## 2. SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- **Electrical Safety:** Ensure all electrical connections for the LED lights and charging station are properly secured and conform to local electrical codes. Do not overload the charging station.
- **Assembly:** Follow all assembly instructions carefully. Do not overtighten screws, as this may damage components. Use appropriate tools.
- **Stability:** Place the vanity desk on a flat, stable surface. Consider securing the unit to a wall using anti-tip hardware (if included) to prevent accidental tipping, especially in households with children or pets.
- **Weight Limit:** Do not place excessively heavy items on the tabletop or shelves. Refer to the specifications for weight capacities if available.
- **Glass Components:** Handle glass cabinet doors and shelves with care to prevent breakage.

### 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly. The package typically includes:

- Vanity Desk Frame and Panels
- HD Mirror with Integrated LED Lights
- 4 Drawers with Metal Knobs
- Glass Display Cabinet
- Padded Stool

## 4. SETUP AND ASSEMBLY

Assembly is required for this product. A detailed instruction manual is included in the packaging to guide you through the process. Please follow these general guidelines:

1. **Unpack:** Carefully unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. **Identify Parts:** Refer to the parts list in the included manual to identify each component.
3. **Follow Steps:** Assemble the vanity desk step-by-step as outlined in the manual.
4. **Secure Connections:** Ensure all screws and fasteners are tightened securely. *Important: Do not overtighten screws, as this can crack or damage the wood pieces. Tighten only enough to ensure a firm connection.*
5. **Electrical Connections:** Connect the LED mirror and charging station power cords as instructed.
6. **Stool Assembly:** Assemble the padded stool according to its specific instructions.

For assistance with assembly, please refer to the contact information in the Support section.

## 5. OPERATING INSTRUCTIONS

### 5.1. LED Mirror Lights

The HD mirror features integrated LED lights with adjustable settings:

- **Power On/Off:** Locate the touch sensor on the mirror surface to turn the lights on or off.
- **Color Modes:** Tap the touch sensor to cycle through three distinct lighting color modes: Warm, Natural, and Cold.
- **Brightness Adjustment:** Press and hold the touch sensor to adjust the brightness level within each color mode. Release when the desired brightness is achieved.

## 6. MAINTENANCE

To keep your vanity desk in optimal condition, follow these maintenance tips:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth. Do not spray cleaner directly onto the mirror, especially near electrical components.
- **Drawer Maintenance:** Periodically check drawer slides for smooth operation. If a drawer becomes stiff, a small amount of silicone lubricant can be applied to the slides.
- **Hardware:** Occasionally check and retighten any loose screws or hardware to maintain structural integrity.
- **Avoid Direct Sunlight:** Prolonged exposure to direct sunlight can cause fading or damage to the finish.

## 7. TROUBLESHOOTING

If you encounter issues with your vanity desk, refer to the following common problems and solutions:

<b>Problem</b>	<b>Possible Cause</b>	<b>Solution</b>
LED lights not turning on	Power cord not plugged in; loose connection; faulty touch sensor; power outage.	Ensure power cord is securely plugged into an active outlet. Check all electrical connections. Contact customer support if the issue persists.
Lights not changing color or brightness	Touch sensor malfunction.	Ensure your finger is clean and dry when operating the touch sensor. If unresponsive, contact customer support.
Drawers are stiff or difficult to open/close	Misaligned slides; debris in slides; overtightened screws during assembly.	Check for obstructions in the drawer slides. Ensure assembly screws are not overtightened. Apply a small amount of silicone lubricant to the slides if needed.
Charging station not working	Power cord not plugged in; device not compatible; faulty outlet.	Verify the vanity is plugged in. Test the outlet with another device. Ensure your device is compatible with the charging station's output.
Parts arrived damaged or cracked	Shipping damage; manufacturing defect.	Do not proceed with assembly. Contact customer support immediately with details and photos of the damaged parts for replacement.

If these solutions do not resolve your issue, please contact NBYSGO customer support.
