat protection, and CSA/UL listing for safety.

## LED Lighting Options:

The TV stand features 7 LED lighting options to enhance the ambiance of your living space. These lights can be controlled independently from the fireplace unit.

*Note: Some models may require manual unplugging of the LED lights if a separate switch is not present for independent control from the fireplace.*

## MAINTENANCE

- **Cleaning:** Dust the TV stand regularly with a soft, dry cloth. For the fireplace glass, use a damp cloth and mild cleaner, then dry thoroughly. Do not use abrasive cleaners.
- **Electrical Components:** Periodically check the power cord for damage. Ensure all connections are secure.
- **Wood Care:** Avoid placing hot items directly on the wood surface. Wipe spills immediately.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Fireplace does not turn on.	No power, power switch off, or overheating protection activated.	Check power outlet and cord. Ensure the main power switch is on. Allow the unit to cool down if overheating protection was triggered.
No heat, but flames are visible.	Heater function is off.	Activate the heater function using the control panel or remote control.
Remote control not working.	Dead batteries or obstruction.	Replace batteries. Ensure no objects are blocking the signal path to the fireplace receiver.
LED lights not working.	Loose connection or power issue.	Check the power connection for the LED lights. Ensure they are properly plugged in.
