## SETUP

### 1. Charging the Device

Before first use, fully charge the MP3 player. Connect the provided USB cable to the player's charging port and to a USB power adapter (not included) or a computer's USB port. The battery indicator on the screen will show charging status.

## 3. Inserting a Micro SD Card

Locate the Micro SD card slot on the side of the player. Gently insert a Micro SD card (up to 128GB) into

the slot until it clicks into place. To remove, push the card in slightly until it springs out.

## OPERATING INSTRUCTIONS

---

### 1. Power On/Off

- **Power On:** Press and hold the power button until the screen illuminates.
- **Power Off:** Press and hold the power button until the power-off option appears on the screen, then confirm.

### 2. Touch Screen Navigation

The ZAQE M4 features a 2.4-inch full touch screen for intuitive navigation. Swipe left/right to browse menus, tap icons to select applications, and swipe down from the top for quick settings.

### 3. Music Playback

Tap the 'Music' icon on the home screen to access your music library. The player supports MP3, WAV, WMA, AAC, FLAC, APE, and APE-LC formats, offering HiFi lossless sound quality.

#### 4. Bluetooth Pairing

The device features Bluetooth 5.3 for wireless audio. To pair with Bluetooth headphones or speakers:

1. Go to 'Settings' and select 'Bluetooth'.
2. Turn Bluetooth 'On'.
3. The player will scan for available devices. Select your device from the list to pair.

# Upgraded Version of Bluetooth 5.3

Stronger anti-interference ability, more stable transmission

## 9. Settings

Access the 'Settings' menu to customize various device parameters, including display brightness, language, date and time, and system information.

## MAINTENANCE

---

### 1. Cleaning

Use a soft, dry cloth to clean the device. Avoid using liquid cleaners or abrasive materials, which can damage the screen or casing.

### 2. Battery Care

To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods. Store the device in a cool, dry place.

### 3. Storage

When not in use, store the MP3 player in a protective case to prevent scratches and damage. Avoid exposing the device to extreme temperatures or direct sunlight.

## TROUBLESHOOTING

---

Problem	Possible Solution
Device does not power on.	Ensure the battery is charged. Connect to a power source and try again. If unresponsive, perform a hard reset (refer to device specifications for reset method, if available).
Cannot connect to Bluetooth device.	Ensure Bluetooth is enabled on both devices. Place devices close to each other. Check if the other device is in pairing mode. Try restarting both devices.
Music files are not recognized.	Verify that the music files are in a supported format (MP3, WAV, WMA, AAC, FLAC, APE, ACELP). Ensure files are transferred to the correct folder on the device.
Screen is unresponsive.	Restart the device. If the issue persists, contact customer support.
Short battery life.	Reduce screen brightness. Close unused applications. Avoid extreme temperatures. Ensure the device is fully charged before use.
