MAINTENANCE

To maintain the appearance and longevity of your Casaottima TV Stand, follow these simple guidelines:

- **Cleaning:** Wipe surfaces with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust with a dry, soft cloth to prevent buildup.
- **Spills:** Immediately wipe up any spills to prevent staining or water damage.
- **Placement:** Avoid placing the stand in direct sunlight or near heat sources to prevent warping or fading.
- **Stability:** Periodically check all screws and connections to ensure they remain tight and secure.

TROUBLESHOOTING

If you encounter any issues with your Casaottima TV Stand, please refer to the following common troubleshooting tips:

- **Wobbly Stand:** Ensure all cam bolts and screws are fully tightened. Check that the stand is placed on a level surface.
- **LED Lights Not Working:** Verify that the power adapter for the LED strip is securely plugged into a working outlet and the power outlet on the stand is active. Check the remote control battery.
- **Power Outlets Not Functioning:** Confirm the main power cord for the TV stand's integrated outlet is plugged into a live wall outlet.

- **Doors Not Aligning:** Adjust the hinges on the cabinet doors as needed. Refer to the assembly instructions for detailed hinge adjustment steps.
