Wange 4007

Wange Building Block Toy Model 4007 AH-64 Attack Helicopter Instruction Manual

Model: 4007 | Scale: 1:30

1. PRODUCT OVERVIEW

This manual provides instructions for assembling and maintaining the Wange Building Block Toy Model 4007 AH-64 Attack Helicopter. This detailed model is designed at a 1:30 scale and consists of 259 pieces, including many specialized parts. The standard building blocks are compatible with other major building block brands.

NO.4007

AH-64 APACHE HELICOPTER

- * Mini figure scale tandem cockpit
- * 259 pcs including unique parts
- * Printed build instructions
- * Quality sticker sheet

This image displays the Wange AH-64 Apache Helicopter building block set, including the packaging and the fully assembled model. Key features such as the 259 pieces, mini-figure scale tandem cockpit, printed build instructions, and quality sticker sheet are highlighted.

2. SAFETY INFORMATION

Please read and understand all safety warnings before beginning assembly or allowing children to play with the model.

- **Choking Hazard:** This product contains small parts and is not suitable for children under 3 years of age. Keep all small components away from infants and young children to prevent accidental ingestion.
- **Recommended Age:** This building block set is recommended for ages 13 years and up.
- **Adult Supervision:** Adult supervision is recommended during assembly, especially for younger builders.

3. WHAT'S IN THE BOX

Carefully unpack the box and verify that all components are present. The package should contain:

- Building Block Pieces (259 pieces, including special parts)
- Printed Build Instructions Manual
- Quality Sticker Sheet

If any parts are missing or damaged, please refer to the "Warranty and Support" section for assistance.

4. ASSEMBLY INSTRUCTIONS

Follow the detailed, step-by-step instructions provided in the included printed manual. Organize your building blocks by color and shape before you begin to facilitate the assembly process.

1. **Preparation:** Open all bags containing building blocks and sort them. It is helpful to use trays or containers to keep similar pieces together.
2. **Follow the Manual:** Refer to the printed instruction booklet for a visual guide to each step. Each step will show which pieces are needed and where they should be placed.
3. **Secure Connections:** Ensure each block is firmly pressed into place to create a stable and durable model.
4. **Sticker Application:** Apply the included stickers according to the instructions to add realistic details to your AH-64 Attack Helicopter model.

Detailed views of the AH-64 Apache Helicopter model, highlighting key components such as the FLIR (Forward-Looking Infrared) system, 30mm gun, minifig scale tandem cockpit, main rotor and blades, Fire Control Radar (FCR), U.S. Army weapons configuration, and the tail rotor and landing gear.

5. OPERATING AND DISPLAY

Once assembled, your Wange AH-64 Attack Helicopter model is ready for display or imaginative play.

- **Display:** Place your completed model on a stable, flat surface away from direct sunlight or extreme temperatures to preserve its condition.
- **Play:** The model is designed for gentle play. Avoid excessive force or dropping the model, as this may cause pieces to detach or break.
- **Interactive Features:** The main rotor and tail rotor can be manually rotated.

6. MAINTENANCE

Proper care will help maintain the appearance and integrity of your building block model.

- **Cleaning:** To clean the model, gently wipe it with a soft, dry cloth. For stubborn dust, a slightly damp cloth can be used, followed by immediate drying. Avoid using harsh chemicals or abrasive cleaners.
- **Storage:** If disassembling for storage, keep all pieces in a sealed container to prevent loss and protect them from dust.

7. TROUBLESHOOTING

Should you encounter any issues during assembly or with the product components, please refer to the following common solutions:

- **Missing Pieces:** Double-check all packaging materials and the assembly area. If a piece is genuinely missing, please contact customer support as detailed in the "Warranty and Support" section.
- **Difficulty Connecting Pieces:** Ensure pieces are correctly oriented and apply firm, even pressure. If a piece does not fit, verify it is the correct piece for that step according to the instructions.
- **Model Instability:** Review previous steps to ensure all connections are secure and no pieces have been omitted or misplaced.

8. SPECIFICATIONS
