## DERCASS GX000328A

# DERCASS Twin Loft Bed with L-Shaped Desk and Storage Staircase Instruction Manual

Model: GX000328A

## INTRODUCTION

This manual provides detailed instructions for the assembly, operation, and maintenance of your DERCASS Twin Loft Bed with L-Shaped Desk, Drawers, Cabinet, and Storage Staircase. Please read all instructions carefully before beginning assembly and retain this manual for future reference. Proper assembly and care will ensure the longevity and safety of your product.

## SAFETY INFORMATION

- Always assemble the bed on a soft, clean surface to prevent damage to the product or your floor.
- Ensure all parts are present and undamaged before assembly. Do not use damaged parts.
- Assembly should be performed by at least two adults.
- Tighten all fasteners securely, but do not overtighten. Periodically check and retighten fasteners.
- Do not allow children to play on or around the bed during assembly.
- Ensure the bed is placed on a level surface.
- Only use mattresses that comply with the recommended thickness and dimensions for a twin loft bed.
- Do not hang items from the bed frame or guardrails.
- The maximum weight capacity for the bed is 400 lbs.

## PARTS LIST

Before starting assembly, verify that all components listed below are present. Refer to the included hardware pack for specific fasteners.

- Loft Bed Frame components (headboard, footboard, side rails, bed slats)
- L-Shaped Desk components (desk surface, legs, support beams)
- Drawer units (drawers, slides, knobs)

- Storage Cabinet components (shelves, panels)
- Storage Staircase components (steps, side panels, storage compartments)
- Hardware pack (screws, bolts, nuts, dowels, Allen wrench)

*Note: Some parts may be pre-assembled.*

## SETUP AND ASSEMBLY INSTRUCTIONS

---

Follow these steps carefully for proper assembly. It is recommended to have at least two people for assembly. Tools required: Phillips head screwdriver (not included), Allen wrench (included).

### Step 1: Assemble the Loft Bed Frame

Begin by connecting the headboard and footboard to the side rails using the provided bolts and nuts. Ensure all connections are secure. Install the bed slats evenly across the frame, securing them with screws.

### Step 2: Construct the L-Shaped Desk

Assemble the desk surface with its supporting legs and beams. Attach the three-drawer unit to one side of the desk and the open storage cabinet to the other side, forming the L-shape. Ensure drawers slide smoothly and the cabinet shelves are securely in place.

### Step 3: Assemble the Storage Staircase

Assemble the staircase steps and side panels. Each step contains a storage compartment. Secure these compartments as you build the staircase. The staircase can be attached to either the left or right side of the bed frame, depending on your room layout.

#### **Step 4: Integrate Desk and Staircase with Bed Frame**

Carefully position the assembled L-shaped desk unit and the storage staircase under and adjacent to the loft bed frame. Securely attach these components to the main bed frame using the designated hardware. Ensure all connections are tight and stable.

## OPERATING INSTRUCTIONS

---

- **Using the Loft Bed:** Access the bed via the storage staircase. Ensure the mattress is properly seated on the slats.
- **Using the L-Shaped Desk:** The desk provides a spacious work or study area. The three drawers offer enclosed storage for office supplies or personal items.
- **Using the Storage Cabinet:** The open storage cabinet beneath the desk is ideal for books, decorative items, or larger supplies.
- **Using the Storage Staircase:** Each step of the staircase features a pull-out or lift-up compartment for additional storage.

## MAINTENANCE

---

- **Cleaning:** Wipe surfaces with a dry cloth. For stubborn marks, use a slightly damp cloth with mild soap, then dry immediately. Avoid harsh chemicals or abrasive cleaners.
- **Fastener Checks:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain structural integrity.

- **Wood Care:** Protect the wood from direct sunlight and extreme temperature changes to prevent warping or fading.
- **Drawer Slides:** If drawers become stiff, apply a small amount of silicone lubricant to the slides.

## TROUBLESHOOTING

---

- **Wobbly Bed/Desk:**

*Solution:* Check all fasteners. Ensure they are fully tightened. Verify the bed is on a level surface. If necessary, disassemble and reassemble sections, ensuring proper alignment.

- **Drawers Sticking:**

*Solution:* Ensure drawers are correctly aligned on their slides. Check for any obstructions. Apply silicone lubricant to the drawer slides if needed.

- **Missing Parts:**

*Solution:* Review the parts list and packaging carefully. If parts are genuinely missing, contact customer support with your model number and a description of the missing components.

## SPECIFICATIONS

---

<b>Brand</b>	DERCASS
<b>Model Number</b>	GX000328A
<b>Size</b>	Twin
<b>Color</b>	White
