2. Package Contents

Before starting assembly, verify that all parts and hardware are present. Refer to the detailed parts list provided in the physical instruction manual included with your product. If any components are missing or damaged, please contact YANSNWO customer support.

Typical Components Include:

- Dresser panels (top, bottom, sides, back, drawer fronts)
- Drawer slides and runners
- Brushed metal handles
- Various screws, dowels, and cam locks
- Anti-tip safety kit
- Assembly tools (e.g., Allen wrench, screwdriver)

3. Setup and Assembly

Assembly of the YANSNWO dresser requires careful attention to detail. It is highly recommended that two adults perform the assembly to ensure safety and proper construction.

Assembly Steps:

1. **Prepare the Area:** Clear a spacious, well-lit area. Lay down a blanket or cardboard to protect the furniture pieces and your floor.
2. **Identify Parts:** Unpack all components and organize them according to the numbered labels in your physical instruction manual.
3. **Follow Instructions:** Refer to the step-by-step diagrams and instructions provided in the manual included in your package. Each step is crucial for structural integrity.
4. **Secure Drawers:** Ensure all drawer slides are correctly installed and drawers operate smoothly.
5. **Install Anti-Tip Kit:** This is a critical safety step. Securely attach the anti-tip device to the back of the dresser and to a wall stud using the provided hardware.

Note: The physical instruction manual included with your product contains detailed, visual step-by-step assembly guides. Please consult it for precise instructions.

4. Operating Instructions

The YANSNWO dresser is designed for convenient storage in various rooms. It features 10 drawers, including 6 wide drawers and 4 smaller drawers, providing ample space for your belongings.

Drawer Usage:

- Gently pull and push the drawers using the metal handles. Avoid forcing drawers open or closed.
- Distribute weight evenly within the drawers. Overloading drawers can affect their smooth operation and the dresser's stability.
- Close all drawers completely when not in use to maintain balance and prevent accidental tipping.

Each Large Drawer Can Hold

50 Socks

30 Underwares

15 T-Shirt

5. Maintenance

Proper care will help maintain the appearance and longevity of your YANSNWO dresser.

Cleaning and Care:

- **Cleaning:** Wipe the surface with a damp cloth. Avoid harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Sunlight:** Avoid prolonged exposure to direct sunlight, which can cause fading or discoloration.
- **Heat:** Do not place hot items directly on the dresser surface. Use coasters or protective pads.
- **Hardware:** Periodically check and tighten all screws and fasteners to ensure stability.

6. Troubleshooting

If you encounter any issues with your dresser, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Drawers do not align or close smoothly.	Incorrect installation of drawer slides or uneven assembly.	Review the assembly instructions for drawer slide installation. Ensure all screws are tightened and the dresser frame is level. Adjust drawer slides if necessary.
Dresser feels wobbly or unstable.	Loose hardware or uneven floor surface.	Check and re-tighten all assembly hardware. Ensure the dresser is placed on a level surface. Use shims if needed. Verify the anti-tip kit is securely installed.
Damage during shipping.	External impact during transit.	Contact YANSNWO customer support immediately with photos of the damage.
