## SAFETY INFORMATION

Please observe the following safety precautions during assembly and use:

- Exercise caution around sharp edges during assembly to prevent injury.
- Ensure the TV stand is properly installed and stable before placing any items on it.
- Securely place the television on the stand to prevent tip-over. Consider using anti-tip restraints if available.
- Do not overload the TV stand beyond its weight capacity. The middle open shelf supports up to 30 lbs.
- Keep small parts away from children during assembly to avoid choking hazards.

## PACKAGE CONTENTS

Before beginning assembly, verify that all parts listed in the instruction manual are present and undamaged. The package includes all necessary assembled parts for construction.

## SETUP AND ASSEMBLY

Assembly is required for this TV stand. Clear instructions and labeled parts are provided to facilitate quick installation. It is recommended to have two people for assembly to ensure stability and ease of construction.

1. Unpack all components and lay them out on a clean, soft surface to prevent scratches.
2. Identify each part using the provided labels and the assembly diagram.
3. Follow the step-by-step instructions in the included manual to connect the panels and secure them with the provided hardware.
4. Attach the six solid wood feet to the base of the TV stand. Ensure they are tightened securely.
5. Install the soft-hinge doors onto the cabinets.
6. Once assembled, place the TV stand in its desired location. The two adjustable feet can be used to balance the stand on uneven floors.

## OPERATING INSTRUCTIONS

This TV stand is designed for functional use and storage in your living room or bedroom.

- **Television Placement:** Place your television (up to 65 inches) securely on the top surface of the stand. Ensure the TV's base fits within the stand's dimensions.
- **Storage:** Utilize the two large cabinets with soft-hinge doors to store various sundries, keeping your space tidy.
- **Media Devices:** The middle open shelf is ideal for holding TV boxes, gaming consoles, or other media devices.
- **Cable Management:** Use the two cord holes located at the back of the middle shelf to route and organize your wires, maintaining a clean appearance.

## MAINTENANCE

To ensure the longevity and appearance of your Apetacat TV Stand, follow these care instructions:

- **Cleaning:** For general cleaning, wipe the surfaces with a damp cloth. For a thorough clean, follow with a dry cloth to remove any moisture.
- **Avoid Harsh Chemicals:** Do not use abrasive cleaners or strong chemical solutions, as these can damage the engineered wood finish.
- **Spills:** Promptly wipe up any spills to prevent staining or water damage.
- **Sunlight Exposure:** Avoid prolonged direct sunlight exposure to prevent fading of the natural finish.

## TROUBLESHOOTING

If you encounter any issues with your TV stand, consider the following:

- **Wobbly Stand:** Check that all screws and fasteners are securely tightened. Use the adjustable feet to stabilize the stand on uneven surfaces.
- **Difficulty Assembling:** Refer to the assembly instructions carefully. Ensure all parts are correctly oriented before tightening screws. If a part seems misaligned, do not force it; re-check the instructions.
- **Damaged Parts:** If any parts are damaged or missing upon arrival, contact customer support immediately for assistance.
