› T4TREAM Farmhouse 6-Drawer Dresser (Model VSC6DRSC-LRO) Instruction Manual

T4TREAM VSC6DRSC-LRO

T4TREAM Farmhouse 6-Drawer Dresser

MODEL: VSC6DRSC-LRO

Instruction Manual

1. Introduction

Thank you for choosing the T4TREAM Farmhouse 6-Drawer Dresser. This dresser is designed to provide functional storage with a rustic aesthetic, featuring natural wood texture, embossed details, and beveled edges. This manual provides essential information for safe assembly, operation, and maintenance of your new furniture. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

2. Safety Information

WARNING: Furniture Tip-Over Hazard. Serious or fatal crushing injuries can occur from furniture tip-overs. To prevent this, this dresser is equipped with an anti-tipping device. Always install the anti-tipping device as instructed to secure the dresser to the wall. Never allow children to climb or hang on drawers, doors, or shelves.

Ensure all parts are securely fastened before use. Do not stand on the dresser. Do not overload drawers. Keep small parts away from children during assembly.

Figure 1: Product Dimensions and Anti-Tipping Device. This image illustrates the overall dimensions of the dresser and provides a visual guide for installing the anti-tipping mechanism to ensure stability and safety.

3. Package Contents

Before assembly, verify that all components and hardware are present and undamaged. Refer to the parts list included in your packaging. If any parts are missing or damaged, do not proceed with assembly. Contact customer support for assistance.

4. Setup and Assembly Instructions

Assembly is required for this product. We recommend two people for a smoother and safer assembly process. Clear assembly instructions and labeled parts are provided in the packaging.

Required Tools (Not Included):

- Phillips Head Screwdriver
- Hammer

- Drill (optional, for pre-drilled holes if needed)

Assembly Steps:

1. **Prepare the Area:** Choose a clean, flat, and spacious area for assembly. Lay down a blanket or cardboard to protect the furniture pieces and your floor.
2. **Identify Parts:** Unpack all components and lay them out. Match each part to the corresponding label in the instruction manual.
3. **Assemble the Frame:** Follow the step-by-step diagrams to connect the main frame components using the provided hardware. Ensure all connections are snug but do not overtighten.
4. **Construct Drawers:** Assemble each of the six drawers according to the instructions. Pay close attention to the drawer slides and ensure they are installed correctly for smooth operation.
5. **Install Drawer Slides:** Attach the drawer slides to the dresser frame and the drawers. Test each drawer for smooth movement.
6. **Attach Back Panel:** Secure the back panel to the dresser frame.
7. **Install Handles:** Attach the Roman column-style handles to each drawer front.
8. **Install Anti-Tipping Device:** This is a critical safety step. Securely attach the anti-tipping device to the back of the dresser and to a wall stud using the provided hardware.
9. **Final Check:** Verify that all screws and fasteners are tightened, and the dresser is stable.

Figure 2: Assembled Dresser Front View. This image displays the completed dresser, highlighting its six drawers and overall farmhouse design.

5. Operating Instructions

To open a drawer, gently pull the handle. To close, push the drawer firmly until it is fully seated. Avoid forcing drawers open or closed. The spacious tabletop can be used to display framed photos, decorative items, or other personal belongings. Ensure items placed on top do not exceed the dresser's weight capacity or obstruct drawer operation.

Figure 3: Dresser Top Surface. This image provides a view of the dresser's top, showcasing its natural texture and ample space for display.

6. Maintenance

To maintain the appearance and longevity of your dresser, follow these guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals, abrasive cleaners, or excessive moisture, as these can damage the finish.
- **Spills:** Clean spills immediately with a dry cloth to prevent staining or damage to the engineered wood.
- **Sunlight:** Avoid prolonged exposure to direct sunlight to prevent fading or discoloration.
- **Humidity:** Maintain a stable humidity level in the room to prevent warping or cracking of the wood.
- **Hardware:** Periodically check and tighten all hardware to ensure stability.

NOTICE: Safety is a top priority, this new country rustic collection dressers are designed to meet the most current standard for stability

7. Troubleshooting

If you encounter any issues with your dresser, refer to the following common problems and solutions:

- **Drawers are Sticking/Not Closing Smoothly:**

- Check if the drawer slides are properly aligned and free of obstructions.
- Ensure the drawer is not overloaded.
- Verify that all assembly screws for the drawer and slides are tightened.

- **Dresser Feels Unstable/Wobbly:**

- Confirm that the anti-tipping device is securely installed to the wall.
- Check all frame connections and tighten any loose screws.
- Ensure the dresser is placed on a level surface.

• **Missing or Damaged Parts:**

- Do not attempt to assemble with missing or damaged parts. Contact T4TREAM customer support for replacements.
