MINISO X33

MINISO X33 AI Translation Earbuds User Manual

Model: X33

1. Introduction

The MINISO X33 AI Translation Earbuds are designed to facilitate seamless cross-cultural communication through real-time language translation. These open-ear wireless Bluetooth headphones offer high-fidelity sound and extended battery life, making them suitable for various scenarios including travel, learning, and business. This manual provides detailed instructions for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

2. Product Overview

The MINISO X33 earbuds feature an ergonomic open-ear design for comfort during prolonged use, allowing awareness of your surroundings. They support real-time two-way translation across 135 languages and offer five distinct translation modes. Equipped with advanced acoustic drivers, they deliver immersive HiFi audio for translation, music, and calls. The portable charging case provides up to 60 hours of continuous playback.

Image 2.2: Overview of MINISO X33 AI Language Translation Earbuds. This image highlights key features such as 135 language support, real-time translation, high accuracy, 60 hours battery life, open-ear comfort, and Bluetooth 5.4 connectivity, alongside a visual of the earbuds and charging case.

3. Setup

3.1 App Download and Installation

To utilize the translation features, you must download the dedicated application to your mobile phone. Scan the QR code below or visit the provided link to download the app for iOS or Android devices.

Image 3.1: Steps for App Download and Earbud Connection. This image illustrates three steps: 1) Download the app via QR code, 2) Connect earbuds to your mobile phone's Bluetooth settings, and 3) Enter the app and connect the earbuds within the application.

3.2 Bluetooth Pairing

1. Ensure the earbuds are charged and removed from the charging case.
2. Open the Bluetooth settings on your mobile phone.
3. Search for available devices and select "MINISO X33" (or similar identifier) to pair.
4. Once paired, a confirmation message will appear on your phone.

3.3 Connecting Earbuds to the App

1. After successful Bluetooth pairing, open the MINISO translation app.
2. Follow the in-app prompts to connect the earbuds to the application. This step is crucial for enabling the translation functionalities.

4. Operating Instructions

4.1 Translation Modes

The MINISO X33 earbuds offer multiple translation modes to suit different communication needs:

Image 4.1: Multiple Translation Modes. This image displays a phone screen showing the app interface with options for AI Chat Mode, Free Talk Mode, Translator Machine Mode, and Headphone + Phone Mode, while two individuals are shown communicating with translation bubbles.

- **AI Chat Mode:** This mode enhances travel experiences with multilingual guides, real-time itinerary optimization, and context-aware suggestions. It streamlines exploration and reduces planning stress.

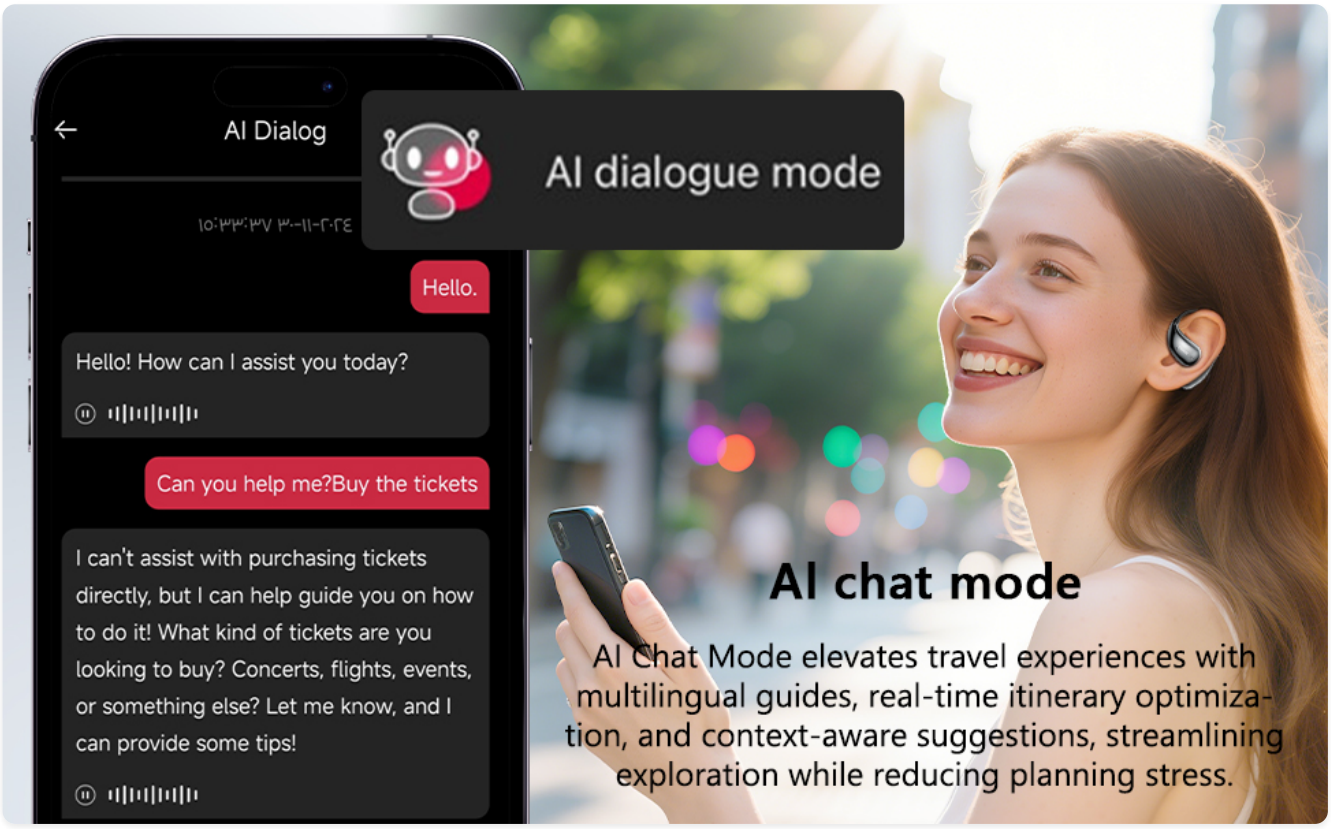

Image 4.2: AI Chat Mode. A phone screen displays an AI dialogue interface, showing a conversation between a user and an AI assistant, with translation capabilities.

- **Free Talk Mode:** Both users wear headphones, and a tap on the device triggers instant voice transitions, facilitating smooth bilingual conversations.
- **Translator Machine Mode:** This traditional translation function translates recognized content into the desired language and presents it in text, useful for recording meeting content.
- **Headphone + Phone Mode:** This mode is designed to enhance language learning and training sessions. Users wear the earbuds and position their device near audio sources, receiving real-time translations directly through their ears.

Image 4.3: Detailed Explanation of Translator Machine Mode, Free Talk Mode, and Headphone + Phone Mode. Each mode is described with accompanying visuals of people using the earbuds in different scenarios.

4.2 Real-time Translation

The earbuds provide real-time, two-way translation for 135 languages, ensuring effective communication in diverse settings.

Image 4.4: AI Real-Time Translation in action. A man and a woman are conversing, with speech bubbles showing a Spanish phrase being translated into English in real-time.

Image 4.5: Real-Time Translation in 135 Languages. This image depicts a flight attendant and a passenger communicating, with speech bubbles indicating translation, and flags representing various languages supported.

4.3 Audio Playback and Calls

Beyond translation, the earbuds deliver HiFi stereo sound for music and clear audio for phone calls. The optimized sound profile ensures clarity and natural voice reproduction.

Image 4.6: HiFi Sound Quality. A diagram illustrating the internal components of an earbud, highlighting the 12mm double-diaphragm drivers responsible for immersive audio depth and extended frequency response.

5. Maintenance

5.1 Cleaning

- Gently wipe the earbuds and charging case with a soft, dry, lint-free cloth.
- Avoid using abrasive materials, solvents, or spray cleaners.
- Ensure charging contacts are clean and free of debris.

5.2 Charging

The MINISO X33 earbuds provide up to 60 hours of total playback with the charging case. Use the provided USB-C cable to charge the case. The LED display on the case indicates the battery level.

Image 5.1: Ultra Long Battery Life. This image shows the earbuds within their charging case, highlighting the 60-hour battery life, USB-C charging port, and LED power display on the case.

5.3 Storage

When not in use, store the earbuds in their charging case to protect them from dust and damage.

6. Troubleshooting

If you encounter issues with your MINISO X33 earbuds, refer to the following common solutions:

Problem	Possible Cause	Solution
Earbuds not pairing	Low battery; Bluetooth off; Earbuds not in pairing mode.	Charge earbuds; Ensure phone Bluetooth is on; Place earbuds in case, then remove to re-enter pairing mode.
No sound or poor audio quality	Volume too low; Earbuds not properly seated; Connection issues.	Adjust volume on phone/app; Re-seat earbuds; Reconnect Bluetooth.
Translation not working or delayed	App not connected; Internet connection unstable; Incorrect mode selected.	Ensure earbuds are connected in the app; Check internet connection; Verify correct translation mode is active.
Earbuds not charging	Charging cable faulty; Charging port dirty; Case battery empty.	Try a different USB-C cable; Clean charging port; Charge the case.

7. Specifications

- **Brand:** MINISO
- **Model:** X33
- **Item Weight:** 5.6 ounces
- **Package Dimensions:** 5.75 x 3.66 x 2.6 inches
- **Color:** black
- **Manufacturer Part Number:** X33
- **First Available:** April 2, 2025

8. Warranty and Support

Specific warranty details are not provided in the product information. For warranty claims, technical support, or further assistance, please contact MINISO customer service directly through their official website or the contact information provided with your purchase.
