WHAT'S IN THE BOX

Verify that all items are present in the package:

- SwanScout 708SM Charging Station
- 1.5m USB-C to USB-C Charging Cable
- User Manual

SETUP INSTRUCTIONS

1. **Connect Power:** Use the provided USB-C to USB-C cable to connect the charging station to a power adapter (a 20W+ PD adapter is recommended and not included).
2. **Positioning:** Place the charging station on a stable, flat surface.
3. **Adjust Stand:** The charging station features a foldable design. Adjust the phone charging pad to your desired angle for optimal viewing.
4. **Set Clock:** If applicable, use the buttons on the base to set the time on the integrated LED display. Refer to the 'Operating Instructions' section for details on clock settings.

OPERATING INSTRUCTIONS

Charging Devices

- **Charging a Samsung Galaxy Phone:**

Ensure your Galaxy phone is equipped with a magnetic case (magnetic case required for Galaxy phones). Place the phone onto the magnetic charging pad. The phone should align automatically and begin charging. The charging indicator on the station will illuminate.

Effortless Charging Starts Here: Samsung Phone + Magnetic Case

✔ Magnetic Case ≤ 0.2 in (5mm)

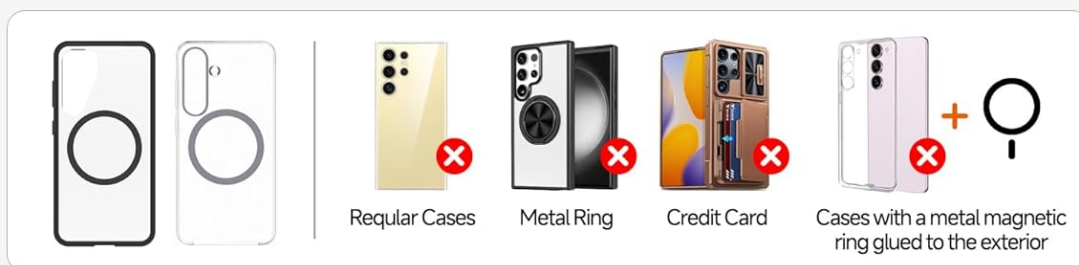

Image: A Samsung Galaxy phone, fitted with a magnetic case, being placed onto the charging station's magnetic pad. The phone screen shows charging status.

- **Charging a Galaxy Watch:**

Place your Galaxy Watch onto the dedicated watch charging module. The module can be adjusted for optimal viewing. Ensure the watch is properly seated for charging to initiate.

- **Charging Galaxy Earbuds:**

Place your Galaxy earbuds case onto the designated wireless charging area on the base of the

station. Ensure the earbuds case supports wireless charging.

COMPATIBILITY

The SwanScout 708SM is designed for broad compatibility with Samsung Galaxy devices and other compatible wireless charging devices.

- **Compatible Phones (with Magnetic Case):** Samsung Galaxy S25 Ultra/S25+/S25, S24 Ultra/S24+/S24, S23/S23+/S23 Ultra, S22/S22+/S22 Ultra, S21/S21+/S21 Ultra/S21 FE, S20/S20+/S20 Ultra/S20 FE, S10/S10+/S10e, S9/S9+, Note 20/10/10+/9/8, Z Flip 3/Z Flip 4/Z Flip 5/Z Flip 6/Z Flip 7, Z Fold 3/Z Fold 4/Z Fold 5/Z Fold 6/Z Fold 7. Also compatible with iPhone 8-17 Series (with magnetic case).
- **Compatible Watches:** Samsung Galaxy Watch Ultra (2025)/8 Classic/8/Ultra/7/6/6 Classic/5/5

Pro/4/4 Classic/3.

- **Compatible Earbuds:** Samsung Galaxy Buds 3/Buds 3 Pro/Buds 2/Buds 2 Pro/Live/+. Also compatible with AirPods 4(ANC)/3/2/Pro/2 and other wireless earbuds with wireless charging cases.

Note: Not compatible with Samsung Galaxy Watch 1, Galaxy Gear Series, Google Pixel 10 Series, or phones without wireless charging capabilities.

KEY FEATURES

- **3-in-1 Multi-Device Charging:** Simultaneously charge your compatible Galaxy phone, Galaxy watch, and earbuds.
- **Adjustable Dimmable Clock:** Features a 3D LED display with 4 dimming modes (100%, 50%, 20%, Off) and 12/24H format, suitable for various environments including bedrooms.
- **Fast Charging:** Equipped with an intelligent temperature control system to prevent overheating and ensure optimal charging efficiency. Achieves full charge for Samsung S25 (0 to 100%) in approximately 2.25 hours.
- **Foldable Portability:** The compact, folding design allows for easy storage and transport in pockets or bags. The adjustable watch charger rotates for flexible viewing angles.

Foldable & Portable

Perfect for Travel

Image: The SwanScout 708SM charging station shown folded for travel and unfolded in various configurations, highlighting its portability and adjustable design.

- **Elegant & Durable Design:** Features a UV-textured charging panel and metallic paint finish, combining scratch-resistant durability with a minimalist aesthetic.

SAFETY INFORMATION

- Use only a compatible power adapter (20W+ PD recommended).
- Do not disassemble, modify, or repair the device.
- Keep the device away from water, moisture, and extreme temperatures.
- Avoid placing metal objects or foreign materials on the charging pads.
- Do not use the device if it is damaged.
- Keep out of reach of children.

TROUBLESHOOTING

Device not charging:

- Ensure the charging station is properly connected to a working power outlet and a 20W+ PD adapter.
- Verify that your phone has a magnetic case and is correctly aligned on the charging pad.
- Check if your watch and earbuds are correctly placed on their respective charging areas.
- Remove any thick cases or metal attachments from your devices (unless it's a magnetic case for the phone).
- Restart the charging station by unplugging and re-plugging the power cable.

Slow charging:

- Ensure you are using a 20W or higher Power Delivery (PD) adapter. Lower wattage adapters may result in slower charging.
- Check for proper alignment of devices on the charging pads.
- Avoid charging multiple devices simultaneously if you require maximum speed for one device, as power is shared.

Clock display not working or incorrect:

- Press the brightness touch button to ensure the display is not set to "Off".
- Refer to the 'Operating Instructions' section for setting the time.

Device overheating:

- The charger has an intelligent temperature control system. If a device feels excessively hot, remove it from the charger.
- Ensure there is adequate ventilation around the charging station.
- Avoid charging in direct sunlight or hot environments.

SPECIFICATIONS

Model Number	S10025
Brand	SwanScout
Wattage	18 Watts
Input Voltage	9 Volts
Amperage	2 Amps
