EltaMD UV Clear Face Sunscreen SPF 46, 3.7 oz

EltaMD UV Clear Face Sunscreen SPF 46 Instruction Manual

Model: UV Clear Face Sunscreen SPF 46, 3.7 oz
Brand: EltaMD

Product Overview

EltaMD UV Clear Face Sunscreen is an oil-free sunscreen made with Zinc Oxide. This SPF 46 facial sunscreen is lightweight and helps calm and protect sensitive skin types prone to acne, rosacea, and discoloration.
It provides broad-spectrum protection against harmful UVA and UVB rays.

Key Benefits

- **SPF 46 Broad-Spectrum Protection:** Shields skin from UVA (aging) and UVB (burning) rays.
- **Oil-Free Formula:** Ideal for sensitive skin, including those prone to acne and rosacea.
- **Zinc Oxide:** A natural mineral compound that provides physical sun protection.
- **Niacinamide (Vitamin B3):** Helps to calm and protect sensitive skin, reducing the appearance of blemishes and discoloration.
- **Lightweight and Non-Greasy:** Blends easily into the skin without leaving a white cast.

- **Noncomedogenic:** Will not clog pores.
- **Fragrance-Free and Paraben-Free:** Suitable for sensitive skin.

Setup and First Use

Before first use, it is important to prime the pump to ensure proper product dispensing.

1. Ensure the cap cover is securely in place over the pump.
2. Turn the container upside down.
3. Tap the bottom of the bottle firmly 8-10 times. This helps to move the product into the pump mechanism.
4. Return the bottle to an upright position and pump until product dispenses.

Operating Instructions

For optimal sun protection, follow these application guidelines:

- Apply liberally to the face and neck 15 minutes before sun exposure.
- Reapply at least every 2 hours.
- Use a water-resistant sunscreen if swimming or sweating.

This sunscreen can be incorporated into your daily skincare routine. For a comprehensive routine for acne-prone and sensitive skin, consider the following steps:

1. **Cleanse:** Use a gentle foaming cleanser like EltaMD Skin Recovery Amino Acid Foaming Cleanser.

2. **Treat:** Apply a serum such as EltaMD Skin Recovery Serum to help reduce redness and strengthen the skin barrier.
3. **Protect:** Apply EltaMD UV Clear Broad Spectrum SPF 46 Face Sunscreen.
4. **Additional Protection (Optional):** For extended sun exposure or water activities, use EltaMD UV Sheer Broad Spectrum SPF 50+ Face and Body Sunscreen.

Maintenance and Storage

- Store at room temperature, away from direct sunlight and excessive heat.
- Keep the cap tightly closed when not in use to prevent contamination and maintain product efficacy.
- Do not freeze the product.
- Check the expiration date on the packaging and discontinue use after this date.

Troubleshooting

While EltaMD UV Clear is formulated for sensitive skin, individual reactions can vary.

- **Skin Irritation or Redness:** If irritation, redness, or discomfort occurs, discontinue use immediately. Consult a dermatologist or healthcare professional if symptoms persist.
- **Product Not Dispensing:** Refer to the "Setup and First Use" section for pump priming instructions. If the issue persists, ensure the pump is not clogged.
- **White Cast:** This product is designed to blend in for a sheer finish. If a white cast is noticeable, try applying a smaller amount and blending thoroughly, or warming the product between your fingertips before application.

Specifications

Feature	Detail
