Entertainment You Love with a Little Help from Google

Figure 5: Google TV Interface

This image illustrates the Google TV home screen, showcasing its user-friendly layout with personalized content recommendations, quick access to popular streaming services, and a search bar for easy navigation.

- Use the directional pad on your remote to navigate through menus and select items.
- The Home button returns you to the Google TV home screen.
- The Back button allows you to go back to the previous screen.
- Dedicated app buttons on the remote provide quick access to popular streaming services.

Voice Control

The included Bluetooth remote features 360° voice control for convenient operation.

- Press the Google Assistant button on the remote to activate voice control.
- Speak clearly into the remote to search for content, open apps, control playback, or ask questions.

Casting and Screen Sharing

With built-in Chromecast, you can easily cast content from your mobile devices.

Screen Sharing

Figure 6: Screen Sharing Functionality

This image demonstrates the screen sharing capability, showing a smartphone mirroring its display onto a connected television, allowing users to project photos, videos, and other content from their mobile device.

- Ensure your smartphone or tablet is connected to the same Wi-Fi network as your TV Box.
- Open a Chromecast-enabled app (e.g., YouTube, Netflix) on your mobile device.
- Tap the Cast icon (**a small rectangle with a Wi-Fi signal in the corner**) within the app and select your Xiaomi TV Box S 3rd Gen.

MAINTENANCE

Proper maintenance ensures the longevity and optimal performance of your Xiaomi TV Box S 3rd Gen.

- **Cleaning:** Use a soft, dry cloth to clean the device. Do not use liquid cleaners or aerosols.
- **Ventilation:** Ensure the device is placed in a well-ventilated area to prevent overheating. Do not block any

ventilation openings.

- **Power Off:** If the device will not be used for an extended period, disconnect it from the power outlet.
- **Software Updates:** Keep the device's software updated to the latest version for improved performance and security. Updates are typically managed through the Google TV settings.

TROUBLESHOOTING

If you encounter issues with your Xiaomi TV Box S 3rd Gen, refer to the following common solutions:

Problem	Possible Cause	Solution
No power/Device not turning on	Power cable not connected; Power outlet issue	Ensure power cable is securely connected. Try a different power outlet.
No picture on TV	Incorrect HDMI input; Loose HDMI cable	Select the correct HDMI input on your TV. Reconnect the HDMI cable firmly.
Remote control not responding	Low batteries; Remote not paired	Replace batteries (2 AAA required). Re-pair the remote by following on-screen instructions or device manual.
Buffering or slow streaming	Weak Wi-Fi signal; Internet speed issues	Move the device closer to your Wi-Fi router. Restart your router. Check your internet speed.
App crashes or freezes	App error; Insufficient memory	Force close and restart the app. Clear app cache/data in settings. Restart the TV Box.
