GTRACING JY-GT901

GTRACING Gaming Chair User Manual

Model: JY-GT901

1. PRODUCT OVERVIEW

The GTRACING Gaming Chair with Footrest is a racing-style gamer chair designed for adults, offering adjustable reclining backrest and lumbar support for optimal comfort during gaming or office use. It features adjustable armrests to reduce elbow strain, premium PVC leather and high-density foam for durability and comfort, and a sturdy metal frame supporting up to 300 lbs. The chair also includes a retractable footrest and comes with a detailed installation guide.

Figure 1: GTRACING Gaming Chair with Footrest (Black)

Key Features:

- Adjustable Armrests: Easily adjust armrest height to match your body and activity, reducing elbow strain.
- Premium Quality Materials: Constructed with high-grade PVC leather and high-density foam for comfort, durability, and easy maintenance.
- Heavy-Duty Build: Sturdy metal frame and reinforced base support up to 300 lbs, ensuring stability.

- **Adjustable Reclining Backrest:** Reclines from 90° to 160° for customizable comfort, paired with a retractable footrest.
- **FSC-Certified Wood:** Chair cushion inner support is made of FSC-Certified wood.

2. SAFETY INFORMATION

Please read all safety instructions carefully before assembling and using the GTRACING Gaming Chair. Failure to follow these instructions may result in injury or damage to the product.

- **Weight Limit:** Do not exceed the maximum weight capacity of 300 pounds (approximately 136 kg).
- **Assembly:** Assemble the chair on a flat, stable surface. It is recommended that two people assemble the chair to ensure safety and ease.
- **Stability:** Always ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners.
- **Movement:** Avoid sudden or excessive movements while seated, especially when reclining, to prevent tipping.
- **Children and Pets:** Keep children and pets away from the chair during assembly. Do not allow children to play on or around the chair unsupervised.
- **Pinch Points:** Be aware of potential pinch points when adjusting the chair's components, such as the recline mechanism, armrests, and footrest.
- **Floor Protection:** Consider using a chair mat to protect delicate flooring surfaces from caster wear.

3. PACKAGE CONTENTS

Verify that all components are present and undamaged before beginning assembly. If any parts are missing or damaged, please contact GTRACING customer support.

Component	Quantity
Backrest	1
Seat Cushion	1
Armrests	2
Star Base	1
Gas Lift Cylinder	1
Casters (Wheels)	5
Mechanism Plate	1
Lumbar Support Pillow	1
Headrest Pillow	1
Footrest Assembly	1
Hardware Kit (screws, washers, Allen key)	1

4. SETUP INSTRUCTIONS

The GTRACING Gaming Chair is designed for straightforward assembly. For detailed, step-by-step instructions, please refer to the included installation guide. Below is a general overview of the assembly process.

1. **Prepare the Base:** Insert the casters into the star base. Place the gas lift cylinder into the center hole of the base.
2. **Attach Mechanism:** Secure the mechanism plate to the underside of the seat cushion using the provided screws.
3. **Connect Seat to Base:** Carefully place the assembled seat cushion onto the gas lift cylinder.
4. **Attach Backrest:** Align the backrest with the seat cushion and secure it using the appropriate screws.
5. **Install Armrests:** Attach the armrests to the sides of the seat and backrest, ensuring they are firmly secured.
6. **Assemble Footrest:** Attach the footrest assembly to the chair as per the instructions.
7. **Add Pillows:** Attach the headrest and lumbar support pillows using their straps.
8. **Final Check:** Ensure all connections are tight and the chair is stable before use.

5. OPERATING INSTRUCTIONS

Your GTRACING Gaming Chair offers multiple adjustment options to customize your seating experience for maximum comfort and ergonomic support.

Chair Height Adjustment:

To adjust the chair's height, locate the lever on the right side, beneath the seat. Pull the lever upwards while seated to lower the chair, or stand up and pull the lever upwards to raise the chair. Release the lever at your desired height.

Backrest Recline Adjustment:

The backrest can recline from 90° to 160°. To recline, pull the lever on the left side of the seat upwards and lean back to your desired angle. Release the lever to lock the backrest in place. To return to an upright position, pull the lever and lean forward.

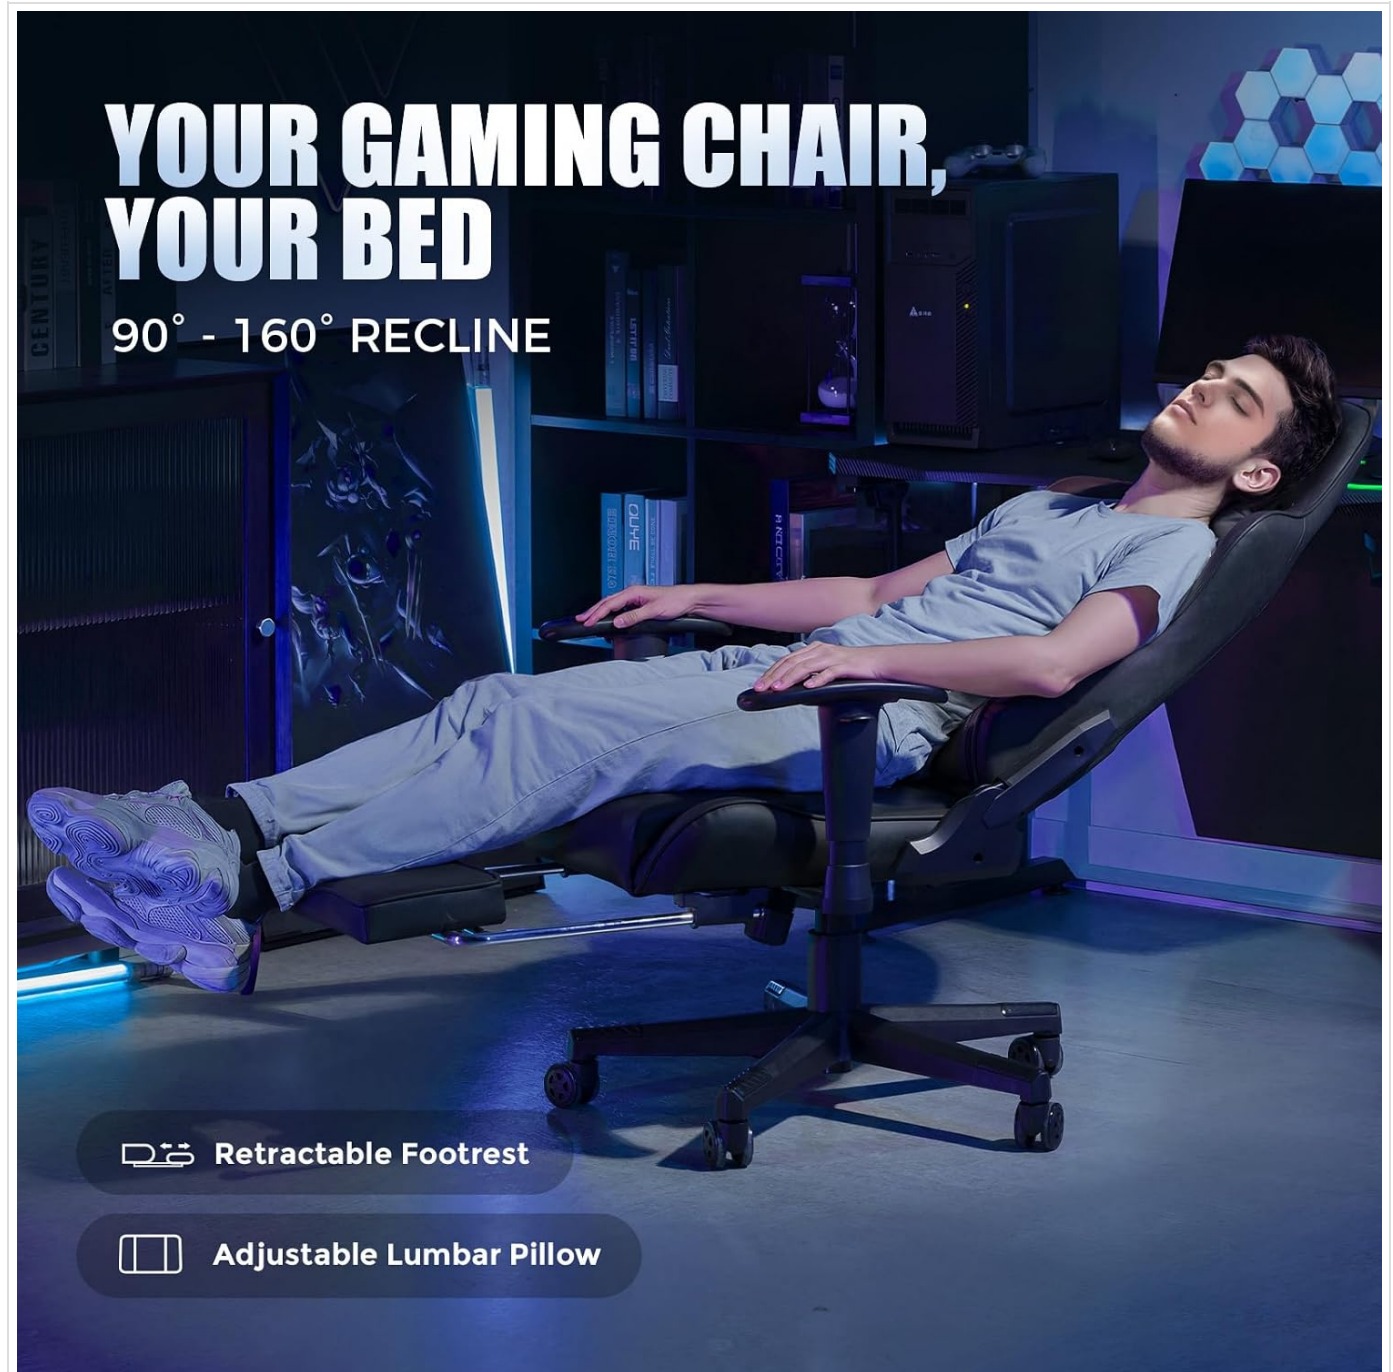

Figure 3: Demonstrates the chair's recline function and retractable footrest.

Armrest Adjustment:

The armrests are 2D adjustable, allowing for height adjustments. Locate the button or lever on the side of each armrest. Press or lift it to unlock, then move the armrest up or down to your preferred height. Release the button/lever to lock it.

ADJUSTABLE 2D ARMRESTS

ADJUSTABLE HEIGHT: 2.95"

Figure 4: Illustrates the adjustable 2D armrests for ergonomic support.

Retractable Footrest:

To extend the footrest, pull it out from under the seat. To retract it, push it back in until it is fully stored under the seat.

Lumbar Support Pillow:

The lumbar support pillow is adjustable. You can slide it up or down along the backrest straps to find the optimal position for your lower back comfort.

6. MAINTENANCE

Proper maintenance will extend the life and appearance of your GTRACING Gaming Chair.

- **Cleaning:** Wipe clean with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or solvents, as these can damage the PVC leather and other materials.
- **Spills:** Clean spills immediately to prevent staining.
- **Fasteners:** Periodically check all screws and bolts to ensure they are tight. Re-tighten if necessary to maintain stability and prevent squeaking.
- **Moving Parts:** If any moving parts (e.g., casters, gas lift) become stiff, a small amount of silicone-based lubricant can be applied, avoiding contact with upholstery.
- **Sunlight Exposure:** Avoid prolonged exposure to direct sunlight, which can cause the material to fade or crack over time.

LUXURY LEATHER-LIKE FINISH

Premium PVC Material – enjoy the elegance of leather with enhanced durability, easy maintenance, and breathable comfort.

7. TROUBLESHOOTING

If you encounter any issues with your GTRACING Gaming Chair, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Chair is wobbly/unstable	Loose screws or uneven assembly.	Check and tighten all assembly screws. Ensure the chair is on a flat surface.
Chair does not adjust height	Gas lift cylinder malfunction or lever not engaged.	Ensure the height adjustment lever is fully pulled. If the issue persists, the gas lift may need replacement. Contact support.
Backrest does not recline/lock	Recline mechanism jammed or lever not engaged.	Ensure the recline lever is fully pulled/released. Check for any obstructions in the mechanism.
Squeaking noises	Loose connections or friction between parts.	Tighten all screws. Apply a small amount of silicone lubricant to moving parts if necessary.
Footrest does not extend/retract smoothly	Obstruction or mechanism issue.	Check for any debris or obstructions. Ensure the mechanism is clean.

If these solutions do not resolve the issue, please contact GTRACING customer support for further assistance.
