BORNOON 70-inch Barn Door Pantry Cabinet Single Drawer

BORNOON 70-inch Barn Door Pantry Cabinet with Single Drawer (Brown)

Instruction Manual

1. INTRODUCTION

Thank you for choosing the BORNOON 70-inch Barn Door Pantry Cabinet. This manual provides essential information for the safe assembly, operation, and maintenance of your new storage cabinet. Please read these instructions carefully before beginning assembly and retain them for future reference.

2. SAFETY INFORMATION

To ensure safe use of this product, please observe the following guidelines:

- **Anti-Tipping Device:** Always install the included anti-tip kit to secure the cabinet to a wall. This prevents accidental tipping, which can cause serious injury.
- **Weight Limits:** Do not exceed the maximum weight capacity for shelves and drawers. Overloading can compromise stability and cause damage. The total weight capacity is up to 300 lbs.
- **Assembly:** Assembly should be performed by at least two adults. Follow all steps in the instruction manual precisely.
- **Placement:** Place the cabinet on a flat, level surface. Uneven surfaces can lead to instability.
- **Children:** Keep children away from the assembly area. Do not allow children to climb on or play with the cabinet.

Magnetic Door Catch

Adjustable Shelves

Anti-Tipping Design

3. PACKAGE CONTENTS

Before assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support for free replacements.

3.1. Hardware

- Screws, bolts, and cam locks (various sizes)
- Wooden dowels
- Hinges and magnetic door catches
- Drawer slides
- Door and drawer handles
- Adjustable shelf pegs
- Anti-tip kit (bracket, screws, wall anchors)
- Allen wrench (if required)

3.2. Panels and Components

- Top and bottom panels
- Side panels
- Back panel(s)
- Fixed and adjustable shelves
- Barn doors (upper and lower)
- Drawer front, sides, and bottom

4. SETUP AND ASSEMBLY INSTRUCTIONS

Assembly is required for this product. Please follow the detailed, numbered instructions provided in the separate assembly guide included in your package. Ensure you have adequate space and the necessary tools (e.g., screwdriver, hammer) before starting.

1. **Unpack and Identify:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches. Identify each part using the provided labels and the parts list.
2. **Assemble Frame:** Begin by connecting the side panels to the top and bottom panels using the designated hardware (e.g., cam locks, dowels).
3. **Install Back Panel:** Secure the back panel(s) to the assembled frame.
4. **Insert Fixed Shelves:** Install any fixed shelves as indicated in the assembly guide.
5. **Assemble Drawer:** Follow the specific instructions for assembling the single drawer, including attaching the drawer slides.
6. **Install Drawer:** Insert the assembled drawer into its designated slot in the cabinet frame.
7. **Attach Doors:** Mount the barn doors using the provided hinges. Ensure they open and close smoothly.
8. **Install Handles:** Attach the door and drawer handles.
9. **Install Adjustable Shelves:** Place the adjustable shelf pegs at your desired height and insert the adjustable shelves.
10. **Secure Anti-Tip Kit:** Crucially, attach the anti-tip kit to the top rear of the cabinet and secure it to a wall stud using appropriate wall anchors.

5. OPERATING INSTRUCTIONS

Your BORNOON pantry cabinet is designed for versatile storage. Here's how to utilize its features:

- **Barn Doors:** The upper and lower barn doors provide access to the main storage compartments. They are designed to remain fixed for secure storage.
- **Magnetic Door Catches:** The integrated magnetic catches ensure the doors remain securely closed when not in use.
- **Adjustable Shelves:** The cabinet features adjustable shelves. To change a shelf's height, remove all items from the shelf, lift the shelf, reposition the shelf pegs to the desired holes, and then place the shelf back onto the pegs.
- **Single Drawer:** The smooth-gliding drawer is ideal for smaller items, utensils, or pantry staples. Pull the handle to open and push to close.

6. MAINTENANCE

To keep your cabinet in optimal condition, follow these maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Clean up spills immediately to prevent staining or moisture damage to the engineered wood.
- **Hardware:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or discoloration.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.

7. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **Wobbly Cabinet:** Ensure the cabinet is on a level surface. Check that all assembly hardware is securely tightened. Verify the anti-tip kit is properly installed.
- **Doors Not Closing Properly:** Check hinges for proper alignment and tightness. Ensure magnetic catches are correctly installed and aligned.
- **Drawer Sticks or Doesn't Glide Smoothly:** Verify that the drawer slides are installed correctly and are free of obstructions. Ensure the drawer is not overloaded.
- **Missing or Damaged Parts:** Refer to the 'Package Contents' section. Contact customer support for free replacement parts.
