1. INTRODUCTION

The Graco SmartSense Soothing Baby Bassinet is designed to provide a comfortable and responsive sleep environment for your newborn. This smart bassinet detects your baby's cries and automatically responds with synced sound and motion to help soothe them back to sleep. It offers a variety of gentle motions, soft vibrations, white noise, and calming music combinations to create an immersive sleep experience.

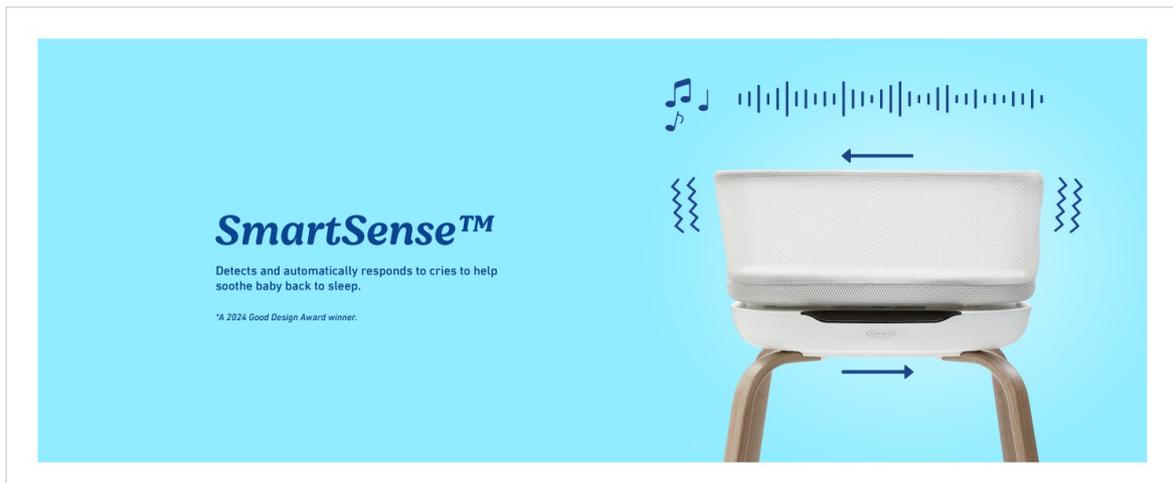

Figure 1: The SmartSense Bassinet responds to baby's cries for comfort.

2. IMPORTANT SAFETY INFORMATION

Always read and follow all instructions and warnings provided with your Graco SmartSense Soothing Baby Bassinet before use. Keep these instructions for future reference.

- **Age and Weight Limit:** This bassinet is recommended for newborn babies up to 5 months or 20 pounds, or until the baby can roll over or push up, whichever comes first.
- **Safe Sleep Environment:** Always place your baby on their back to sleep. Use only the mattress provided by the manufacturer. Do not add pillows, quilts, comforters, or extra padding.
- **Breathability:** The bassinet features breathable mesh sides to ensure proper airflow and visibility.
- **Assembly:** Ensure all parts are correctly assembled and securely fastened before placing your baby in the bassinet.
- **Placement:** Do not place the bassinet near windows where cords from blinds or drapes could pose a strangulation hazard.

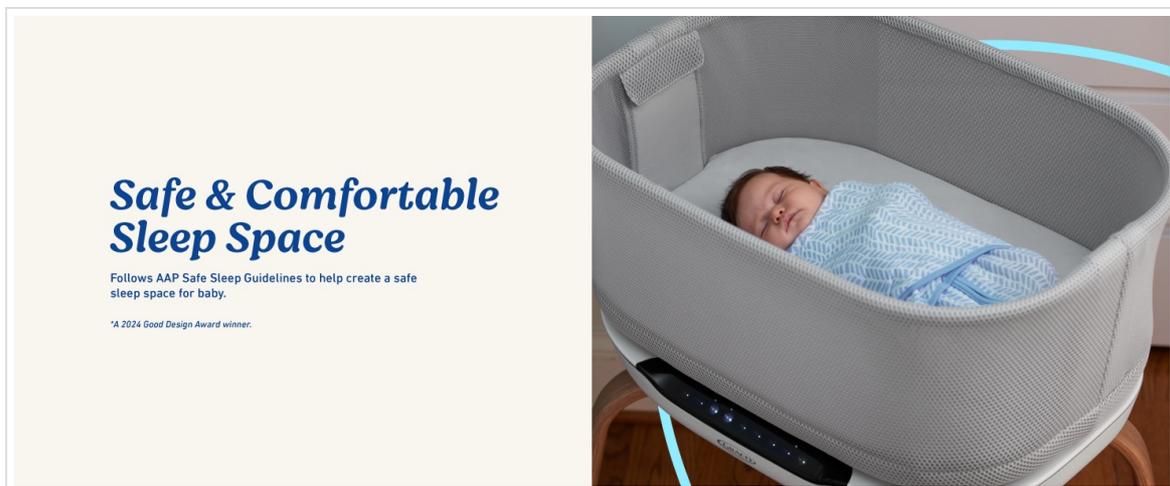

Figure 2: The bassinet provides a safe and comfortable sleep space.

3. WHAT'S IN THE BOX

Your Graco SmartSense Soothing Baby Bassinet package includes:

- Bassinet frame and base
- Mattress
- 100% Organic Cotton Sheet
- Power adapter

4. SETUP

Assembly is required for the Graco SmartSense Soothing Baby Bassinet. A screwdriver may be needed for some steps. Follow the detailed instructions provided in the included instruction booklet for proper assembly.

1. Unpack all components and verify against the "What's in the Box" list.
2. Assemble the base and legs according to the manufacturer's instructions. The legs feature a faux wood finish.
3. Attach the bassinet basket to the assembled base, ensuring it is securely locked into place.
4. Insert the mattress into the bassinet basket.
5. Cover the mattress with the included 100% organic cotton sheet.
6. Connect the power adapter to the bassinet and a suitable power outlet.

5. OPERATING INSTRUCTIONS

The Graco SmartSense Bassinet offers various features to soothe your baby. The control panel is located on the front of the bassinet.

5.1 Power On/Off

Press the power button (circle with a vertical line) on the control panel to turn the bassinet on or off.

5.2 SmartSense Cry Detection

Activate the SmartSense feature by pressing the button with the baby face icon. When activated, the bassinet will listen for your baby's cries and automatically initiate soothing motions and sounds. The

system gradually adjusts motion and white noise, cycling through combinations to help lull your baby back to sleep.

5.3 Soothing Combinations

The bassinet provides thousands of soothing combinations, including:

- **Gentle Motion:** Adjust the rocking/swaying motion using the wave icons. There are multiple speed settings.
- **Soft Vibration:** Control vibration levels using the vibration icon.
- **White Noise & Music:** Select from various white noise options and calming music using the music note icon. Adjust volume with the '+' and '-' buttons.

6. CARE AND MAINTENANCE

Proper care ensures the longevity and hygiene of your bassinet.

- **Mattress and Sheet:** The bassinet mattress features organic cotton fabrics and includes a 100% organic cotton sheet. Both are machine washable. Refer to the care labels for specific washing instructions.
- **Frame and Mesh:** Wipe down the frame and mesh sides with a damp cloth and mild soap. Do not use harsh chemicals or abrasive cleaners.
- **Storage:** When not in use, store the bassinet in a clean, dry place away from direct sunlight.

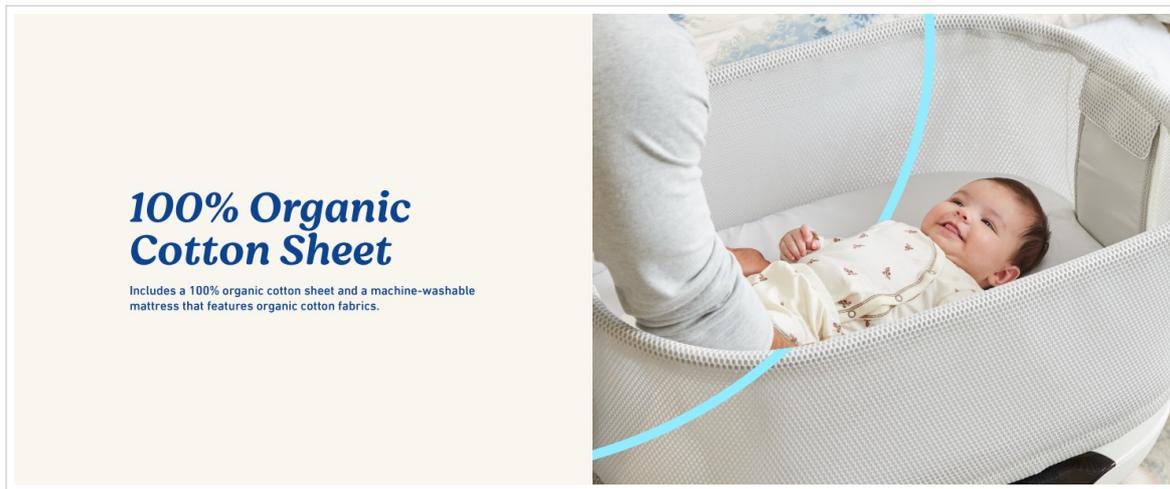

Figure 6: The organic cotton sheet and mattress are machine washable for easy care.

7. TROUBLESHOOTING

If you encounter any issues with your Graco SmartSense Soothing Baby Bassinet, refer to the following common solutions:

- **Bassinet Not Responding to Cries:**
 - Ensure the SmartSense cry detection feature (baby face icon) is activated.
 - Check that the bassinet is powered on and properly connected to a power source.
 - Verify that there are no obstructions blocking the microphone.
- **Motion/Vibration Not Working:**
 - Confirm the bassinet is powered on.
 - Check if the motion or vibration settings are selected on the control panel.
 - Ensure the bassinet is placed on a flat, stable surface.
- **Sound/Music Issues:**
 - Adjust the volume using the '+' and '-' buttons.
 - If using Bluetooth, ensure your device is properly paired and within range.
 - Cycle through different sound/music options to see if the issue persists.
- **Unusual Noises:**
 - A slight mechanical sound during rocking is normal. If the noise is excessive or unusual, ensure all assembly connections are secure.
