

QDCFDXDRA-BROWN1

8-Tier Bamboo Shoe Storage Cabinet with Doors

MODEL: QDCFDXDRA-BROWN1 | BRAND: GENERIC

1. Introduction

Thank you for choosing the Generic 8-Tier Bamboo Shoe Storage Cabinet with Doors. This cabinet is designed to provide an organized and elegant solution for storing 36-40 pairs of shoes, from slippers to boots. Its freestanding design and durable bamboo construction make it suitable for various spaces such as entryways, hallways, closets, or living rooms. This manual provides essential information for the safe setup, operation, and maintenance of your new shoe cabinet.

2. Safety Information

- Ensure the cabinet is placed on a flat, stable, and level surface to prevent tipping.
- Do not overload shelves beyond their intended capacity.
- Keep fingers clear of door hinges when opening or closing to avoid pinching.
- Avoid placing heavy objects on top of the cabinet that could cause instability.
- Keep the cabinet away from direct heat sources or excessive moisture to prevent damage to the bamboo and MDF materials.

3. Package Contents

Please check the package carefully to ensure all components are present and undamaged.

- 1 x Bamboo Shoe Storage Cabinet (Main Unit)
- Assembly Hardware (Handles, Door Stoppers, Screws)

4. Setup and Placement

This shoe cabinet requires minimal assembly. Follow these steps for proper setup:

1. **Unpack:** Carefully remove all components from the packaging. Inspect for any shipping damage.
2. **Choose Location:** Select a suitable location for your cabinet. Consider the dimensions (121cm width x 32cm depth x 108cm height) to ensure it fits your space. Ensure the floor is level.
3. **Attach Handles:** Securely attach the exquisite handles to the cabinet doors using the provided screws.

5. **Final Check:** Once assembled, gently test the stability of the cabinet and the operation of the doors.

5. Operating Instructions

The 8-Tier Bamboo Shoe Storage Cabinet is designed for straightforward use.

- **Storing Shoes:** Open the cabinet doors using the handles. Place shoes on the designated shelves. The cabinet can accommodate approximately 36-40 pairs of shoes, depending on their size and style. The 7-layer design allows for sorting various shoe types.
- **Door Operation:** The doors feature a transparent acrylic material, allowing visibility of your shoe collection while keeping them protected from dust. Close the doors gently to engage the magnetic door stoppers.
- **Top Surface Use:** The top surface of the cabinet can be used to display decorative items, potted plants, or store small bags.

6. Maintenance and Care

- **Cleaning:** Wipe the bamboo surfaces with a soft, damp cloth. For the acrylic doors, use a non-abrasive cleaner specifically designed for acrylic to avoid scratches. Avoid harsh chemicals.
- **Dusting:** Regularly dust the cabinet to maintain its appearance.
- **Hardware Check:** Periodically check all screws and fittings to ensure they remain tight. Tighten if necessary.
- **Avoid Moisture:** Do not expose the cabinet to excessive moisture or humidity, as this can damage the bamboo and MDF.

7. Troubleshooting

- **Doors not closing properly:** Check if the cabinet is on a level surface. Ensure the door stoppers are correctly aligned and securely installed. Verify that no shoes are obstructing the door's path.
- **Cabinet feels unstable:** Confirm the cabinet is placed on a completely flat and level surface. If necessary, use

shims under the feet to stabilize it. Avoid placing excessively heavy items on upper shelves.

- **Scratches on acrylic doors:** Use only soft cloths and acrylic-specific cleaners. Minor scratches may be buffed out with specialized acrylic scratch remover products.

8. Specifications

Feature	Detail
