Qecnato Q77

Qecnato Q77 Open Ear Headphones User Manual

Model: Q77

INTRODUCTION

This manual provides comprehensive instructions for the safe and efficient use of your Qecnato Q77 Open Ear Headphones. Please read this manual thoroughly before operating the device and retain it for future reference.

Image: Qecrato Q77 Open Ear Headphones shown inside their charging case. The earbuds feature an ergonomic earhook design and a sleek black finish with metallic accents. The charging case is also black, indicating a charging status light.

PACKAGE CONTENTS

Verify that all items are present in the package:

- Open Ear Earbuds x 1 pair
- User Manual x 1
- USB-C Charging Cable x 1
- LED Charging Case x 1

Bluetooth 5.4 Technology

Effortlessly connect to your devices with one-step pairing

Image: A flat lay of the Qecnato Q77 Open Ear Headphones package contents, including the earbuds in their charging case, a USB-C charging cable, and the user manual.

SETUP

1. Charging the Headphones

Before first use, fully charge the headphones and the charging case. Connect the provided USB-C cable to the charging case and a power source. The LED indicator on the case will show charging status. A full charge provides approximately 8 hours of playback for the earbuds and up to 50 hours total with the charging case.

Breathable Moment

More Transparent and Comfortable for Ears

Image: Illustration showing the Qecnato Q77 earbuds and charging case, highlighting the 8 hours of single charge battery life and 50 hours total playtime with the charging case. An LED indicator is visible on the case.

2. Wearing the Headphones

The Qecnato Q77 headphones feature an open-ear design for comfort and situational awareness. Follow these steps for proper fit:

1. Take out the earbuds from the charging case.
2. Position the ear hooks over your ears, ensuring the sound openings align with your ear canals.
3. Gently rotate the earbud backward along the auricle to achieve a secure and comfortable fit.

Image: A three-step visual guide demonstrating how to properly wear the Qecrato Q77 Open Ear Headphones. Step 1 shows taking out the earbud, Step 2 shows positioning the ear hook, and Step 3 shows rotating for a secure fit.

The open-ear design allows you to enjoy audio while remaining aware of your surroundings, making them suitable for various activities.

Open-Ear Design

Stay aware, stay safe. Enjoy music without isolation — perfect for family moments, outdoor adventures, and staying alert on the go.

3. Bluetooth Pairing

The Q77 headphones utilize Bluetooth 5.4 for fast and stable connections.

1. Ensure the earbuds are charged and removed from the charging case. They will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), navigate to the Bluetooth settings.
3. Search for available devices and select "Q77" from the list.
4. Once connected, you will hear an audio prompt, and the LED indicator on the earbuds may change.

OPERATING INSTRUCTIONS

Touch Controls

The Q77 headphones feature touch-sensitive controls on each earbud for managing audio playback and calls.

Touch Twice (L/R): Answer/End Call, Play/Pause Music.

Touch Three Times (L): Previous Track.

Touch Three Times (R): Next Track.

Touch and Hold for 2 Seconds (L/R): Reject a Call.

playing/pausing music, skipping tracks, and rejecting calls.

MAINTENANCE

Cleaning

Regularly clean your headphones to ensure optimal performance and hygiene. Use a soft, dry, lint-free cloth to wipe the earbuds and charging case. Avoid using abrasive materials or harsh chemicals.

Storage

When not in use, store the headphones in their charging case to protect them from dust and damage. Store in a cool, dry place away from extreme temperatures.

Water Resistance (IPX7)

The Q77 headphones are rated IPX7 water-resistant, meaning they can withstand immersion in water up to 1 meter for 30 minutes. This makes them suitable for workouts and light rain. However, they are not designed for swimming or prolonged submersion. Ensure the earbuds are dry before placing them back in the charging case to prevent damage.

IPX7 Waterproof & Sweat Resistant

Thanks to its advanced IPX7 water resistance, the Q77 wireless earbuds can withstand exposure to sweat and rain without any damage, making them the perfect companion for sports.

TROUBLESHOOTING

If you encounter issues with your Qec nato Q77 headphones, refer to the following common solutions:

Problem	Solution
Headphones do not power on.	Ensure the earbuds and charging case are fully charged. Place earbuds in the case and close it, then open to activate.

Problem	Solution
Cannot pair with device.	• Ensure Bluetooth is enabled on your device. • Make sure the headphones are in pairing mode (LED indicator flashing). • Forget "Q77" from your device's Bluetooth list and try pairing again. • Move closer to your device and away from potential interference sources.
No sound or low volume.	• Adjust the volume on both your device and the headphones. • Ensure the headphones are properly connected to your device. • Check if the earbuds are correctly positioned in your ears.
Intermittent connection.	• Ensure your device is within the 10m/33ft Bluetooth range. • Avoid physical obstructions between the headphones and your device. • Minimize interference from other wireless devices.
