## 1. INTRODUCTION

Thank you for choosing the Relaxdays Shoe Cabinet. This bamboo shoe rack is designed to organize your footwear efficiently, providing a tidy entrance area or dressing room. Its compact design features three tilting flaps for shoes, a drawer, and additional shelves for various items. This manual provides essential information for safe assembly, operation, and maintenance of your new shoe cabinet.

## 2. SAFETY INSTRUCTIONS

Please read these instructions carefully before installation and use to ensure safe operation and prevent damage.

- When performing wall mounting, ensure that the wall is load-bearing and tighten all screws sufficiently to secure the cabinet.
- If mounting on the floor, ensure that the floor surface is level to prevent instability.
- Do not overload the shoe shelves or any other compartments to maintain stability and prevent damage.
- When opening and closing the tilting shoe racks, exercise caution to ensure no objects or body parts become trapped.

## 3. PACKAGE CONTENTS

Verify that all components are present before beginning assembly.

- 1x Shoe Cabinet (in individual parts)

- Wall mounting material
- Assembly instructions

*Note: Decorative items shown in product images are not included.*

## 4. SETUP & ASSEMBLY

Assembly of the Relaxdays Shoe Cabinet is required. Please follow the detailed assembly instructions provided in the package. Ensure you have adequate space and the necessary tools before starting.

### 4.1 Assembly Steps Overview

1. Unpack all components and verify against the package contents list.
2. Assemble the main frame of the cabinet according to the diagrams.
3. Attach the tilting shoe flaps, ensuring they operate smoothly.
4. Install the drawer and side shelves.
5. Secure the cabinet using the provided wall mounting material for enhanced stability, especially if placed in a high-traffic area or if there is a risk of tipping.

## 5. OPERATION

### 5.1 Storing Shoes

The cabinet features three tilting flaps designed for shoe storage. Each flap can hold approximately 3 pairs of shoes, such as trainers or sandals, for a total capacity of up to 9 pairs.

- To open a flap, gently pull the knob outwards.
- Place shoes into the designated compartments within the flap.
- Push the flap back into the closed position until it is flush with the cabinet front.

### 5.2 Using Additional Storage

The cabinet also includes a drawer, open shelves, and a compartment with a door for additional storage.

- **Drawer:** Ideal for small items like keys, wallets, or shoe care accessories.
- **Open Shelves:** Suitable for decorative items, small plants, or frequently used essentials.
- **Compartment with Door:** Provides concealed storage for various items.
- **Key Hook:** A convenient hook is integrated for hanging keys.

## 6. MAINTENANCE

---

Proper care will extend the life and appearance of your bamboo shoe cabinet.

- **Cleaning:** Wipe the cabinet surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the bamboo or rattan finish.
- **Dusting:** Regularly dust the cabinet with a dry cloth to prevent buildup.
- **Moisture:** Bamboo is sensitive to excessive moisture. Avoid placing the cabinet in areas with high humidity or direct water exposure. Promptly wipe up any spills.
- **Sunlight:** Prolonged exposure to direct sunlight may cause the bamboo to fade or dry out.
- **Tightening:** Periodically check and tighten all screws and fasteners to ensure the cabinet remains stable.

## 7. TROUBLESHOOTING

---

If you encounter any issues with your shoe cabinet, refer to the following common solutions:

- **Cabinet feels wobbly:**
  - Ensure all assembly screws are securely tightened.
  - Verify the cabinet is placed on a level surface.

- If applicable, ensure the wall mounting hardware is properly installed and secured to a load-bearing wall.
- **Tilting flaps do not close smoothly:**
  - Check for any obstructions inside the flap compartments (e.g., shoes too large, items caught).
  - Ensure the flap mechanism is clean and free of debris.
  - Verify that the flap hinges were installed correctly during assembly.
- **Drawer is stiff or difficult to open/close:**
  - Check for any items obstructing the drawer's movement.
  - Ensure the drawer slides are clean.
  - Verify the drawer was assembled correctly and is aligned within its runners.

If problems persist, please refer to the contact information for customer support provided with your purchase documentation.

## 8. SPECIFICATIONS

<b>Model Name:</b>	Schuhschrank mit Rattanoptik 5 Fächer
<b>Model Number:</b>	10050459
<b>Brand:</b>	Relaxdays
