## AECOJOY 16334GY

# AECOJOY Vertical Outdoor Storage Cabinet with Shelves

Model: 16334GY

## INTRODUCTION

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your AECOJOY Vertical Outdoor Storage Cabinet, Model 16334GY. Please read this manual thoroughly before installation and use to ensure safe and efficient operation.

## SAFETY INFORMATION

Always prioritize safety during assembly and use. Failure to follow these instructions may result in injury or damage to the product.

- Ensure all parts are present and undamaged before beginning assembly.
- Assemble the cabinet on a flat, stable surface.
- Wear appropriate safety gear, such as gloves, during assembly to prevent cuts or pinches.
- Do not overload shelves. Each adjustable shelf has a weight capacity of approximately 150 lbs.
- Secure the cabinet to a wall or ground if located in an area prone to strong winds or instability.
- Keep children and pets away from the assembly area.
- For safe package delivery use, ensure the cabinet is securely closed and locked.

## PACKAGE CONTENTS

Verify that all components are included in your package. If any parts are missing or damaged, please contact customer support.

- Cabinet panels (sides, back, door, roof)
- Adjustable shelves (3 tiers)
- Hardware kit (screws, bolts, nuts, hinges, latch)
- Instruction manual

*Note: Specific quantities of each component are detailed in the included assembly guide.*

## ASSEMBLY INSTRUCTIONS

---

Assembly is designed to be straightforward. Follow the steps below and refer to the detailed diagrams in your separate assembly guide for visual assistance. A power drill may be helpful for securing screws.

1. **Prepare the Area:** Choose a flat, level surface for assembly. Ensure sufficient space around the cabinet for maneuvering parts.
2. **Unpack Components:** Carefully unpack all parts and lay them out. Identify each part using the labels provided in the assembly guide.
3. **Assemble the Base:** Connect the base frame components according to the diagrams. Ensure all connections are secure.
4. **Attach Side and Back Panels:** Fasten the side and back panels to the base. Pay attention to the orientation of each panel as indicated in the guide.
5. **Install the Roof:** Secure the roof panels to the top of the cabinet structure. Ensure the sloping design is correctly oriented for water runoff.
6. **Attach the Door:** Mount the door using the provided hinges. Ensure the door swings freely and aligns properly with the cabinet frame.
7. **Install Latching Mechanism:** Attach the lockable latch mechanism to the door and frame. Test its functionality.
8. **Insert Adjustable Shelves:** Place the adjustable shelves at your desired heights. Each shelf can be adjusted in 5.9-inch increments.

# VERSATILE STORAGE OPTION FOR ANY SETTING

## INDOOR

- ✓ **RUST-RESISTANT:** Galvanized material prevents rust for storing damp items.
- ✓ **CORROSION-RESISTANT:** Chemical coating prevents corrosion.

## OUTDOOR

- ✓ **WATERPROOF:** Fully enclosed space isolates rainwater.
- ✓ **STURDY:** All-metal cabinet ensures wind resistance.

Video: This video demonstrates the assembly process of the AECOJOY Outdoor Storage Cabinet, highlighting key steps for a sturdy setup.

## OPERATING INSTRUCTIONS

Your AECOJOY storage cabinet is designed for versatile use, providing secure and organized storage for various items.

- **Opening and Closing:** Use the integrated latch mechanism to securely open and close the cabinet door.
- **Adjusting Shelves:** To adjust shelf height, carefully remove items from the shelf, detach the shelf from its current position, and re-attach it to the desired height using the available slots. Ensure the shelf is level and securely seated before placing items on it.
- **Storage Capacity:** Utilize the three adjustable tiers to organize tools, gardening supplies, small packages, or other outdoor items. Distribute weight evenly on shelves.
- **Security:** The cabinet features a lockable door. For enhanced security, a padlock (not included) can be added to the latch.

Image: The cabinet can serve as a secure package delivery box, protecting deliveries from weather and theft.

## Usage Video

Video: This video demonstrates how the AECOJOY Outdoor Storage Cabinet helps organize garden items, contributing to a neat and tidy outdoor space.

## MAINTENANCE

Regular maintenance will prolong the life and appearance of your storage cabinet.

- **Cleaning:** Wipe down the exterior and interior surfaces with a damp cloth and mild detergent as needed. Avoid abrasive cleaners.
- **Rust Prevention:** The cabinet is made from galvanized metal with a rust-resistant coating. Inspect periodically for any signs of wear or damage to the coating and touch up if necessary to maintain protection.

- **Hinge and Latch Care:** Lubricate hinges and the latch mechanism annually with a silicone-based spray to ensure smooth operation and prevent corrosion.
- **Structural Integrity:** Periodically check all screws and fasteners to ensure they remain tight. Re-tighten if any looseness is detected.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Door does not close properly.	Misaligned hinges or frame.	Check hinge alignment and adjust screws. Ensure the cabinet is on a level surface.
Water accumulation inside.	Improper roof installation or damaged seals.	Verify roof panels are correctly installed and sealed. Inspect for any gaps or damage.
Shelves are unstable.	Incorrect shelf placement or overloading.	Ensure shelves are securely seated in all four support points. Do not exceed the weight capacity.
Difficulty with assembly.	Unclear instructions or missing parts.	Refer to the detailed assembly guide and diagrams. Contact customer support for remote assistance or replacement parts.

## SPECIFICATIONS

Feature	Detail
Brand	AECOJOY
Model Number	16334GY
