4. SETUP

4.1 SIM Card and Storage Installation

1. Locate the SIM tray on the side of your Redmi A5.
2. Insert the SIM tray ejector tool into the small hole next to the tray and press firmly until the tray pops out.
3. Place your Nano SIM cards (supports Dual SIM) and/or a microSD card (up to 2TB) into the designated slots on the tray. Ensure the metal contacts face downwards.
4. Carefully reinsert the tray into the phone until it clicks into place.

4.2 Initial Power On

Press and hold the Power button located on the side of the device until the Redmi logo appears on the screen. The

device will boot up.

4.3 Basic Setup Steps

Upon first boot, follow the on-screen instructions to:

- Select your language and region.
- Connect to a Wi-Fi network.
- Sign in with your Google account.
- Set up screen lock (PIN, pattern, password, fingerprint, or face unlock).
- Restore data from a previous device (optional).

5. OPERATING INSTRUCTIONS

5.1 Display Features

The Redmi A5 features a large 17.47cm (6.88-inch) display with a 120Hz refresh rate for smooth visuals. It is TUV Rheinland eye protection certified to reduce eye strain.

7. TROUBLESHOOTING

If you encounter issues with your Redmi A5, refer to the following common solutions:

Problem	Solution
Device does not power on	Ensure the battery is charged. Press and hold the Power button for at least 10 seconds.
Battery not charging	Check the USB cable and power adapter connections. Try a different charger or power outlet. Ensure the charging port is clean.
Network connectivity issues	Restart the device. Check if Airplane Mode is off. Verify SIM card is properly inserted. Contact your network provider if issues persist.
Apps crashing or freezing	Close and reopen the app. Clear the app's cache and data in Settings. Restart the phone. Ensure the app is updated.
Slow performance	Close unnecessary background apps. Clear cache. Free up storage space. Restart the device.

If problems persist, consider performing a factory reset (back up your data first) or contact customer support.
