6. TROUBLESHOOTING

If you encounter any issues with your Tradare Farmhouse Nightstand, refer to the following common solutions:

- **Wobbly Nightstand:** Ensure all screws are securely tightened. Check that the nightstand is placed on a level surface. Adjust floor glides if present.
- **Drawers Not Closing Flush:** This can occur if drawer slides are not installed correctly or if the drawer box is assembled unevenly. Re-check the installation of the drawer slides, ensuring they are on the correct sides (left/right) and that the arrows face the correct direction (away from the back). Verify that the drawer box itself is square.
- **Missing Parts:** If any parts are missing upon unboxing, contact customer support immediately with your purchase details.
- **Damaged Parts:** If any parts are damaged, do not proceed with assembly. Contact customer support for replacement parts.
