SETUP AND ASSEMBLY

Before beginning assembly, carefully unpack all components and verify them against the parts list provided in your detailed assembly instructions. Ensure you have all necessary tools, although many parts of this dressing table feature a tool-free installation design for convenience.

Tool-Free Drawer Rail Installation

The Kailyn dressing table features an innovative tool-free system for installing drawer rails. Simply align the rails and press gently until you hear a 'click' to secure them in place. This design significantly reduces assembly time and the number of screws required.

OPERATING INSTRUCTIONS

LED Mirror Operation

The integrated LED mirror offers customizable lighting to suit your needs. Use the touch sensor on the mirror to control its functions:

- **Change Color Temperature:** Tap the touch sensor to cycle through three light temperatures: 3000K (warm light), 4000K (natural light), and 6000K (cold light).
- **Adjust Brightness:** Press and hold the touch sensor to smoothly adjust the brightness level of the LED lights. Release when the desired brightness is achieved.
- **Sliding Mirror:** The mirror can slide horizontally to reveal additional storage compartments behind it.

10x Magnifying Mirror

For detailed tasks such as applying eyeliner or mascara, use the removable 10x magnifying mirror. Attach it to the main mirror as needed. For optimal reflection, keep the magnifying mirror within 10 cm (approximately 4 inches) of your face.

Integrated Power Strip

The dressing table includes a built-in power strip for convenient access to electricity. It features:

- 2 AC outlets
- 1 USB-A port
- 1 USB-C port

The power strip is connected via a 1.5-meter cable. Ensure the adapter for the mirror light is neatly tucked into the cable pass-through opening for a tidy setup.

CARE AND MAINTENANCE

To keep your VASAGLE Kailyn Dressing Table in excellent condition, follow these simple care guidelines:

- **Cleaning:** Wipe surfaces with a soft, slightly damp cloth. Avoid using abrasive cleaners, harsh chemicals, or rough sponges, as these can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the material.
- **Environment:** Keep the dressing table in a dry environment and avoid direct sunlight or extreme temperature changes, which can affect the wood material.
- **Mirror Care:** Clean the mirror with a glass cleaner and a soft, lint-free cloth. Do not spray cleaner directly onto the mirror; apply it to the cloth first.

TROUBLESHOOTING

If you encounter any issues with your dressing table, refer to the following common troubleshooting tips:

- **LED Mirror Not Lighting Up:**
 - Ensure the power cable is securely plugged into a working electrical outlet.
 - Check that the adapter for the mirror light is properly connected and seated.
 - Verify that the touch sensor is clean and unobstructed.
- **Drawers Not Sliding Smoothly:**
 - Check for any obstructions within the drawer rails.
 - Ensure the drawer rails were installed correctly and are fully clicked into place.
 - Confirm that the drawers are not overloaded.
- **Dressing Table Wobbles:**
 - Ensure all assembly screws are tightened securely.
 - Verify that the anti-tip kit is correctly installed and anchored to the wall.
 - Place the table on a flat, even surface.
