

ketive Cat Catio-PET08NEW

ketive Cat Catio Window Enclosure Instruction Manual

Model: Cat Catio-PET08NEW

INTRODUCTION

This manual provides detailed instructions for the assembly, operation, maintenance, and troubleshooting of your ketive Cat Catio Window Enclosure. Please read all instructions carefully before assembly and use to ensure safe and proper installation and enjoyment for your feline companions.

IMPORTANT SAFETY INFORMATION

- Ensure all components are securely fastened during assembly. Loose parts can lead to instability.
- The catio is designed to support up to 88 pounds. Do not exceed this weight limit.
- Install the catio on a sturdy wall surface capable of supporting its weight and the weight of multiple cats.
- Regularly inspect the catio for any signs of wear, damage, or loose connections. Address any issues promptly.
- Keep small children away from the assembly area and ensure they do not climb on or play inside the catio without supervision.

PACKAGE CONTENTS

Before beginning assembly, verify that all parts are present and undamaged. Refer to the included parts list in your packaging for a complete inventory. All parts are drilled and labeled for easy identification.

ASSEMBLY INSTRUCTIONS

Assembly of the ketive Cat Catio is designed to be straightforward. Follow the steps below and refer to the provided diagrams and videos for visual guidance. A Phillips screwdriver and possibly a wrench for bolt nuts are recommended tools.

Step 1: Review Components and Dimensions

Familiarize yourself with the various parts and the overall dimensions of the catio to plan your installation location. The catio measures 68"L x 21.2"W x 55.5"H and is designed to fit windows up to 58" wide.

PRODUCT SIZE

The large cat carrier can support cats of all weights Bis cat

OPERATION

The ketive Cat Catio provides a safe and stimulating outdoor experience for your indoor cats. Its design allows for fresh air circulation while keeping insects out.

Providing Outdoor Access

Open your window to allow your cats access to the catio. The fine mesh screen ensures that your cats can enjoy the outdoors safely without exposure to bugs or other pests.

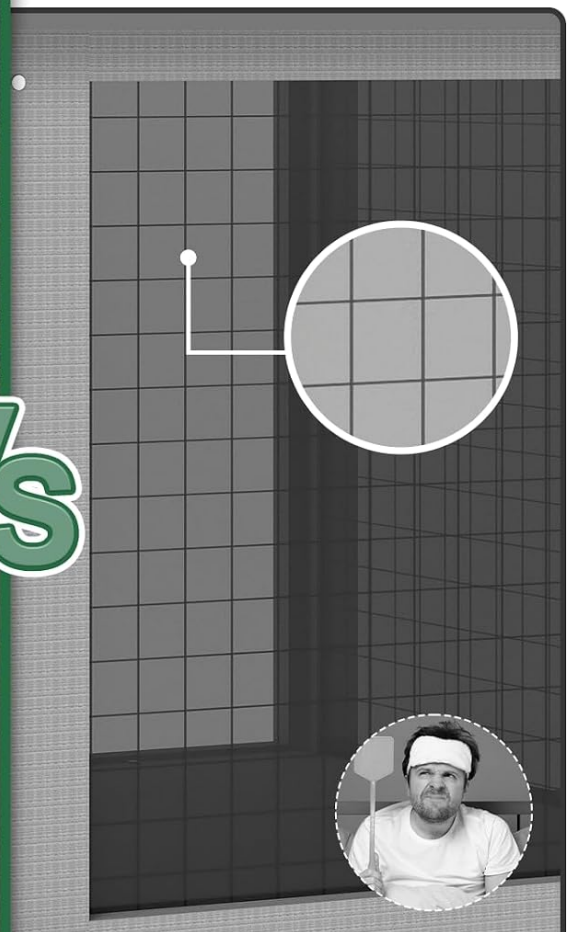

HIGH-QUALITY MOSQUITO-PROOF MESH

MAINTENANCE AND CARE

Proper maintenance will extend the life of your ketive Cat Catio and ensure a healthy environment for your pets.

Cleaning

The catio is designed for easy cleaning. Simply open the window and wipe down surfaces. For deeper cleaning, mild soap and water can be used. Ensure the catio is dry before allowing cats back inside.

Weather Resistance

The catio features a waterproof and UV-resistant design, making it suitable for all-weather use. The wave tile roof prevents water from pooling, protecting your pets from rain and sun.

TROUBLESHOOTING

If you encounter any issues with your ketive Cat Catio, please refer to the following common solutions:

- **Instability:** Ensure all screws and bolts are fully tightened. Verify that the catio is mounted on a flat, sturdy wall surface.
- **Insect Entry:** Check the mesh for any tears or gaps. Ensure the window is fully closed against the catio opening when in use.
- **Difficulty Assembling:** Re-check the labeled parts against the instructions. Refer to the assembly videos for visual assistance.

For persistent issues, please contact customer support.
