

## Govee H6020

# Govee Table Lamp 2 Pro x Sound by JBL User Manual

Model: H6020 | Brand: Govee

## 1. INTRODUCTION

---

The Govee Table Lamp 2 Pro x Sound by JBL is a versatile smart lamp designed to enhance your living space with dynamic lighting and high-quality audio. Featuring integrated JBL sound, music-light synchronization, and extensive customization options via the Govee Home App, this cordless lamp offers an immersive audiovisual experience for any occasion.

## 2. WHAT'S IN THE BOX

---

- Table Lamp
- Power Adapter
- User Manual

## 3. SETUP GUIDE

---

1. **Charge the Lamp:** Before first use, connect the provided power adapter to the lamp and a power outlet to fully charge the internal 5200mAh battery.
2. **Download Govee Home App:** Search for 'Govee Home' in your smartphone's app store (iOS/Android) and download the application.
3. **Power On:** Press and hold the power button on the lamp's top panel to turn it on.
4. **Pair with App:** Open the Govee Home App, tap the '+' icon in the top right corner, and search for 'H6020' or 'Table Lamp 2 Pro'. Follow the on-screen instructions to connect the lamp via Bluetooth and Wi-Fi (5.8GHz Wi-Fi supported for stereo pairing).
5. **Matter Integration:** For convenient voice control and smart home integration, connect the lamp with Alexa, Google Assistant, or Matter through the Govee Home App settings.

## 4. OPERATING INSTRUCTIONS

---

## 4.1 Basic Controls

- **Power Button:** Press and hold to turn on/off.
- **Touch Panel:** Use the touch-sensitive controls on the top for volume adjustment, music playback, and basic light mode changes.
- **Govee Home App:** Access full customization, including color, scene, music modes, illumination, and advanced settings.

## 4.2 Key Features

- **Immersive Music Lighting:** The integrated chipset and algorithm provide an impressive 32ms response time, accurately capturing every beat for precise music-light synchronization. Choose from 16 music modes for a fully immersive audiovisual experience.
- **Clearer Visuals & DIY:** Equipped with 210 high-density LED lamp beads, offering enhanced visual clarity. Customize each bead's color for unlimited DIY creativity, transforming your space into a vibrant masterpiece.
- **Sound by JBL with Stereo Pairing:** Features a compact 2.5-inch 500cc full-range speaker with JBL's equalizer algorithm for excellent audio. Pair two Govee Table Lamp 2 Pro units for immersive stereo audio and synchronized light effects.
- **Unplugged Entertainment:** The 5200mAh battery supports 4.5 hours of simultaneous sound and light playback (at 50% volume and brightness), ideal for portable use.
- **Lighting for Every Occasion:** Select from 100+ preset lighting scenes. Adjust brightness (up to 600lm with adapter) and color temperature (2700K-6500K) to suit your mood.
- **Smart and Convenient Control:** Seamlessly integrates with Alexa, Google Assistant, and Matter for voice control. The Govee Home App offers extensive personalization.
- **Music DreamView:** Expand your immersive experience by synchronizing with up to 10 other Govee lights for a full-room audio-visual display.

Item Weight	5.28 pounds
Material	Plastic
Color	Multicolor
Speaker Type	Soundbar
Battery Capacity	5200 Milliamp Hours
Connectivity Technology	Bluetooth, Wi-Fi
Input Voltage	12 Volts
Water Resistance Level	Not Water Resistant

## 7. MAINTENANCE

---

To ensure the longevity and optimal performance of your Govee Table Lamp 2 Pro, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to wipe the lamp's surface. Avoid abrasive cleaners or solvents that may damage the finish.
- **Storage:** Store the lamp in a cool, dry place when not in use for extended periods.
- **Battery Care:** For optimal battery life, avoid fully discharging the lamp frequently. Recharge it regularly.

## 8. TROUBLESHOOTING

---

- **Lamp not turning on:** Ensure the lamp is charged or connected to the power adapter. Press and hold the power button for a few seconds.
- **Cannot connect to App:** Ensure Bluetooth is enabled on your device and the lamp is within range. Restart the Govee Home App and try pairing again. Check your Wi-Fi connection.
- **Music Sync not working:** Ensure the lamp is in a music mode. Check the sensitivity settings in the Govee Home App. Ensure the audio source is playing clearly.
- **Poor Sound Quality:** Ensure the lamp is placed on a stable surface. Adjust volume settings in the app or on the lamp. If pairing two lamps, ensure stable 5.8GHz Wi-Fi connection.

## 9. WARRANTY & SUPPORT

---

The Govee Table Lamp 2 Pro comes with a limited warranty. For detailed warranty information, technical support, or further assistance, please refer to the official User Manual (PDF) available for download or visit the [Govee Store on Amazon](#).
