johgee 3-Tier Rolling Utility Cart Instruction Manual

Model: TC-001-P

INTRODUCTION

Thank you for choosing the johgee 3-Tier Rolling Utility Cart. This versatile and sturdy storage solution is designed to enhance organization in various settings, including offices, classrooms, kitchens, and bathrooms. Please read this manual carefully before assembly and use to ensure proper operation and longevity of your cart.

IMPORTANT SAFETY INFORMATION

To prevent injury or damage to the product, please observe the following safety guidelines:

- Always use caution when moving the cart, especially on uneven surfaces, to prevent tipping.
- Do not exceed the maximum weight capacity of **150 lbs (68 kg)** for the entire cart. Distribute weight evenly across all three tiers.
- Ensure all locking wheels are engaged when the cart needs to remain stationary.
- Keep small children and pets away from the cart during assembly and when moving it.
- Do not stand or climb on the cart.
- Avoid placing hot items directly on the wooden tabletop without proper insulation.

PARTS LIST

Before beginning assembly, verify that all parts are present and undamaged. If any parts are missing or damaged, please contact customer support.

Figure 2: Exploded diagram showing all components of the rolling cart, including the frame, baskets, tabletop, and wheels.

Table 1: Component List

Part	Description	Quantity
A	Side Frames (with handles)	2
B	Storage Baskets (perforated)	3
C	Wooden Tabletop	1
D	Caster Wheels (2 lockable)	4
E	Hooks	4
F	Screws/Bolts	(Various)
G	Screwdriver	1
H	Wrench	1

SETUP AND ASSEMBLY

Assembly is quick and easy, typically taking 10-15 minutes. Tools (screwdriver and wrench) are included.

- Attach Caster Wheels:** Securely screw the four caster wheels (D) into the designated holes at the bottom of one side frame (A). Ensure the two lockable wheels are positioned on the same side for easy access.
- Assemble Frame:** Attach the second side frame (A) to the first, creating the basic structure. Use the provided screws/bolts (F) to connect the frame pieces.
- Insert Baskets:** Slide the three storage baskets (B) into the grooves on the side frames. Ensure they are properly seated and level.
- Add Tabletop:** Place the wooden tabletop (C) onto the top basket. It is designed to fit snugly and can be easily removed.
- Attach Hooks:** Clip the hooks (E) onto the side of the top basket as desired for additional hanging storage.
- Final Check:** Verify that all connections are tight and the cart is stable before loading items.

OPERATING INSTRUCTIONS

Moving the Cart

The johgee utility cart is equipped with 360-degree mute rubber caster wheels for smooth and quiet movement. To move the cart, simply release the locks on the two lockable wheels (if engaged) and push or pull the cart using the integrated handles.

Figure 3: Detail of the 360-degree rotating caster wheel, designed for smooth and quiet movement.

Locking the Wheels

To secure the cart in place, press down on the locking levers located on two of the caster wheels. This will prevent the cart from rolling. To unlock, simply lift the levers.

Figure 4: Illustration of the cart's strong and stable construction, highlighting the 360-degree lockable swivel casters and anti-rust mesh design.

Using the Removable Tabletop

The wooden tabletop can be easily removed or placed on the top basket. It is designed to fit snugly and can be easily removed, allowing for easier access to the top basket's contents.

Figure 5: A user demonstrating the easy removal of the wooden tabletop from the cart.

Versatile Usage

This cart is designed for multi-purpose use across various environments:

- **Office/Classroom:** Store books, stationery, art supplies, or teaching materials.
- **Kitchen:** Organize spices, small appliances, produce, or serve as a mobile dining cart.
- **Bathroom:** Keep toiletries, towels, and cleaning supplies neatly arranged.
- **Bedroom/Nursery:** Ideal for bedside essentials, baby supplies, or craft items.

Figure 8: The cart providing additional storage and mobility in a kitchen.

CARE AND MAINTENANCE

Proper care will ensure the longevity and appearance of your johjee utility cart:

- **Cleaning:** Wipe down the metal frame and baskets with a soft, damp cloth. For the wooden tabletop, use a dry or slightly damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Rust Prevention:** The cart features a rust-resistant powder coating. To maintain this, avoid prolonged exposure to excessive moisture.
- **Wheel Maintenance:** Periodically check the caster wheels for any debris or hair that might impede smooth rolling. Clean as necessary.
- **Tighten Fasteners:** Over time, screws and bolts may loosen. Periodically check and tighten all fasteners to maintain stability.

TROUBLESHOOTING

Table 2: Common Issues and Solutions

Problem	Possible Cause	Solution
Cart is wobbly or unstable.	Loose screws/bolts; uneven assembly.	Ensure all screws are tightened. Disassemble and reassemble if necessary, ensuring all parts are aligned correctly.
Wheels do not roll smoothly.	Wheel locks engaged; debris in casters.	Check that wheel locks are disengaged. Clean any hair or debris from around the caster wheels.
Wooden tabletop does not fit properly.	Top basket not fully seated or slightly misaligned.	Ensure the top basket is pushed down completely into its grooves. Adjust the basket's position slightly if needed.
Cart tips easily.	Overloaded; weight unevenly distributed; moving on uneven surface.	Reduce load, redistribute weight evenly, and exercise caution when moving on uneven surfaces. Do not exceed 150 lbs.

SPECIFICATIONS

PRODUCT SIZE

Load-bearing
44lbs/Layer

Figure 9: Detailed dimensions of the johgee 3-Tier Rolling Utility Cart.

Brand: johgee

Model: TC-001-P
