Btootos A90 Pro

Btootos A90 Pro Wireless Earbuds Instruction Manual

Model: A90 Pro

1. INTRODUCTION

Thank you for choosing the Btootos A90 Pro Wireless Earbuds. These earbuds are designed to provide a superior audio experience with advanced features for convenience and performance. This manual will guide you through the setup, operation, and maintenance of your new earbuds.

Key features include Bluetooth 5.4 technology for stable connections, Environmental Noise Cancellation (ENC) for clear calls, an LED power display, extended battery life, IP7 waterproofing, and intuitive touch controls.

2. WHAT'S IN THE BOX

Please ensure all items are present in the package:

- A90 Pro Wireless Earbuds (Left/Right)
- Portable Charging Box
- Silicone Earplugs (S / M / L sizes)
- USB-C Charging Cable
- User Manual

3. SETUP

3.1. Charging the Earbuds and Charging Case

Before first use, ensure both the earbuds and the charging case are fully charged.

1. Place the earbuds into the charging case. Ensure they are seated correctly.
2. Connect the provided USB-C charging cable to the charging port on the case and plug the other end into a compatible USB power adapter (not included).
3. The LED display on the charging case will show the current battery percentage. The earbuds will also show their individual charging status.
4. A full charge for the charging case takes approximately 1.5 hours. Earbuds charge within the case.

individual earbuds.

3.2. Pairing with Your Device (One-Step Pairing)

The A90 Pro earbuds feature automatic pairing for a hassle-free connection.

1. Open the charging case. The earbuds will automatically power on and enter pairing mode.
2. On your device (smartphone, tablet, laptop), go to Bluetooth settings and enable Bluetooth.
3. Search for available devices and select "A90 Pro" from the list.
4. Once connected, you will hear a voice prompt, and the earbuds will be ready for use.

4.2. Wearing the Earbuds

Choose the silicone earplugs that best fit your ears for optimal comfort and sound quality. Insert the earbuds gently into your ear canal and rotate them slightly until they feel secure and comfortable.

5. MAINTENANCE

5.1. Cleaning

Regular cleaning helps maintain optimal performance and hygiene.

- Wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Gently remove any earwax or debris from the ear tips and speaker mesh using a clean, dry cotton swab or a small brush.
- Do not use abrasive cleaners or solvents.

5.2. Storage

When not in use, store the earbuds in their charging case to protect them from damage and keep them charged. Store in a cool, dry place away from extreme temperatures.

5.3. IP7 Waterproof Rating

The A90 Pro earbuds are IP7 waterproof, meaning they are protected against sweat and rain. This makes them suitable for workouts and outdoor activities. However, they are not designed for submersion in water.

Comfortable Design

Wearing it feels natural, unnoticeable, and supremely comfortable.

6. TROUBLESHOOTING

If you encounter any issues with your earbuds, please refer to the following common solutions:

- **Earbuds not pairing:**

Ensure both earbuds are fully charged. Place them back in the charging case, close the lid, then open it again to re-enter pairing mode. On your device, forget the "A90 Pro" from your Bluetooth list and try pairing again.

- **No sound or intermittent sound:**

Check the volume levels on both your device and the earbuds. Ensure the earbuds are within the 15-meter Bluetooth range of your device. Try reconnecting the earbuds to your device.

- **Charging issues:**

Ensure the USB-C cable is securely connected to both the charging case and the power source. Check if the charging port is clean and free of debris.

- **Poor call quality:**

Ensure the earbuds are properly seated in your ears. Move to a quieter environment if possible, as ENC works best to reduce ambient noise but cannot eliminate all background sounds.

7. SPECIFICATIONS

Feature	Detail
Brand	Btootos
Model Name	A90 Pro
Bluetooth Version	5.4
Bluetooth Range	Up to 15 meters (without obstacles)
Earbud Playback Time	6-8 hours on a single charge
