Up to 36 hours of continuous playback

6 Hrs
On Single Charge

36 Hrs
With Charging Case

Figure 1: Included components of the Btootos A90 Pro package.

This image displays all items found within the product packaging: the A90 Pro Wireless Earbuds, their portable charging case, three sizes of silicone earplugs (S, M, L), a USB-C charging cable, and the user manual.

PRODUCT OVERVIEW

The A90 Pro earbuds feature a sleek design with intuitive controls and a smart charging case.

Charging Case

The charging case is equipped with an LED display that shows the battery level of both the case and each earbud, allowing for precise power management.

Figure 2: A90 Pro Earbuds in Charging Case with LED Display.

This image showcases the rose gold charging case with the earbuds inside, highlighting the front-facing LED display that indicates the charge level of both the case and the individual earbuds.

Earbuds

Each earbud is lightweight and ergonomically designed for comfort during extended use. They feature touch controls for

various functions and are equipped with ENC noise-cancelling microphones for clear calls.

Comfortable Design

Wearing it feels natural, unnoticeable, and supremely comfortable.

Figure 3: Ergonomic Design and Ear Tip Sizes.

This image illustrates the comfortable fit of the A90 Pro earbud in a user's ear, along with a visual representation of the three different silicone ear tip sizes (S, M, L) provided for optimal fit.

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided USB-C charging cable to the charging port on the case and a compatible USB power source. The LED display will show the charging progress.

2. Pairing with Your Device

1. Take both earbuds out of the charging case. They will automatically power on and enter pairing mode.
 2. On your device (smartphone, tablet, laptop), enable Bluetooth and search for 'A90 Pro' in the list of available devices.
 3. Select 'A90 Pro' to connect. Once connected, you will hear a voice prompt indicating successful pairing.

Auto disconnect and power off

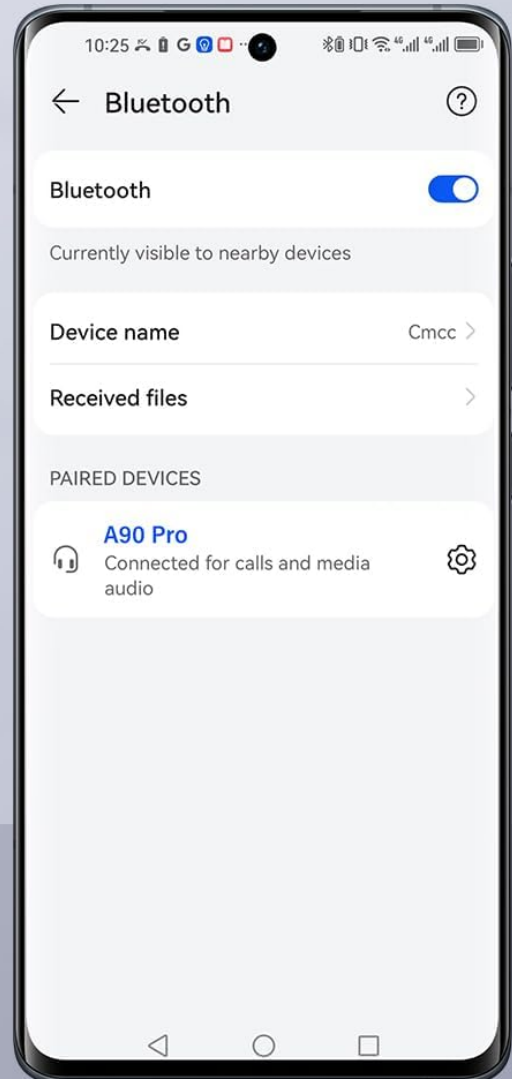

Figure 4: One-Step Pairing Process.

This diagram illustrates how to easily pair the A90 Pro earbuds with various devices (iOS, Android, Windows) by simply opening the case and selecting 'A90 Pro' from the Bluetooth device list.

3. Wearing the Earbuds

Choose the silicone ear tips that best fit your ears for optimal comfort and sound quality. Gently insert the earbuds into your ear canal and rotate them slightly to ensure a secure and comfortable fit.

OPERATING INSTRUCTIONS

The A90 Pro earbuds feature intuitive touch controls on each earbud.

Function	Action
Play/Pause	Tap once on either earbud
Next Track	Quickly triple-tap the right earbud
Previous Track	Quickly triple-tap the left earbud
Volume Up	Tap the right earbud once
Volume Down	Tap the left earbud once
Answer Call	Tap once on either earbud
End Call	Press and hold for 2 seconds on either earbud
Activate Voice Assistant	Single tap on either earbud

IP7-Rated Dust And Water Resistance

The IP7 rating allows you to enjoy music with your A90 Pro daily.

Figure 5: Earbud Touch Controls and IP7 Rating.

This image visually explains the various touch controls for functions like play/pause, answering calls, volume adjustment, and track navigation. It also highlights the IP7 waterproof rating, indicating resistance to sweat and rain.

Single/Dual Earbud Use

The A90 Pro earbuds support both single and dual earbud use. You can use one earbud while the other charges, or share one earbud with a friend.

MULTIPLE COLOUR

The diverse color designs offer you multiple choices.

Figure 6: Single & Dual Ear Use.

This diagram illustrates the flexibility of using the earbuds in single or dual mode, allowing users to switch freely between modes. It also notes the lightweight design of each earbud (3.8g).

MAINTENANCE

Cleaning

Regularly clean the earbuds and charging case with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials. Ensure charging contacts are free of dust and debris.

Water Resistance

The A90 Pro earbuds are IP7 waterproof, meaning they are resistant to sweat and rain. They are not designed for swimming or submersion in water. Ensure the earbuds are dry before placing them back into the charging case to prevent damage.

Battery Care

To prolong battery life, avoid fully discharging the earbuds and charging case frequently. Store in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

Issue	Possible Solution
Earbuds not pairing	Ensure earbuds are charged. Turn off and on Bluetooth on your device. Forget 'A90 Pro' from your device's Bluetooth list and re-pair.
No sound/Low volume	Adjust volume on both earbuds and connected device. Ensure earbuds are properly seated in your ears.
Charging issues	Check USB-C cable and power source. Ensure charging contacts on earbuds and case are clean.
Poor call quality	Ensure earbuds are clean and microphones are not obstructed. Move closer to your connected device.
